Pharmaniaga To Supply Vaccine To MoH

Pharmaniaga said the agreement and collaboration would serve as a platform for it to further strengthen its vaccine business and grow the sector in Malaysia.

KUALA LUMPUR: Pharmaniaga Bhd's unit will supply 200,000 doses of the Covid-19 vaccine developed and manufactured by China's Sinovac Life Sciences Co Ltd to the Health Ministry (MoH).

The company said its unit Pharmaniaga Lifescience Sdn Bhd (PLS) had entered into a supply and distribution agreement with the MoH.

The agreement is to enable the MoH to purchase the imported finished product from PLS and for PLS to supply and distribute 200,000 doses to all facilities specified by the MoH.

Pharmaniaga said the agreement and collaboration would serve as a platform for it to further strengthen its vaccine business and grow the sector in Malaysia.
