MyEG Philippines Launches Insurance Portal

KUALA LUMPUR: MyEG Services Bhd's Philippines joint venture has unveiled an insurance portal to offer insurance coverage from the country's leading insurers.

In a statement, MyEG said the portal, MyEG Insurance, offers comprehensive insurance products ranging from motorcar insurance, personal accident insurance, health insurance, and travel insurance, among others.

It added that MyEG Insurance offers the convenience of obtaining insurance cover, such as CTPL coverage for motorcar and motorcycle registration within minutes.

"Using the advantage and convenience of an automated process, integrated payment solution, and online claims platform, we are able to bring to every Filipino reliable and hassle-free insurance through digital innovation," said MyEG Philippines president Ron Aquino.

"We are backed up by top insurers in the country, with over 20,000 OTC payment channels and point-of sale locations across the country.

"This means utmost security, convenience, and ease of access for Filipinos for all their insurance needs," he added.
