Rationale for the Proposed Amendments

Description**Proposed Establishment of the Acquisition, Divestment and Performance Fees of AKRM**

The Proposed Establishment of the Acquisition, Divestment and Performance Fees of AKRM was proposed after taking into consideration the following:

- (i) the Manager plays a vital role in ensuring any acquisition and divestment exercises are undertaken in accordance with the sustainable financial modeling, established guidelines and on a market driven basis. Hence, AKRM employs the right and competent resources to meet the set baseline and targets;
- (ii) investment decisions require a stringent and prudent processes in finding the right assets, which involves amongst others, negotiation, robust analysis, presentation to the Board and the Trustee, appointment of solicitors, conducting various due diligence exercises such as valuation, financial, legal, building and structure, mechanical and electrical;
- (iii) to cater to the potential increase in the current and future operational cost, which includes amongst others, implementation of ARREIT's strategic direction and compliance costs; and
- (iv) to position AKRM on the same level with the other players in the REIT industry and that the Proposed Acquisition Fee, the Proposed Divestment Fee and the Proposed Performance Fee are within the range of the fees charged by managers of other REITs.

The Proposed Establishment of the Acquisition, Divestment and Performance Fees of AKRM will also further incentivise AKRM to further grow ARREIT for the benefit of the Unitholders, which will then allow ARREIT to be managed more effectively.

Proposed Amendments for Streamlining

Pursuant to section 9 of the Capital Markets and Services Act 2007 ("**CMSA**"), Bursa Securities has made consequential amendments to the periodic reporting framework for listed REITs under the Listing Requirements in accordance with the Capital Markets and Services (Prescription for Non-application) (Real Estate Investment Trusts) Order 2024 ("**CMSA Order 2024**").

With the coming into force of the CMSA Order 2024 on 26 February 2024, the mandated two (2)-month timeframe to lodge the annual report of the listed REIT with the SC and disseminate the same to the unitholders cease to be in effect.

3. RATIONALE FOR THE PROPOSED AMENDMENTS

Proposed Establishment of the Acquisition, Divestment and Performance Fees of AKRM

The Proposed Establishment of the Acquisition, Divestment and Performance Fees of AKRM was proposed after taking into consideration the following:

- (i) the Manager plays a vital role in ensuring any acquisition and divestment exercises are undertaken in accordance with the sustainable financial modeling, established guidelines and on a market driven basis. Hence, AKRM employs the right and competent resources to meet the set baseline and targets;
- (ii) investment decisions require stringent and prudent processes in finding the right assets, which involves amongst others, negotiation, robust analysis, presentation to the Board and the Trustee, appointment of solicitors, conducting various due diligence exercises such as valuation, financial, legal, building and structure, mechanical and electrical;

- (iii) to cater to the potential increase in the current and future operational cost, which includes amongst others, implementation of ARREIT's strategic direction and compliance costs; and
- (iv) to position AKRM on the same level with the other players in the REIT industry and that the Proposed Acquisition Fee, the Proposed Divestment Fee and the Proposed Performance Fee are within the range of the fees charged by managers of other REITs.

The Proposed Establishment of the Acquisition, Divestment and Performance Fees of AKRM will also further incentivise AKRM to further grow ARREIT for the benefit of the Unitholders, which will then allow ARREIT to be managed more effectively.

Proposed Amendments for Streamlining

Pursuant to section 9 of the Capital Markets and Services Act 2007 ("**CMSA**"), Bursa Securities has made consequential amendments to the periodic reporting framework for listed REITs under the Listing Requirements in accordance with the Capital Markets and Services (Prescription for Non-application) (Real Estate Investment Trusts) Order 2024 ("**CMSA Order 2024**").

With the coming into force of the CMSA Order 2024 on 26 February 2024, the mandated two (2)-month timeframe to lodge the annual report of the listed REIT with the SC and disseminate the same to the unitholders cease to be in effect.

The CMSA Order 2024 prescribes a longer timeframe of four (4) months after the end of the listed REIT's financial year, for the management company to lodge the annual report with the SC and issue the same to the unitholders.

The Proposed Amendments for Streamlining are deemed necessary for the purpose of enhancing the provisions under the Amended and Restated Deed and to comply with amongst others, the CMSA and the Listing Requirements, including administrative and/or technical amendments, which aims to provide better clarity to certain provisions in the Amended and Restated Deed. Subsequently, this will allow AKRM and the Trustee to perform their duties effectively and result in an increasingly expeditious decision-making process.

4. EFFECTS OF THE PROPOSED AMENDMENTS

The Proposed Amendments will not have any immediate effect on the total number of units, the unitholdings of the substantial unitholders, the net asset value per unit, gearing and the earnings per unit, of ARREIT.

The imposition of any acquisition, disposal or performance fee in the future, within the authorisation arising from the Proposed Amendments, will reduce the earnings per unit of ARREIT.

5. APPROVALS REQUIRED

The Proposed Amendments are subject to approval being obtained from the Unitholders of ARREIT comprising not less than two-thirds (2/3) of all Unitholders present and voting at a unitholders' meeting to be convened. Upon obtaining the approval of the Unitholders of ARREIT for the Proposed Amendments, AKRM and the Trustee will enter into the Supplementary Trust Deed. Thereafter, the Supplementary Trust Deed will be registered and lodged with the SC. The Supplementary Trust Deed will be effective upon its registration with the SC.

none of AKRM, Trustee, and Directors, major shareholders and chief executive of AKRM, major unitholders of ARREIT and/or persons connected with any of them have any interest, direct or indirect, in the Proposed Amendments.

Accordingly, the abovementioned parties will abstain and have undertaken to ensure that persons connected to them will abstain from voting in respect of their direct and/or indirect unitholdings on the special resolutions pertaining to the Proposed Establishment of the Acquisition, Divestment and Performance Fees of AKRM and the Proposed Amendments, to be tabled at the forthcoming AGM.
