To: Our Shareholders

Dear Sir/Madam,

PROPOSED SHAREHOLDERS' MANDATE

1. INTRODUCTION

At the Company's 15th AGM held on 27 November 2020, MACPIE had obtained a mandate from its shareholders for the general mandate for the MACPIE Group to enter into RRPT(s) of a revenue or trading nature in the ordinary course of business which are necessary for the day-to-day operations based on commercial terms which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders of the Company. This mandate will lapse at the conclusion of the 16th AGM of the Company unless authority for its renewal is obtained from the shareholders.

The Company had on 15 October 2021 announced its intention to seek shareholders' approval for the proposed new shareholders' mandate for RRPT(s) ("Proposed New Mandate") at the forthcoming Extraordinary General Meeting of the Company. The following review procedures have been formalised to ensure that the RRPT(s) contemplated under the Proposed Shareholders' Mandate is/are undertaken on transaction prices and terms not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders of MACPIE:

(a) Identification

- (i) A list of the Related Parties is circulated within our Group to notify that all RRPT(s) is/are required to be undertaken on an arm's length basis, under normal commercial terms consistent with our Group's business practices and policies, on terms not more favourable to the Related Parties than those generally available to the public and not to the detriment of the minority shareholders of MACPIE.
- (ii) All companies within our Group are required to inform our headquarter before entering into any RRPT(s) other than those entered into pursuant to the shareholders' mandate. In addition, all heads of department are advised to report on all transactions involving Related Parties, which are to be tabled to the Audit & Risk Management Committee for review on a quarterly basis.

(b) Authorisation

- (i) The pricing methods and procedures of the transactions are to be determined by market forces, under similar commercial terms for transactions with third parties that depend on the demand and supply, quality and the availability of the products.
- (ii) All types of RRPT(s) is/are carried out at arm's length and under the Group's normal commercial terms, which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders of MACPIE.

If a transaction value is less than RM1,000,00, it will be reviewed and approved by one (1) senior management, Group Financial Controller and one (1) Executive Director who have no interest in the transaction.
- (vi) Wherever practicable and/or feasible, at least 2 other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison wherever possible, to determine whether the price and terms offered to/by the Related Parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantial similar type of products/services and/or quantities. In the event that quotations or comparative pricing from unrelated third parties cannot be obtained for the proposed transactions, the Audit & Risk Management Committee will rely on the usual business norms and practices taking into account the efficiency, quality and type of support services to be provided to ensure that the RRPT(s) is/are not detrimental to our Group.

(c) Monitoring and reporting

- (i) A register shall be maintained by the respective companies within our Group to record all RRPT(s), including related party transactions which are entered into pursuant to the shareholders' mandate. All RRPT(s) shall be reported to the Audit & Risk Management Committee on a quarterly basis together with the quarterly financial reports.

- (iv) If during the review as mentioned in paragraphs 2.5(c) (ii) and (iii) above, the Audit & Risk Management Committee is of the opinion that the guidelines and procedures are not sufficient to ensure that all RRPT(s) is/are undertaken:
 - on arm's length basis;
 - under normal commercial terms consistent with our Group's business practices and policies;
 - on terms not more favourable to the Related Parties than those generally available to the public; and
 - not to the detriment of the minority shareholders of our Company,

our Company will procure a fresh mandate from the non-interested shareholders of our Company based on a new or additional set of review procedures and guidelines.

2.6 Amounts due and owing to our Group by Related Parties

As at LPD, there are no amounts due and owing to MACPIE Group by its Related Parties arising from RRPT(s) which have exceeded the credit terms. Therefore, the disclosures as required under Paragraphs 16A and 16B in Annexure GN8-A of the ACE LR are not applicable.

2.7 Disclosure in Annual Report

Disclosure will be made in the Company's annual report in accordance with Rule 3.1.5 of Guidance Note 8 of the ACE LR, which requires a breakdown of the aggregate value of the RRPT(s) entered into during the financial year, amongst others, based on the following information:

- (a) the type of the RRPT(s) made; and
- (b) the names of the Related Parties involved in each type of the RRPT(s) made and their relationship with MACPIE Group.

The Audit & Risk Management Committee of our Company has reviewed the procedures set out in Section 2.5 above and are satisfied that the said procedures are sufficient to ensure that the RRPT(s) will be undertaken:

- on arm's length basis;
- under normal commercial terms consistent with our Group's business practices and policies;
- on terms not more favourable to the Related Parties than those generally available to the public; and
- not to the detriment of the minority shareholders of our Company.

The Audit & Risk Management Committee is of the view that our Group has put in place adequate procedures and processes to monitor, track and identify RRPT(s) in a timely and orderly manner. These procedures and processes are reviewed on an annual basis or whenever the need arises.

The Audit & Risk Management Committee of our Company, after having considered all the relevant aspects of the Proposed Shareholders' Mandate, including the rationale and effects of the Proposed Shareholders' Mandate, is of the opinion that the Proposed Shareholders' Mandate is in the best interest of our Group and is fair and reasonable.

4. RATIONALE OF THE PROPOSED SHAREHOLDERS' MANDATE

The RRPT(s) entered or to be entered with the Related Parties are all in the ordinary course of business, which were undertaken at arm's length basis and on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and are not detrimental to the minority shareholders of MACPIE.

The RRPT(s) is/are likely to continue to occur with some degree of frequency from time to time. By obtaining the shareholders' mandate and renewing the same on an annual basis, our Company does not need to convene separate meetings from time to time to seek shareholders' approval as and when potential RRPT(s) with the Related Parties arise, thereby reducing substantial administrative time and expenses in convening such meetings. It would also enable our Group to realise the business opportunities as and when they shall become available to us in a more timely and effective manner.

The RRPT(s) is/are intended to meet the business needs of the Group at the best possible terms. By transacting with the Related Parties and the Group would have an advantage of familiarity with the background, financial well-being and management of the Related Parties, thus enabling more informed commercial decisions to be made. The Group and the Related Parties also have a good understanding of each other's business needs and expectations thus providing a platform where all parties can benefit from conducting the RRPT(s).

5. EFFECTS OF THE PROPOSED SHAREHOLDERS' MANDATE

The Proposed Shareholders' Mandate will not have any effect on the issued share capital and substantial shareholders' shareholdings. It will not have any material effect on the consolidated net assets, consolidated earnings and consolidated gearing of MACPIE as well.

6. INTERESTS OF DIRECTORS, MAJOR SHAREHOLDERS AND/OR PERSONS CONNECTED TO THEM

As at LPD, save as disclosed below who are interested and/or do not consider themselves independent in the RRPT(s), none of the other Directors and/or Major Shareholders or persons connected with the Directors and/or Major Shareholders of MACPIE have any interest, directly or indirectly in the Proposed Shareholders' Mandate:
