PETALING JAYA: MyEG Services Bhd has been appointed by the Health Ministry to provide an online payment system for inbound travellers for Covid-19 screening test and quarantine charges.

In a filing with Bursa Malaysia, MyEG said it received a letter of reward for the project that came with a tenure of two years, effective Nov 1.

It said the project had no fixed value, as it was dependent on the number of transactions and the service options selected by users.

MyEG said the job is expected to contribute positively to the group's earnings from the financial year ending Dec 31,2020.
