Dear Sir/ Madam,

PROPOSED SHARE BUY-BACK AUTHORITY

1. INTRODUCTION

On 20 October 2022, the Board announced that the Company proposes to seek the approval of its shareholders at the forthcoming Sixth Annual General Meeting ("**6th AGM**") of the Company for the Proposed Share Buy-Back Authority.

The purpose of Part A of this Statement/ Circular is to provide you with details of the Proposed Share Buy-Back Authority and to seek your approval on the ordinary resolution pertaining to the Proposed Share Buy-Back Authority to be tabled at the 6th AGM. The notice convening the 6th AGM together with the Proxy Form are enclosed in the Annual Report 2022.

YOU ARE ADVISED TO READ AND CAREFULLY CONSIDER THE CONTENTS OF THIS STATEMENT/CIRCULAR TOGETHER WITH THE APPENDIX CONTAINED HEREIN BEFORE VOTING ON THE RESOLUTION PERTAINING TO THE PROPOSED SHARE BUY-BACK AUTHORITY TO BE TABLED AT THE FORTHCOMING 6TH AGM.

2. DETAILS OF THE PROPOSED SHARE BUY-BACK AUTHORITY

The Board is proposing to seek the shareholders' approval to authorise the Company to purchase its own Shares for an aggregate amount of up to ten percent (10%) of the total number of issued shares of the Company which are listed on Bursa Securities through its appointed stockbroker(s) at the point of purchase subject to compliance with Section 113(5) and 127 of the Act, Chapter 12 of the Listing Requirements of Bursa Securities and any prevailing laws/ regulations issued by the relevant authorities.

The Proposed Share Buy-Back Authority, once approved by the shareholders, shall take effect from the passing of the ordinary resolution pertaining thereto at the forthcoming 6th AGM and shall continue to be in force until:

- (i) the conclusion of the next AGM of the Company (i.e., 7th AGM), at which time the said authority will lapse, unless by an ordinary resolution passed at the 7th AGM, the authority is renewed, either unconditionally or subject to conditions;
- (ii) the expiration of the period which the next AGM of the Company is required by law to be held; or
- (iii) revoked or varied by ordinary resolution passed by the shareholders at a general meeting of the Company,

whichever occurs first.

2.1 Maximum number or percentage of Binasat Shares to be purchased

The Board proposes to seek a mandate from the Company's shareholders to purchase and/or hold in aggregate up to 10% of the total issued shares of Binasat as quoted on Bursa Securities as at the point of purchase.

The maximum aggregate number of Binasat Shares which may be purchased by the Company, shall not exceed 10% of the total number of issued shares in the Company at any point in time subject to compliance with the provisions of the Act, the Company's Constitution, the Listing Requirements and/or any other relevant authorities.

As at LPD, the total number of issued shares is 388,295,506 Shares. For illustration purpose, assuming no further Binasat Shares are issued*, the maximum number of Binasat Shares which may be purchased by the Company shall not be more than 38,829,550 Shares, representing up to 10% of its issued shares as at the LPD.

Note:

* *Notwithstanding the above, the Company has a SIS which took effect on 16 April 2019 for a period of 5 years. The maximum number of Binasat Shares which may be made available under the SIS shall not exceed 15% of the total number of issued shares of the Company at any one time. As at LPD, Binasat has not awarded/ granted any Shares or SIS options pursuant to the SIS.*

On 13 October 2022, the Company announced that the Company proposes to undertake the Proposed Free Warrants Issue which entails issuance of up to 194,147,753 Warrants. On 17 October 2022, the additional listing application has been submitted to Bursa Securities.

The maximum number of Binasat Shares which may be purchased must not exceed an aggregate amount of up to 10% of the total number of issued Shares after taking into consideration the number of Shares to be issued pursuant to the SIS and Proposed Free Warrants Issue.

The actual number of Binasat Shares to be purchased and the timing of such purchase will depend on, among others, market conditions and sentiments, as well as the retained earnings and financial resources of the Company at the time of the purchase(s).

2.2 Pricing

Pursuant to Rule 12.17 of the Listing Requirements, the Company may only purchase the Shares on Bursa Securities at a price which is not more than 15% above the VWAP for Binasat Shares for the 5 market days immediately before the purchase(s).

In addition, pursuant to Rule 12.18 of the Listing Requirements, the Company may only resell Treasury Shares on Bursa Securities or transfer Treasury Shares pursuant to Section 127(7) of the Act, at:

- (i) a price which is not less than the VWAP for Binasat Shares for the 5 market days immediately before the resale or transfer; or
- (ii) a discounted price of not more than 5% to the VWAP for Binasat Shares for the 5 market days immediately before the resale or transfer provided that:
 - (a) the resale or transfer takes place not earlier than 30 days from the date of purchase; and
 - (b) the resale or transfer price is not less than the cost of purchase of Binasat Shares being resold or transferred.

2.3 Treatment of Purchased Shares

In accordance with Section 127(4) of the Act, the Directors may deal with the Purchased Shares, in the following manner:

- (i) to cancel the Purchased Shares;
- (ii) to retain the Purchased Shares as Treasury Shares; or
- (iii) to retain part of the Purchased Shares as Treasury Shares and cancel the remainder of the Purchased Shares.

Accordingly, pursuant on Section 127(7) of the Act, where such Purchased Shares are held as Treasury Shares, the Directors may:

- (i) distribute the Purchased Shares as dividends to shareholders;
- (ii) resell the Purchased Shares or any of the Purchased Shares in accordance with the Listing Requirements;
- (iii) transfer the Purchased Shares or any of the Purchased Shares for the purpose of or under an employees' share scheme;
- (iv) transfer the Purchased Shares or any of the Purchased Shares as purchase consideration;
- (v) cancel the Purchased Shares or any of the Purchased Shares; or
- (vi) sell, transfer or otherwise use the Purchased Shares for such other purposes as allowed by the Act.

In accordance with Section 127(8) of the Act, if the Purchased Shares are held as Treasury Shares, it shall not confer:

- (i) the right to attend or vote at meetings and any purported exercise of such rights is void; and
- (ii) the right to receive dividends or other distribution, whether cash or otherwise, of the Company's assets including any distribution of assets upon winding up the Company.

In accordance with Section 127(9) of the Act, if the Purchased Shares are held as Treasury Shares, the Treasury Shares will not be taken into account in calculating the number of percentage of Shares, or of a class of shares in the Company for any purpose including without limiting the generality of the provision under Section 127(9) of the Act, the provisions of any law or requirements of the Company's Constitution or the Listing Requirements on substantial shareholdings, take-overs, notices, requisitioning of meetings, quorum for a meeting and result of a vote on resolution(s) at a meeting.

Nonetheless, Section 127(11) of the Act states that the Purchased Shares shall not be taken to prevent:

- (i) an allotment of Shares as fully paid bonus shares in respect of the Treasury Shares; or
- (ii) the subdivision or consolidation of Treasury Shares.

As at the date of this Statement/ Circular, the Board has yet to make any decision with regards to the treatment of the Purchased Shares and will take into consideration the effects of such treatment on the Group in arriving at its decision. An appropriate announcement(s) and notice(s) will be made to Bursa Securities and the relevant authorities in respect of the Board's decision on the treatment of the Purchased Shares in compliance with the Listing Requirements and the Act.

3. RATIONALE FOR THE PROPOSED SHARE BUY-BACK AUTHORITY

The Proposed Share Buy-Back Authority, if implemented, may provide the following potential benefit to the Company and its shareholders:

- (i) will enable Binasat to utilise any of its surplus financial resources, which is not immediately required for other uses, to purchase its own Shares from the open market, and assist in stabilising the supply, demand and price of its Shares, thereby supporting the fundamental value of its Shares;
- (ii) If the Purchased Shares are subsequently cancelled either immediately or subsequently after being held as Treasury Shares, the Proposed Share Buy-Back Authority may strengthen the EPS of the Group. Assuming all things being equal, the EPS of the Group may be enhanced as the consolidated earnings would be divided by a reduced number of Shares. This is expected to have a positive impact on the market price of Binasat Shares;
- (iii) The Purchased Shares can also be held as Treasury Shares and resold on Bursa Securities at a higher price thereby realising a potential gain without affecting the total number of issued Shares of the Company.
- (iv) the Treasury Shares can be distributed as share dividends to the Company's shareholders as a reward.

4. SOURCE OF FUNDS

The Proposed Share Buy-Back Authority will be funded through internally-generated funds and/ or external borrowings. The actual amount of funds to be utilised for the Proposed Share Buy-Back Authority will only be determined later depending, amongst others, the actual number of Binasat Shares to be purchased, the availability of funds at the time of purchase(s) and other relevant cost factors.

Pursuant to the Rule 12.10(1) of the Listing Requirements, the Proposed Share Buy-Back Authority must be made wholly out of retained profits of the Company. Therefore, the

maximum amount of funds to be utilised for the Proposed Share Buy-Back Authority shall not exceed the aggregate of the retained profits of the Company. Based on the Company's latest audited financial statements for the FYE 2022, the retained profits of the Company was RM1,020,266.

The Proposed Share Buy-Back Authority, if funded through internally generated funds, is not expected to have a material impact on the cash flow position of the Company. In the event the Proposed Share Buy-Back Authority is to be financed by external borrowings, the Company will ensure it has capabilities of repaying such borrowings and that such repayment will not have a material effect on the Group's cash flow. In addition, the Board will ensure that the Company satisfies the solvency test as stated in Section 112(2) of the Act before execution of the Proposed Share Buy-Back Authority.

The Company will not buy-back its own Shares unless it has recorded retained profits at the Company level.

5. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED SHARE BUY-BACK AUTHORITY

The potential advantages of the Proposed Share Buy-Back Authority are as follows:

- (i) allows Binasat to utilise its financial resources more efficiently if there are no immediate use, to purchase Binasat Shares and this may strengthen the EPS of the Group.
- (ii) allows Binasat to take preventive measures against speculation particularly when its shares are undervalued, which would in turn, stabilise its market price and hence, enhance investors' confidence;
- (iii) allows Binasat to utilise the Treasury Shares as purchase consideration in corporate transactions thereby reducing the financial outflow and/or preserve the working capital of Binasat;
- (iv) Binasat may distribute any Binasat Shares held as Treasury Shares as share dividends to reward the Company's shareholders; and
- (v) Binasat may realise potential gains from the resale of the Treasury Shares, if the Purchased Shares which are retained as Treasury Shares are resold at a higher price.

The potential disadvantages of the Proposed Share Buy-Back Authority are as follows:

- (i) the Proposed Share Buy-Back Authority will reduce the financial resources of Binasat and may result in the Group foregoing other investment opportunities that may emerge in the future; and
- (ii) it may reduce the amount of financial resources available for the repayment of the Group's borrowings, for working capital or for distribution in the form of dividends to the Shareholders of the Company. However, the working capital of the Group may recover and increase upon the reselling of the Purchased Shares as treasury shares.

Nevertheless, the Proposed Share Buy-Back Authority is not expected to have any potential material disadvantages to the Company and its shareholders, as it will be implemented only after careful consideration of the financial resources of the Group and its resultant impact. The Board is mindful of the interest of the Company and the shareholders and will be prudent with respect to the above exercise.

6. EFFECTS OF THE PROPOSED SHARE BUY-BACK AUTHORITY

6.1 Share capital

The effects of the Proposed Share Buy-Back Authority on the issued share capital of the Company will depend on the treatment of the Purchased Shares.

Based on the total number of issued shares of the Company as at LPD and assuming that the maximum number of Binasat Shares (of up to 10% of the total number of issued Shares) authorised under the Proposed Share Buy-Back Authority are purchased and cancelled, it will result in the total number of issued shares of the Company being reduced as follows:

	No. of Shares
Issued share capital as at the LPD	388,295,506
Less: Maximum number of Purchased Shares which may be cancelled	(38,829,550)
Resultant total number of issued shares	349,465,956

However, the Proposed Share Buy-Back Authority will not have any effect on the total number of issued Shares of Binasat if all of the Purchased Shares are to be retained as Treasury Shares, resold, transferred or distributed to the Shareholders of the Company.

6.2 Earnings and EPS

Assuming that the Purchased Shares under the Proposed Share Buy-Back Authority are cancelled, the Proposed Share Buy-Back Authority may increase the EPS of the Group.

Similarly, on the assumption that the Purchased Shares are treated as Treasury Shares and subsequently resold, the extent of the effect on earnings of the Group will depend on the actual selling price and number of Treasury Shares resold and the effective gain arising.

In the event the Purchased Shares are held as Treasury Shares, the effective reduction in the total number of issued Shares of Binasat pursuant to the Proposed Share Buy-Back Authority would generally, all else being equal, increase the consolidated EPS of the Company.

Notwithstanding the above, the actual effect is dependent on the purchase prices of Binasat's Shares, the number of Shares purchased, and the effective funding cost if any, or any loss in interest income to the Company, or the opportunity cost in relation to other investment opportunities.

6.3 NA

The effects of the Proposed Share Buy-Back Authority on the NA per share of the Group will depend on the number of Shares which the Company will buy back, the purchase price for such Binasat Shares and whether the Purchased Shares are cancelled or retained as Treasury Shares and the funding cost (if any) as follows:

(i) Purchased Shares are subsequently retained as Treasury Shares

In the event that all Purchased Shares are retained as Treasury Shares, the NA of the Group would decrease by the purchase cost of the Treasury

Shares because the Treasury Shares are required to be carried at cost and be offset against equity.

If the Purchased Shares are resold on Bursa Securities, the NA of Binasat would increase if Binasat realises a gain from the resale, and vice-versa. If the Purchased Shares were distributed as share dividends, the NA of the Group will decrease by the cost of the Treasury Shares.

(ii) Purchased Shares are subsequently cancelled

If the Purchased Shares are cancelled, the Proposed Share Buy-Back Authority will reduce the NA per Binasat Share if the purchase price per Binasat Share exceeds the NA per Binasat Share at the time of purchase, and vice-versa.

6.4 Working capital

The Proposed Share Buy-Back Authority, as and when implemented, will reduce the working capital and cashflow of Binasat Group. The quantum of which will depend on, amongst others, the number of Purchased Shares, purchase price(s) and any associated cost incurred for the purchase of the Binasat shares. In the event that the Treasury Shares are subsequently resold on Bursa Securities, the working capital of the Group will increase upon the receipt of the proceeds of the resale.

6.5 Dividends

The Proposed Share Buy-Back Authority is not expected to adversely affect the Company's ability to pay dividends as the Board will take into consideration the Company's profit, cash flow and the capital commitments before proposing any dividend payment.

However, the Board will have the option of distributing the Treasury Shares as share dividends to the Shareholders of Binasat.

6.6

Directors' and substantial shareholders' shareholdings

The Purchased Shares that are to be retained as treasury shares and/or cancelled will result in a proportionate increase in the percentage shareholdings of the Directors and substantial shareholders of the Company. The effects of the Proposed Share Buy-Back Authority on the Directors' and substantial shareholders' percentage of shareholdings in the Company are illustrated as follows:

- (2) Based on the issued share capital of 349,465,956 Binasat Shares, assuming the maximum of 38,829,550 Shares are bought-back by the Company and cancelled pursuant to the Proposed Share Buy-Back Authority.

However, an exemption from mandatory offer obligation may be granted by the SC under the Code subject to the affected person and parties acting in concert complying with the conditions stipulated in the Code.

The Company intends to implement the Proposed Share Buy-Back Authority in the manner that will not result in any of the shareholders having to undertake a mandatory offer pursuant to the Code. In this respect, the Board will be mindful of the requirements of the Code when implementing the Proposed Share Buy-Back Authority. Nonetheless, if the obligation to undertake a mandatory general offer under the Code is expected to be triggered, the affected shareholders and their respective parties acting in concert shall apply to the SC for an exemption from undertaking a mandatory offer under the Code.

8. PURCHASE, RESALE, TRANSFER AND CANCELLATION OF BINASAT SHARES MADE IN THE PREVIOUS TWELVE (12) MONTHS

Dear Sir/Madam

PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

1. INTRODUCTION

At the 5th AGM held on 30 November 2021, the Company obtained a mandate from its shareholders for Binasat Group to enter into Recurrent Related Party Transactions in accordance with the Listing Requirements which lapses at the conclusion of the forthcoming AGM unless approval for its renewal is obtained from shareholders of the Company at the forthcoming AGM.

On 20 October 2022, the Company announced its intention to seek the approval of its shareholders for the Proposed Renewal of Shareholders' Mandate for Recurrent Related Party Transactions of a Revenue or Trading Nature at the forthcoming 6th AGM of the Company.

The purpose of this Circular is to provide you with the relevant information on the Proposed Renewal of Shareholders' Mandate and to seek your approval for the ordinary resolution to be tabled at the forthcoming 6th AGM of the Company. The Notice of the 6th AGM together with the Proxy Form are enclosed in the Annual Report 2022.

YOU ARE ADVISED TO READ AND CAREFULLY CONSIDER THE CONTENTS OF THIS CIRCULAR TOGETHER WITH THE APPENDIX CONTAINED HEREIN BEFORE VOTING ON THE RESOLUTION PERTAINING TO THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE TO BE TABLED AT THE FORTHCOMING 6TH AGM

2. DETAILS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

2.1 Provisions under the Listing Requirements

Pursuant to Rule 10.09 of the Listing Requirements, a listed company may seek shareholders' mandate in respect of RRPT which are necessary for its day-to-day operations subject to, amongst others, the following:

- (a) the transactions are in the ordinary course of business and are on terms not more favourable to the related party than those generally available to the public;
- (b) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year where:

“in relation to a listed issuer with a share capital RM60 million and above—

- (i) the consideration, value of the assets, capital outlay or costs of the RRPT is RM1.0 million or more; or
- (ii) the percentage ratio of such RRPT is 1% or more,

whichever is the higher”;

- (c) issuance of circular to shareholders by the Company containing information as specified in the Listing Requirements;
- (d) in a meeting to obtain shareholders' mandate, the interested director, interested Major Shareholder or person connected with a Director or Major Shareholder; and where it involves the interest of an interested person connected with a director or Major Shareholder, such Director or Major Shareholder, must not vote on the resolution approving the transactions. An interested Director or interested Major Shareholder must ensure that persons connected with him abstain from voting on the resolution approving the transactions; and
- (e) the listed issuer immediately announces to Bursa Securities when the actual value of a RRPT entered into by the listed issuer, exceeds the estimated value of the RRPT disclosed in the circular by 10% or more and must include the information as may be prescribed by Bursa Securities in its announcement.

Where a listed issuer has procured a mandate from its shareholders pursuant to the above, the provisions under Rule 10.08 of the Listing Requirements will not apply with regard to transactions as detailed in Section 2.4 of this Circular.

2.5 Amount due from and owing by Related Parties under previous mandate obtained

As at the LPD, there were no amounts due and owing by the Related Parties pursuant to the Recurrent Related Party Transactions which exceeded the credit terms.

2.6 Rationale and Benefit of the RRPT

The RRPT to be entered into by the Group are all in the ordinary course of business. They are recurring transactions of a revenue or trading nature which are likely to occur with some degree of frequency and arise at any time and from time to time. These transactions may be constrained by the time-sensitive nature and confidentiality of such transactions and it may be impractical to seek shareholders' approval on a case-by-case basis before entering into such RRPT. As such, the Board of the Binasat is seeking shareholders' mandate pursuant to Rule 10.09(2) of the Listing Requirements for the RRPT described in Section 2.1 above to allow the Group to enter into such RRPT. This would also reduce substantial administrative time, inconvenience and expenses of having to frequently convene separate general meetings for approval of each transaction while still maintaining the objective of keeping shareholders informed of the extent of RRPT occurring within the Group.

The RRPT entered by the Binasat Group is synergistic to the activities of the Group and provides the Group with support to its operational and business needs at the best possible terms.

2.7 Review Procedures

The following are in place to ensure that any transactions entered into by the Binasat Group with Related Party, which are in the ordinary course of business of Binasat Group, are undertaken on transaction prices and on an arm's length basis and on normal commercial terms consistent with the Binasat Group's usual business practices and are not more favourable to the Related Parties than those generally available to the public, and are not to the detriment of our non-interested shareholders:

- (i) The Binasat Group will only enter into RRPT after taking into account the pricing, terms and other relevant factors. Wherever practicable and/or feasible, at least two (2) other contemporaneous transactions with third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine if the price and terms offered to/by the related parties are fair and reasonable and comparable to those offered to/by other third parties for the same or substantially similar type of products/services and/or quantities. In the event that quotation or comparative pricing from unrelated third parties cannot be obtained, the transaction price will be determined by the Binasat Group based on the usual business practices of Binasat Group to ensure that the RRPT is not detrimental to the Binasat Group.
- (ii) There are no specific thresholds for the approval of RRPT within the Group. All RRPT will be reviewed by the ARMC of the Company on the quarterly basis and approved by the Board with the recommendation from the ARMC prior to execution of contracts.
- (iii) All types of RRPT are carried out at arm's length and on the Binasat Group's normal commercial terms which are not more favourable to the related parties than those generally available to the public. These include transacting at prevailing market rates/prices of the products or services provider's usual commercial terms or otherwise in accordance with applicable industry norm.

- (iv) Records of RRPT will be maintained by the Group and will be made available to the external auditors, internal auditors and ARMC for their review.
- (v) The Board and the ARMC will review the RRPT on a quarterly basis, to ascertain that the guidelines and procedures established to monitor RRPT have been complied with.
- (vi) Where any Director or person connected to him has an interest (direct or indirect) in any RRPT, he shall abstain from deliberation and voting on the matter. The said interested Director shall undertake that he will ensure that person connected with him abstain from voting on the resolution deliberating or approving the RRPTs at a general meeting.
- (vii) The annual internal audit plan shall incorporate a review of all RRPTs entered into pursuant to the shareholders' mandate to ensure that relevant approvals have been obtained and review procedures in respect of such transactions are adhered to. Any divergence will be reported to the ARMC.

2.8 Disclosure in Annual Report

Disclosure will be made in the annual report of the Company in accordance with Rule 3.1.5 of Guidance Note 8 of the Listing Requirements, which requires a breakdown of the aggregate value of the RRPTs entered into during the financial year based on the following information:

- (a) the type of the RRPTs made; and
- (b) the names of the Related Parties involved in each of the RRPTs made and their relationship with the Company.

2.9 Statement by the ARMC

The ARMC has seen and reviewed the procedures as mentioned in Section 2.7 of this Circular and is of the view that the said procedures are sufficient to ensure that the RRPTs are undertaken on arm's length basis not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders of Binasat.

The ARMC is of the view that Binasat Group has in place adequate procedures and processes to monitor, track and identify RRPT in a timely and orderly manner, and such procedures and processes are reviewed on an annual basis or whenever the need arises.

[THE REST OF THIS PAGE HAS BEEN INTENTIONALLY LEFT BLANK]

2.10 Directors' and Major Shareholders' Interests

The shareholding of the Directors and Major Shareholders, who are deemed interested in the Proposed Renewal of Shareholders' Mandate, as at LPD, are as follows:

Name of Interested Directors	Direct		Indirect	
	No. of Shares	%	No. of Shares	%
Na Boon Aik	73,436,751	18.91	-	-
Zulamran bin Hamat	3,000,000	0.77	-	-
Name of Interested Major Shareholders	Direct		Indirect	
	No. of Shares	%	No. of Shares	%
Na Boon Aik	73,436,751	18.91	-	-
Na Bon Tiam	50,822,451	13.09	-	-

Accordingly, the interested Directors have abstained and will continue to abstain from the Board's deliberations and voting on the relevant resolution. Further, the interested Directors and interested Major Shareholders will abstain from voting in respect of their direct and/ indirect shareholdings in the Company, on the resolution approving the Proposed Renewal of Shareholders' Mandate at the forthcoming 6th AGM.

In addition, the interested Directors and interested Major Shareholders have undertaken that they shall ensure that the person connected to them will abstain from voting in respect of their direct and/or indirect shareholdings in the Company on the resolution, deliberating or approving the Proposed Renewal of Shareholders' Mandate at the forthcoming 6th AGM.

Save as disclosed above, none of the other Director, Major Shareholders and/or persons connected with them have any interest, direct or indirect, in the Proposed Renewal of Shareholders' Mandate.

2.11 Directors' Recommendation

The Board (save for the interested Directors), after having considered all aspects of the Proposed Renewal of Shareholders' Mandate, is of the opinion that the Proposed Renewal of Shareholders' Mandate is in the best interest of the Company.

Accordingly, the Board (save for the interested Directors), recommends that you vote in favour of the ordinary resolution pertaining to the Proposed Renewal of Shareholders' Mandate to be tabled at the forthcoming 6th AGM.

3. APPROVAL REQUIRED

The Proposed Renewal of Shareholders' Mandate is subject to approval being obtained from the shareholders of the Company at the forthcoming 6th AGM.

[THE REST OF THIS PAGE HAS BEEN INTENTIONALLY LEFT BLANK]

4. FINANCIAL EFFECTS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

The Proposed Renewal of Shareholders' Mandate will not have any material effect on the share capital, shareholdings of the substantial shareholders, earnings per share, net assets per share and gearing of Binasad and its subsidiaries.

5. AGM

The ordinary resolution in respect of the Proposed Renewal of Shareholders' Mandate is set out in the Notice of the 6th AGM contained in the Annual Report 2022 of the Company. This Statement/ Circular has been seen and approved by the Directors of Binasat and they collectively and individually accept full responsibility for the accuracy of the information given in this Statement/ Circular and confirm that after making all reasonable enquiries and to the best of their knowledge and belief, there are no other facts, the omission of which would make any statement herein misleading.

2. MATERIAL CONTRACTS

Neither the Company nor its subsidiaries have entered into any material contracts (not being contracts entered into in the ordinary course of business) within the two (2) years preceding the date of this Statement / Circular.

3. MATERIAL LITIGATION, CLAIMS OR ARBITRATION

Save as disclosed below, as at the LPD, the Group is not engaged in any material litigation, claims or arbitration, either as plaintiff or defendant and the Board is not aware and do not have any knowledge of any proceeding pending or threatened against the Group or of any fact likely to give rise to any proceeding which may materially affect the financial position or business of the Group:

(i) Shah Alam High Court Civil Suit No.: BA-22NCvC-518-11/2019 between Binasat Sdn Bhd ("Binasat SB") and Rosado Tradeline Sdn Bhd ("Rosado")

This dispute relates to a sub-contract between Binasat SB and Rosado ("**Sub-Contract A**") under which Rosado has appointed Binasat SB as the subcontractor to carry out the works in respect of "Building the Fiber System - Implementation Services of Civil Infrastructure and Fiber Optic Cabling Works". It was alleged by Binasat SB that Rosado had unilaterally terminated the Sub-Contract A. On 22 November 2019, Binasat SB commenced this suit against Rosado claiming for among others, the following:

- (a) RM1,499,435.19 being the sum due and owing to Binasat SB for works carried out and completed for Rosado up to the date of the termination of the Sub-Contract A;
- (b) in the alternative to (a) above, a sum to be assessed by the Court on a quantum meruit basis on the value of the works carried out by Binasat SB;
- (c) loss of profits in the sum of RM3,264.99;
- (d) general damages to be assessed by the Court;
- (e) costs incurred by Binasat SB for the appointment of an independent quantity surveyor which is to be assessed by the Court;
- (f) interest at the rate of 5% per annum on the sum of RM1,499,435.19 from the date of filing this suit until the date of judgment, and from the date of judgment until the date of full realisation; and
- (g) costs.

Rosado had in response, counterclaimed against Binasat SB for general damages to be assessed by the Court and costs.

Subsequently, in July 2021, Binasat SB had instructed its solicitors to file an application to amend its claim as follows ("**Amendment Application**"):

FURTHER INFORMATION (*Cont'd*)

- (a) RM1,137,932.80 being the sum due and owing to Binasat SB for works carried out and completed for Rosado up to the date of the termination of the Sub-Contract A; and
- (b) loss of profits in the sum of RM39,097.02.

On 16 March 2022, the Court allowed the Amendment Application made by Binasat SB and this matter is now fixed for trial on 10 April 2023 to 13 April 2023.

Solicitors for Binasat SB are of the view that there is a reasonably good chance for Binasat SB to succeed in its main claim or alternative claim against the Rosado, and to defend against Rosado's counterclaim.

The Board is of the view that this legal suit will not give rise to a negative impact on the financial performance and position of the Group as the ancillary cost related to the Sub-Contract A (including impairment losses on financial assets and contract assets) have been provided and accounted for in the Company's audited financial statements in prior years.

(ii) **Kuala Lumpur High Court Civil Suit No.: WA-22C-14-01/2021 between Binasat SB and TT Frontiers Sdn Bhd ("TT Frontiers")**

This dispute relates to a sub-contract between Binasat SB and TT Frontiers ("**Sub-Contract B**") under which TT Frontiers has appointed Binasat SB as the subcontractor to undertake works and services including survey, construct and implement civil infrastructure and fiber optic cabling system.

It was alleged by Binasat SB that TT Frontiers had wrongfully terminated the Sub-Contract B.

On 27 January 2021, Binasat SB commenced this suit against TT Frontiers claiming for among others, the following:

- (a) RM1,269,790.58 being the invoiced outstanding sum due and owing to Binasat SB for the works carried out and completed by Binasat SB for TT Frontiers up to the date of the termination of the Sub-Contract B;
- (b) in the alternative, RM825,955.75 being the outstanding sum admitted and valued by TT Frontiers for the works done by Binasat SB;
- (c) pre-judgment interest on (a) or (b) above at the rate of 2% per month from the due date for payment of the respective invoices issued by Binasat SB until the date of judgment, or in the alternative, 5% per annum from the due date for payment of the respective invoices issued by Binasat SB or from 11 June 2019 until the date of judgment;
- (d) costs;
- (e) general damages; and
- (f) post-judgment interest at the rate of 5% per annum on the judgment debt until the date of full payment of the judgment debt.

On 26 March 2021, due to TT Frontier's failure to enter its appearance within the stipulated time, Binasat SB successfully obtained a judgment in default against TT Frontiers for the sum of RM1,269,790.58 ("**JID**").

However, on 5 May 2021, TT Frontier filed an application to set aside the JID ("**Setting Aside Application**").

FURTHER INFORMATION (*Cont'd*)

During the hearing of the Setting Aside Application on 26 August 2021, the Court has made the following orders:

- (a) that the JID be set aside;
- (b) that TT Frontiers be allowed to file its defence within 21 days from 26 August 2021;
- (c) that TT Frontiers pays the sum of RM825,955.75 to Binasat SB's solicitors to be held pending disposal of this suit ("**Deposit Payment**"); and
- (d) that the orders set out in (a) and (b) above be automatically revoked and the JID be reinstated if TT Frontiers fail to pay the Deposit Payment to Binasat SB's solicitors by 15 September 2021.

Due to the failure of TT Frontiers to pay the sum of RM825,955.75 to Binasat SB's solicitors on 15 September 2021, accordingly the JID has been reinstated and the total outstanding sum of RM1,269,790.58 pursuant to the JID is due and owing by TT Frontiers to Binasat SB.

In June 2022, Binasat SB has instructed their solicitors to commence winding up proceedings against TT Frontiers ("**Winding Up Proceedings**") for its failure to pay the judgment sum stated in the JID.

Solicitors for Binasat SB are in the midst of commencing the Winding Up Proceedings.

The Board is of the view that this legal suit will not give rise to a negative impact on the financial performance and position of the Group as the ancillary cost related to the Sub-Contract B (including impairment losses on financial assets and contract assets) have been provided and accounted for in the Company's audited financial statements in prior years.
