To: The Shareholders of BHIC

Dear Sir/Madam,

PROPOSED 2024 SHAREHOLDERS' MANDATE

1. INTRODUCTION

In accordance with paragraph 10.09 of the Listing Requirements, the Company has obtained the approval from the Shareholders for the 2023 Shareholders' Mandate to enter into Recurrent Related Party Transactions at the Company's 51st AGM held on 13 June 2023.

The 2023 Shareholders' Mandate shall, in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming 52nd AGM unless authority for its renewal is obtained from the shareholders of the Company at the 52nd AGM.

Accordingly, on 29 February 2024, the Company announced to the Bursa Malaysia its intention to seek shareholders' approval of the Proposal at the forthcoming 52nd AGM.

The purpose of this Circular is to provide you with the details of the Proposal and to seek your approval for the ordinary resolution pertaining to the Proposal to be tabled at the forthcoming 52nd AGM, the notice of which is set out in the Integrated Report 2023 of BHIC, which is despatched together with this Circular.

You are advised to read and carefully consider the contents of this Circular before voting on the ordinary resolution to give effect to the Proposal at the forthcoming 52nd AGM.

FURTHER INFORMATION

2. PROPOSED 2024 SHAREHOLDERS' MANDATE**2.1 Details of the Proposal****Background Information**

Pursuant to paragraph 10.09(1) of the Listing Requirements, a listed issuer with an issued share capital of RM60 million and above must immediately announce a Recurrent Related Party Transaction as follows: -

- i) the consideration, value of assets, capital outlay or costs of the Recurrent Related Party Transactions is RM1 million or more; or
- ii) the percentage ratio of such Recurrent Related Party Transaction is 1% or more,

whichever is the higher.

However, pursuant to paragraph 10.09(2) of the Listing Requirements, a listed issuer is allowed to obtain a mandate from its shareholders in respect of the Recurrent Related Party Transactions.

Paragraph 2.4 of Practice Note 12 states that where a listed issuer has obtained a shareholders' mandate in respect of any Recurrent Related Party Transaction, the disclosure obligation as set out in paragraph 10.09(1) of the Listing Requirements as well as the obligation to procure shareholder approval where any one of the percentage ratios of a related party transaction is 5% or more, as set out under paragraph 10.08 of the Listing Requirements, will not apply to the Recurrent Related Party Transactions which are comprised in the mandate.

It is anticipated that the Group would in the ordinary course of business enter into Recurrent Related Party Transactions which are necessary for their day-to-day operations with classes of Related Parties which are disclosed in Section 2.3 of this Circular. The list of subsidiaries undertaking the Proposal and BHIC's effective interest in the said subsidiaries are set out in Section 2.2 whilst details of the Related Parties are set out in section 2.3. It is likely that such transactions will occur at any time with some degree of frequency.

Accordingly, the Company is seeking your mandate in respect of the Proposal at the forthcoming 52nd AGM, which would allow BHIC Group to enter into the Recurrent Related Party Transactions with the Related Parties as specified in Section 2.3 of this Circular provided such transactions are necessary for their day-to-day operations in the ordinary course of their business and are carried out on normal commercial terms and are on terms not more favourable to the Related Parties than those generally available to the public and are not detrimental to the minority shareholders of BHIC. At each subsequent AGM, mandate for renewal will be sought for the RRPTs.

Paragraph 3.1.4 of Practice Note 12 states that a shareholders' mandate is subject to annual renewal and any authority conferred by a shareholders' mandate will continue to be in force until:-

- (a) the conclusion of the first AGM of the listed issuer following the general meeting at which such shareholders' mandate was passed, at which time it will lapse, unless by a resolution passed at the meeting, the authority is renewed; or
- (b) the expiration of the period within which the next AGM after that date is required to be held pursuant to section 340(2) of the Act (but must not extend to such extension as may be allowed pursuant to section 340(4) of the Act); or
- (c) revoked or varied by a resolution passed by the shareholders in a general meeting;

whichever is the earlier.

Note 1: The trade receivable balance of RM49.7 million represents the trade receivables after deducting Accumulated Expected Credit Loss ("AECL") of RM334.73 million provided as at 31 December 2023 by BHIC for the outstanding sum of RM384.43 million owing by LUNAS as at 31 December 2022. It also represents the amount to be recoverable from Lunas pursuant to the ITRSA, the details of which are set out in the circular to shareholders of BHIC dated 15 April 2024.

The Board (save for the Interested Directors) wishes to highlight that the outstanding amount of RM49.7 million is a non-negotiable final offer made by the MOF Inc. via LUNAS and OSB to the BHIC Group. Considering the net liabilities position of LUNAS, the Board (save for the Interested Directors) is the view that the non-acceptance of the Repayment Sum may result in zero payment from LUNAS which is to the detriment of BHIC Group.

In order to maintain a beneficial collaboration with the Government of Malaysia, BHIC had decided not to exercise its legal rights to demand for payment of the Total Outstanding Sum from LUNAS and OSB after taking the following into consideration:

- i) to protect and preserve BHIC's existing contracts with the Government of Malaysia;
- ii) and/or Ministry of Defence Malaysia which are due to be renewed in the coming years; and
- iii) to preserve BHIC's reputation and ability to secure future contracts from the Government of Malaysia, Ministry of Defence Malaysia and/or Ministry of Home Affairs of Malaysia

Premised on the above and after having considered all aspects of the Proposals in entirety, the Board (save for the Interested Directors) is of the opinion that the repayment sum of RM49.7 million by the MOF Inc via LUNAS and OSB to the BHIC Group is fair and reasonable and not detrimental to BHIC Group.

The recoverability of the outstanding sum of RM49.7 million by LUNAS is subject to obtaining approvals from shareholders of BHIC for the Proposals as set out in the circular to shareholders of BHIC dated 15 April 2024 at the EGM to be convened on 30 April 2024 and the execution of the ITRSA thereafter and the parties adhering to the terms of the ITRSA accordingly.

There were no late payment charges imposed by the Group on the above outstanding amounts as it is not the Group's practice to charge interest on late payment if the transaction is trade in nature. The Management had and will continuously meet and discuss with the debtors for early settlement of the outstanding amounts.

2.6 Guidelines and Review Procedures for Recurrent Related Party Transactions

The BHIC Group has established the following procedures and guidelines to ensure that the Recurrent Related Party Transactions are undertaken on arm's length basis on transaction prices and on normal commercial terms which are more favourable to the Related Parties than those generally available to third parties/public and are not detriment of the minority shareholders: -

- (a) A list of the identities of the Related Parties will be circulated within the Group. Prior to

FURTHER INFORMATION

entering any of the Recurrent Related Party Transactions, the Group must ensure that all such transactions are consistent with the Group's normal business practices and policies, which are not favourable to the Related Parties than those generally available to the public and are not detrimental to the minority shareholders of the Company.

- (b) Records shall be maintained to capture all Recurrent Related Party Transactions, which are entered into pursuant to the Proposal. Details of the Recurrent Related Party Transactions made during the financial year shall be submitted to Group Internal Audit Department (GIAD) annually for disclosure in the Annual Report and where necessary, reports shall also be generated for review by the Board Audit Committee on a yearly basis or when required. The annual internal audit plan shall incorporate a review of the sufficiency of and compliance with the guidelines and review procedures established to monitor Recurrent Related Party Transactions.
- (c) The Board and the Board Audit Committee shall review management's system and the internal audit reports to ascertain that the guidelines and procedures established to monitor Recurrent Related Party Transactions have been complied with.
- (d) Any member of the Board Audit Committee may, as he deemed fit, request for additional information pertaining to any transaction from independent sources or advisers.
- (e) Any Director who has an interest (direct or indirect) in any Recurrent Related Party Transactions, shall abstain from board deliberation and voting in respect of such transactions and continue to abstain from voting on the resolutions approving the transactions.
- (f) GIAD will report the Recurrent Related Party Transactions updates to the Board Audit Committee to review on yearly basis or when required. GIAD is to review and report to the Board Audit Committee on whether the Recurrent Related Party Transactions entered into by the Group were entered into at arm's length, fair and not detrimental to the minority shareholders of the Group.
- (g) Should the Board Audit Committee during its review form an opinion that the Recurrent Related Party Transactions are not being conducted in accordance with established terms and procedures and/or are not being conducted on an arm's length basis and on normal commercial terms, or are detrimental to the interests of shareholders, it will advise the Board to convene a General Meeting of shareholders to seek a fresh shareholders' mandate for the Recurrent Related Party Transactions.
- (h) The interested Director or interested Major Shareholder shall also ensure that the persons connected with him abstain from voting on the resolutions approving the transactions.
- (i) Wherever applicable, at least two other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the Related Parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar types of products/services and/or quantities. In the event the quotation or comparative pricing from unrelated third parties cannot be obtained (for instance, if there are no unrelated third-party vendors/customers of similar products or services, or if the product/service is a proprietary item), the transaction price will be determined based on quotations, tenders and prices guided by the Original Equipment Manufacturers. Otherwise, they are subject to the approval in accordance with the LOA, policies and procedures of the respective transacting entities. The management of BHIC shall retain proper documentations to support the basis in arriving at the relevant transaction prices. The management will follow the guides and provisions in the BHIC's LOA and policy when approving each transaction.

FURTHER INFORMATION

- (j) All Recurrent Related Party Transactions which are not within the proposed mandate and have a value of not less than RM1,000,000.00 or 1% of the percentage ratio (as defined under the paragraph 10.02(g) of the Listing Requirements), whichever is the higher, all divisions and subsidiaries with the Group are required to comply and are responsible to track transaction values for immediate announcement to Bursa Malaysia.
- (k) There is no specific threshold within the Group for approval of such RRPTs. These RRPTs are at commercial transaction prices and terms, and the approvals are based on the applicable sales and purchase procedures and the authority limits of the Group.

The following are the commercial considerations which the BHIC Group takes into account before entering into transactions for the sale/supply of goods and provision of services, in the ordinary course of business: -

- (a) The ability and track record of the purchaser to pay for the goods supplied or services rendered;
- (b) Terms and conditions agreed by both parties are fair and reasonable; and
- (c) Whether past experiences and the working relationship with the purchaser has been satisfactory.

The following are the commercial considerations which the BHIC Group takes into account before entering into transactions for the purchase of goods or services from a vendor/service provider, in the ordinary course of business: -

- (a) The BHIC Group's pricing for the goods to be provided or supplied and/or received or purchased is negotiated between the BHIC Group and the Related Party based on the prevailing market prices as agreed with unrelated third parties;
- (b) The terms are no more favourable to the Related Parties than those extended to unrelated third parties and available to the public, and the Recurrent Related Party Transactions are not detrimental to minority shareholders;
- (c) The transactions are entered into and/or the services are provided after taking into account factors such as pricing, quality, delivery schedules and, where applicable, preferential rates, rebates or discounts accorded for bulk purchases, the terms offered are fair and reasonable and in the BHIC Group's commercial interest;
- (d) The competitiveness in pricing;
- (e) The standard and quality of the goods/services and whether it meets the requirements of the BHIC Group;
- (f) The responsiveness and level of services provided by the goods or service providers and whether past experience and the working relationship has been satisfactory; and
- (g) The track record and competence of the goods or service provider and whether the goods or service provider has sufficient resources to perform its obligations.

The BHIC Group would only enter into transactions with relevant parties based on the above criteria, regardless of whether or not the party is related.

2.7 Validity Period of the Proposal

If approved at the forthcoming 52nd AGM, the Proposal will take effect from the passing of the Ordinary Resolution relating thereto at the 52nd AGM and will continue to be in force until: -

passed at the meeting, the authority is renewed either unconditionally or subject to conditions; or

- (b) The expiration of the period within which the next AGM of the Company after this date is required to be held pursuant to Section 340(2) of the Act (but must not extend to such extension as may be allowed pursuant to Section 340(4) of the Act); or

whichever is the earlier.

In view of the foregoing, at the next AGM following the AGM in which approval for the Proposal is obtained, and at each subsequent AGM, the Board will seek shareholders' approval for the renewal of the same, subject to satisfactory review by the Board Audit Committee of its continued application to the Recurrent Related Party Transactions.

Transactions with any Related Parties which do not fall within the ambit of the Proposal will be subject to other applicable provisions of the Listing Requirements, the Act and/or any applicable law.

2.8 Disclosure

Disclosure has been made in BHIC's Integrated Report 2023 of the aggregate value of transactions transacted pursuant to the 2023 Shareholders' Mandate during the financial year ended 31 December 2023. 3. STATEMENT BY THE BOARD AUDIT COMMITTEE

The Board Audit Committee of the Company has seen and reviewed the procedures mentioned in section 2.6 above and is of the view that:

- (a) The said procedures for the Recurrent Related Party Transactions as well as the periodic review to be made by the Board Audit Committee in relation thereto are sufficient to ensure that the Recurrent Related Party Transactions will be made at arm's length and in accordance with the Group's normal commercial terms and are not more favourable to the Related Parties than those generally available to the public and the Recurrent Related Party Transactions are not detrimental to minority shareholders and are in the best interests of the Group;
- (b) The BHIC Group has in place adequate procedures to monitor, track and identify the Recurrent Related Party Transactions in a timely and orderly manner, and such procedures are reviewed on a yearly basis or whenever the need arises; and
- (c) The Board Audit Committee will review these procedures and processes whenever the need arises.

4. RATIONALE AND BENEFITS FOR THE PROPOSAL

The Recurrent Related Party Transactions entered into by the BHIC Group with the Related Parties are all conducted in the ordinary course of business. They are recurring transactions of

FURTHER INFORMATION

revenue or trading nature which are likely to occur with some degree of frequency and could arise at any time and from time to time. These transactions may be constrained by the time sensitive nature and confidentiality of such transactions and as such, it may be impractical to seek shareholders' approval on a case-to-case basis before entering into such related party transactions.

The Recurrent Related Party Transactions are considered by the Board to be beneficial to the BHIC Group as they constitute transactions which are necessary for the day-to-day operations of the BHIC Group, which contribute to the generation of its turnover and profit. The close commercial relationships that had been established with the Related Parties also enhances the ability to explore beneficial business opportunities within the BHIC Group, which will be of benefit to all the companies within the BHIC Group. In most instances, companies within the BHIC Group have a better understanding of each other's business needs, thus providing a platform where all parties can benefit from timely provision of products/services.

The Proposal, if approved by the shareholders is intended to enhance the Group's ability to pursue business opportunities, which are time-sensitive in nature, and will eliminate the need to announce, or to announce and convene separate general meetings on each occasion to seek shareholders' prior approval for the entry by the Group into such transactions. This will substantially reduce administrative time, inconvenience and expenses associated with the making of such announcements and the convening of such meeting, without compromising the corporate objectives and adversely affecting the business opportunities available to the BHIC Group.

5. APPROVALS REQUIRED

The Proposal is subject to the approval of the shareholders of BHIC at the forthcoming 52nd AGM.

6. FINANCIAL EFFECTS OF THE PROPOSAL

The Proposal is not expected to have any material effect on the issued share capital of BHIC, as well as the consolidated earnings and net tangible assets of the BHIC Group for the financial year ending 31 December 2024.

2. MATERIAL LITIGATION

Save as disclosed below, the BHIC Group is not involved in any material litigation and claims either as plaintiff or defendant or otherwise, nor are the Directors of BHIC aware of any proceedings pending or threatened against the BHIC Group, or any facts likely to give rise to any proceeding which might materially or adversely affect the financial or business position of the BHIC Group:

2.1 Kuala Lumpur High Court Civil Suit No. WA-22NCC-485-09/2022

Plaintiffs: 1. **Contraves Advanced Devices Sdn Bhd ("CAD")**
2. **Contraves Electrodynamic Sdn Bhd ("CED")**

Defendants: 1. **Lumut Naval Shipyard Sdn Bhd (formerly known as Boustead Naval Shipyard Sdn Bhd ("LUNAS"))**
2. **Boustead Heavy Industries Corporation Bhd ("BHIC")**
3. **BHIC Defence Technologies Sdn Bhd ("BHICDT")**
4. **Dr. Salihin Bin Abang**
5. **Vice Admiral Dato' Syed Zahiruddin Putra Bin Syed Osman**

On 27 September 2022, CAD and CED ("**Plaintiffs 1**") filed a Writ of Summons and Statement of Claim against BHIC, BHICDT, LUNAS and two BHICDT's nominee directors in CAD. Plaintiffs 1 seek several reliefs, including a declaration that the 12 letters of award to CAD from LUNAS are still valid and subsisting, payment of outstanding amounts, damages and injunctions to restrain the defendants from various actions.

The litigation timeline includes several defences and subsequently BHIC as well as other defendants had filed an application to strike out the claims, with a case management held on 30 November 2022.

The striking out applications were heard on 5 April 2023, and the High Court had fixed the subsequent hearing to be on 3 May 2023, which was later adjourned by the High Court to another date to be decided, where the decision will be delivered on the application, and fixed 3 July 2023 for case management.

Based on the case management dated 3 July 2023, Plaintiffs 1 have requested for an extension to finalise the settlement. Hence, the High Court fixed another date for case management on 16 August 2023, for parties to update the High Court on the settlement. In the case management on 16 August 2023, Plaintiffs 1 and LUNAS have requested for an extension of time to finalise the settlement. The High Court fixed the next case management on 18 September 2023.

During case management on 18 September 2023, LUNAS and Plaintiffs 1 updated the High Court that the settlement has not been finalised. The High Court then decided that it will allow both parties more time to settle and fixed the new case management on 30 October 2023.

On 30 October 2023, Plaintiffs 1 updated the High Court that the settlement has not been finalised and the High Court fixed 30 November 2023 for final case management which was later shifted to

FURTHER INFORMATION

12 December 2023. In the case management of 12 December 2023, the High Court has fixed the decision of the striking out applications on 8 February 2024.

On 4 January 2024, LUNAS had withdrawn LUNAS's striking out application with no order as to costs. On the same day, the Plaintiffs 1 filed a notice of discontinuance to discontinue the suit against LUNAS with no order as to costs and without liberty to file afresh.

On 8 February 2024, the High Court allowed the striking out application filed by BHIC and BHICDT and struck out the Plaintiffs 1's claim against BHIC and BHICDT, with costs of RM15,000.00 to be personally paid by Sylvia Sinniah (i.e. the Chief Executive Officer of Plaintiffs 1) to BHIC and BHICDT ("**Striking Out Decision**").

The deadline for CAD and CED to file an appeal to the Court of Appeal against the Striking Out Decision has lapsed and no appeal has been filed by CAD and CED against the Striking Out Decision.
