2.6 Basis of estimates

The estimated transaction values for the RRPTs referred to in Section 2.5 of this Circular are based on:

- (i) estimated prevailing prices, which are reasonably market-competitive; and
- (ii) the sums incurred or received over the past years for similar transactions.

The estimated transaction values were also projected based on the assumption that:

- (i) our Group's usual levels of transaction;
- (ii) our Group's projected business volume; and
- (iii) our current level of operations would be maintained,

from the date of our forthcoming AGM to our next AGM.

2.7 Threshold of authority

There are no specific thresholds for approval of RRPTs within our Group. All RRPTs are subject to the approval of the Board after being reviewed by ARMC. Where any Director has any interest (direct or indirect) in any RRPTs, such Director shall abstain from deliberation and voting on the matter. The Company will ensure that:

- (a) RRPTs will be conducted on an arms' length basis and on normal commercial terms and transaction prices which are not more favourable to the Related Parties than those generally available to the public; and
- (b) such transaction will not be detrimental to the minority shareholders of the Company.

2.8 Amount due and owing by the Related Parties

There was no amount due and owing by Related Parties to Flexidynamic Group pursuant to the RRPTs as at 31 December 2023. The payments were made within the agreed credit terms.

2.9 Review procedures for RRPTs

To promote good corporate governance in the conduct of the Company's business, our Group has established a framework for evaluating potential conflicts of interest and disclosure obligations arising out of transactions and business arrangements between the Company and its Related Parties. The procedures in this framework ensure RRPTs are undertaken on an arm's length basis, on transaction prices and normal commercial terms which are not more favourable to the Related Parties than those generally available to the public, are not to the detriment of our minority shareholders and are in the best interest of the Company. We set forth below the review procedures of the Company's RRPTs.

- (i) The transaction price for the sale and purchase of products and services shall be determined based on the prevailing market rates/prices for the products and services, and on normal commercial terms, or otherwise in accordance with applicable industry norms, after taking into account the pricing, level of services, quality and delivery of the products.
- (ii) Records will be maintained by the Company to capture all RRPTs entered into pursuant to the Proposed Shareholders' Mandate to ensure that relevant approvals have been obtained and all RRPTs are compiled for review and approval by the ARMC and Board respectively.
- (iii) The ARMC has the responsibility for reviewing the RRPT procedures and guidelines and reporting the same to the Board.

- (iv) In the review of RRPTs, the ARMC may, as it deems fit, requests for additional information pertaining to the transactions from independent sources and advisers.
- (v) If during the annual review, the ARMC and Board are of the view that the review procedures and processes are no longer appropriate, adequate or sufficient to monitor, track and identify RRPTs as well as to ensure that the RRPTs are made on arm's length basis, on terms and transaction prices not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders, the ARMC will recommend to the Board to revise the existing procedures and processes to ensure the Group has in place adequate procedures and processes at all times.
- (vi) At least 2 other contemporaneous transactions with unrelated third parties for similar products or services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to or by the Related Parties are fair and reasonable and comparable to those offered to or by other unrelated third parties for the same or substantially similar type of products or services and/or quantities. In the event that a quotation or comparative pricing from unrelated third parties cannot be obtained, the transaction price will be based on the usual business practices of the Group to ensure that the RRPTs are not more favourable to the Related Party than those generally available to the public and are not to the detriment of the Company or our Group or to our minority shareholders.
- (vii) The Interested Director in the RRPTs must abstain from our Board's deliberation and voting on the relevant resolution(s) in respect of the RRPTs. The Interested Director must inform our Board, of the details of the nature and extent of his interest, including all matters in relation to the proposed RRPTs that he is aware or should reasonably be aware of, which is not in the best interest of the Company or our subsidiary, as the case may be.
- (viii) The Interested Major Shareholder or Person Connected to them must not vote at the general meeting on the resolution approving the RRPTs. It is the duty of the Interested Director and Interested Major Shareholder to ensure that Persons Connected to them abstain from voting on the resolution approving the RRPTs.

3. STATEMENT BY ARMC

The ARMC has seen and reviewed the procedures set out in Section 2.9 of this Circular and is of the view that the procedures and processes are:

- (i) sufficient to ensure that the RRPTs are undertaken based on normal commercial terms which are not more favourable to the Transacting Parties than those generally available to the public and are not to the detriment of the Company's minority shareholders; and
- (ii) adequate to monitor, track and identify RRPTs in a timely and orderly manner and that such procedures and processes are reviewed on an annual basis or whenever the need arises.

4. DISCLOSURE OF RRPTS

The breakdown of the aggregate value of RRPTs will be disclosed in the Company's annual report for the financial year during which the Proposed Renewal of Shareholders' Mandate is in force, providing amongst others, the following information:

- (a) the type of Recurrent Transactions entered into; and
- (b) the names of the Related Parties involved in each type of the Recurrent Transactions made and their relationship with Flexidynamic Group.

If the actual value of a Recurrent Transactions entered into by Flexidynamic Group exceeds the estimated value of the Recurrent Transactions disclosed in this Circular by 10% or more, immediate announcement to Bursa Securities will be made.

5. RATIONALE AND BENEFITS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

The Proposed Renewal of Shareholders' Mandate will enable Flexidynamic Group to carry out RRPTs necessary for the Group's day-to-day operations, which are time sensitive in nature, and will eliminate the need to announce and convene separate general meetings (if applicable) from time to time to seek shareholders' mandate before entering into such RRPTs. This will substantially reduce the expenses, time and other resources associated with the convening of general meetings on an ad hoc basis, improve administrative efficiency and allow financial and manpower resources to be channelled towards attaining other corporate objectives.

The RRPTs carried out within the Flexidynamic Group creates mutual benefits for the companies in the Group, such as expediency and increased efficiency necessary for day-to-day operations.

In addition, the RRPTs are intended to meet the business needs of the Group on the best possible terms. By transacting with the Related Parties, the Group would have an advantage of familiarity with the background and management of the Related Parties, thus enabling more informed commercial decisions to be made. In most dealings with the Related Parties, the Group and the Related Parties have close co-operation and a good understanding of each other's business needs thus providing a platform where all parties can benefit from conducting the RRPTs.

6. EFFECTS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

The Proposed Renewal of Shareholders' Mandate will not have any effect on the issued share capital of the Company and our substantial shareholders' shareholdings and is not expected to have a material effect on the NA per share, gearing and earnings per share of our Group.
