FINANCIAL RESULTS 2Q24

Growth in both P&M and OIS segments drives increase in PATANCI

Revenue and Gross Margin

1H24 group revenue increased by 24.3% to RM387.3 million on stronger revenue contributions from the P&M and OIS segments.

EBITDA, PATANCI, and Margins

Group PATANCI grew 67.7% to RM31.6 million in 1H24, mainly due to better group profit achieved from the P&M and OIS segments coupled with net gain on foreign exchange, fair value gain on forward foreign currency exchange contracts and reversal of impairment made on its trade receivables

Healthy P&M and OIS orderbook in tandem with increased investment activities by oil majors

Order book totaling RM570.5 million
as at 30 June 2024

- Robust orderbook for P&M mainly from gas turbine after sales, with RM319.9 million of works to be delivered within 12 months.
- Healthy OIS orderbook driven by rising demand for slickline services, successful MCM project tenders, and growing chemical business momentum.

Actively tendering across all segments

Tender book totaling RM1.4 billion
as at 30 June 2024

- Tenders pipeline remains strong.
- Higher demand from major clients for oilfield maintenance work to drive OIS wins.
- Aggressive tendering in the OIS segment, combined with a healthy tender book for the P&M segment, is set to drive the Group's continued growth.

Strong net cash position allowing Group to capture opportunities, M&A included, for future expansion
