1. INTRODUCTION

The Company had at the 1st AGM held on 20 June 2023, obtained a shareholders' mandate for the Company and/or its subsidiary to enter into RRPTs on terms that are not more favourable to the Related Parties than those generally available to the public.

The Proposed Renewal of Shareholders' Mandate is subject to annual renewal. In this respect, any authority conferred by the Proposed Renewal of Shareholders' Mandate shall take effect from and including 25 June 2024 being the date of the forthcoming 2nd AGM of the Company and shall continue to be in force until:

There were no late payment charges imposed on the outstanding amount due by the Related Parties as the Overdue Sum were all trade in nature and payment was made in line with the Group's normal business practices. The same basis applies to both related and non-related parties.

2.8 Review Procedures in relation to RRPTs

Kitacon Group has established various procedures to ensure that the RRPTs are conducted on an arm's length basis and on normal commercial terms, which are consistent with the Group's normal business practices and policies, and on terms not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders.

The RRPTs will be undertaken based on prevailing rates according to normal commercial terms, business practices and policies or otherwise in accordance with other applicable industry norms/considerations.

There is no threshold for approval for RRPTs as all RRPTs will be reviewed by the Audit and Risk Management Committee and approved by the Board of Directors.

To monitor the RRPTs, the procedures established by Kitacon Group are as follows:

- i) a list of Related Parties will be circulated within Kitacon Group to notify that all RRPTs with the Related Parties are required to be undertaken on an arm's length basis, on normal commercial terms and on terms not more favourable to the Related Parties than those generally available to the public. These include transacting at prevailing market rates/prices of the products or service providers' usual commercial terms or otherwise in accordance with applicable industry norm. Transactions refer to both sales and purchases of products or provision of services of Kitacon Group;
- ii) any tender, quotation or contract received from or proposed to be entered with a Related Party will not be approved unless the terms offered to Kitacon Group are comparable with those offered by other unrelated parties for the same or substantially similar type of transactions;

- iii) records will be maintained by our Company to capture all RRPTs entered into pursuant to the Proposed Renewal of Shareholders' Mandate to ensure that relevant approvals have been obtained and review procedures in respect of such transactions are adhered to. Our Company will monitor all transactions to ensure that any one of the percentage ratios of the transactions does not exceed 10%;
- iv) the internal auditors shall periodically review the guidelines and procedures in respect of all RRPTs entered into pursuant to the Proposed Renewal of Shareholders' Mandate and ascertain that the guidelines and procedures have been complied with;
- v) records of RRPTs will be retained and compiled for review by the Audit and Risk Management Committee to ascertain that the guidelines and procedures established to monitor the RRPTs have been complied with and the review shall be done at every quarter together with the review of the quarterly results;
- vi) disclosure will be made in the annual report of our Company of the aggregate value of transactions conducted pursuant to the Proposed Renewal of Shareholders' Mandate during the financial year, in accordance with the provisions of Paragraph 10.09 of Chapter 10 and Paragraph 3.1.5 of Practice Note 12 of the Main LR; and
- vii) the Audit and Risk Management Committee has reviewed and shall continue to review the adequacy and appropriateness of the procedures as and when required, with the authority to subdelegate to individuals or committees within our Company as they deem appropriate.

At least two (2) other contemporaneous transactions with unrelated third parties for similar products or services will be used as comparison, whenever possible, to determine whether the price and terms offered to the Related Parties are fair and reasonable and comparable to those offered to other unrelated third parties for the same or substantially similar type of products or services. In the event that comparative pricing from unrelated third parties cannot be obtained, Kitacon Group will rely on the prevailing market norms and practices taking into account the efficiency, quality and type of products or services to be provided to ensure that the RRPTs are not detrimental to Kitacon Group.

Any member of the Audit and Risk Management Committee who is interested in any RRPT shall abstain from reviewing such transaction. Any Director who has an interest (direct or indirect) in any RRPT shall abstain from deliberation and voting on the matter. The interested Director(s) shall also abstain from deliberating at Board meetings in respect of the RRPTs in which they or Persons Connected with them are interested.

Pursuant to Paragraph 10.09 of the Main LR, in a meeting to obtain shareholders' approval for the Proposed Renewal of Shareholders' Mandate, the interested Director, interested Major Shareholder or interested Person Connected with a Director or Major Shareholder; and where it involves the interest of an interested Person Connected to a Director and/or Major Shareholder, such Director or Major Shareholder must abstain from voting on the resolution approving the transactions. 2.9 Statement by the Audit and Risk Management Committee

Part of the Terms of Reference of the Audit and Risk Management Committee would be to review any Related Party Transaction and conflict of interest that may arise within the Kitacon Group, including any transaction, procedure or course of action that raises questions of integrity.

The Audit and Risk Management Committee has reviewed the guidelines and review procedures as outlined in Section 2.8 above and is of the view that the existing procedures are sufficient to ensure that the RRPTs are not more favourable to the Related Parties than those generally available to the public and are not detrimental to the interests of the minority shareholders of Kitacon.

The Audit and Risk Management Committee is of the view that the Group has in place adequate procedures and processes to monitor, track and identify RRPTs in a timely and orderly manner. The Audit and Risk Management Committee conducts quarterly review of the existing procedures and processes to ascertain that they have been complied with.

3 RATIONALE AND BENEFITS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

The RRPTs as set out in Sections 2.6 of this Circular entered into or to be entered into by the Kitacon Group are recurring transactions of a revenue or trading nature which are necessary for its day-to-day operations and are in the ordinary course of business of the Kitacon Group. These transactions are likely to occur with some degree of frequency and could arise at any time and from time to time. These transactions may be constrained by the time-sensitive nature and confidentiality of such transactions, and it may be impractical to seek shareholders' approval on a case-by-case basis before entering into such RRPTs.

The Proposed Renewal of Shareholders' Mandate is intended to facilitate the RRPTs. The obtaining of your mandate on an annual basis would eliminate the need to make regular announcements to Bursa Securities and to convene separate general meetings from time to time to seek shareholders' approval as and when potential RRPTs with the Related Parties arise. This would substantially reduce administrative time, inconvenience, and expenses in making announcements and convening such meetings, without compromising the corporate objectives or adversely affecting the business opportunities available to the Kitacon Group.

The rationale and benefits of the Proposed Renewal of Shareholders' Mandate is to meet the corporate objectives of the Kitacon Group and realise business opportunity of the Group, and when they shall become available to the Group, in more timely and effective way. The Group has had longstanding business relationships with the Related Parties and the close cooperation has reaped mutual benefits which are expected to continue to be beneficial to the business of the Group.

This Statement serves to provide you with the relevant information on the Proposed Share Buy-Back, to set out your Board’s recommendation thereon and to seek your approval for the ordinary resolution in respect of the Proposed Share Buy-Back to be tabled at the forthcoming 2nd AGM.

The Notice of the 2nd AGM together with the Form of Proxy are enclosed in the Annual Report 2023, which has been issued together with this Statement.

SHAREHOLDERS ARE ADVISED TO READ AND CONSIDER THE CONTENTS OF THIS STATEMENT CAREFULLY BEFORE VOTING ON THE RESOLUTION PERTAINING TO THE PROPOSED SHARE BUY-BACK TO BE TABLED AT THE FORTHCOMING 2ND AGM.

2. DETAILS OF THE PROPOSED SHARE BUY-BACK

The Board proposes to seek approval from shareholders for the authority to purchase up to 10% of the total number of Kitacon Shares issued as quoted on the Bursa Securities as at the point of purchase. The Proposed Share Buy-Back is subject to compliance with Section 127 of the Act and any prevailing laws and regulations issued by the relevant authorities.

The Proposed Share Buy-Back shall be effective immediately upon the passing of the ordinary resolution for the Proposed Share Buy-Back at the 2nd AGM and shall be valid until:

- (i) the conclusion of the next AGM of the Company following the general meeting at which the resolution on Proposed Share Buy-Back was passed, at which time it will lapse unless an ordinary resolution is passed at the general meeting, the authority is renewed, either unconditionally or subject to conditions;
 - (ii) the expiration of the period within which the next AGM is required by law to be held; or
 - (iii) revoked or varied by an ordinary resolution passed by the shareholders in a general meeting;
- whichever occurs first.

2.1 Maximum Number or Percentage of Kitacon Shares may be Purchased

The Board proposes to seek a mandate from the shareholders of Kitacon to purchase and/or hold in aggregate up to ten per cent (10%) of the total number of issued shares of the Company at any point in time through Bursa Securities.

2.2 Treatment of Kitacon Shares Purchased

In accordance with Section 127(4) of the Act, the Company would be able to deal with any of the Kitacon Shares purchased by the Company in the following manner:

- (a) to cancel the Kitacon Shares purchased; or
- (b) to retain the Kitacon Shares purchased as treasury shares; or
- (c) to retain part of the Kitacon Shares purchased as treasury shares and cancel the remainder of the Kitacon Shares purchased.

Pursuant to Section 127(7) of the Act, where the Kitacon Shares are held as treasury shares, the Directors of the Company may: -

- (a) distribute the Kitacon Shares as dividends to shareholders;
- (b) resell any of the Kitacon Shares in accordance with the Listing Requirements;
- (c) transfer any of the Kitacon Shares for the purposes of or under an employees' share scheme;
- (d) transfer any of the Kitacon Shares as purchase consideration;
- (e) cancel any of the Kitacon Shares; or
- (f) sell, transfer or otherwise use any of the Kitacon Shares for such other purposes as the Minister may by order prescribe.

Immediate announcement(s) and notice(s) will be made to Bursa Securities and the relevant authorities in respect of the Board's decision on the treatment of the purchased Kitacon Shares in compliance with the Listing Requirements and the Act.

In accordance with Section 127(8) of the Act, if such purchased Kitacon Shares are held as treasury shares, it shall not confer: -

- (a) the right to attend or vote at meetings and any purported exercise of such rights is void; and
- (b) the right to receive dividends or other distribution, whether cash or otherwise, of the Company's assets including any distribution of assets upon winding up of the Company.

Pursuant to Section 127(9) of the Act, if such purchased Kitacon Shares are held as treasury shares, the Treasury Shares shall not be taken into account in calculating the number of percentage of shares or a class of shares in the Company for any purposes including, without limiting the generality of this provisions of any law or requirements of the Constitution or the Listing Requirements on Substantial Shareholding, takeovers, notices, the requisitioning of meetings, the quorum for meetings and the result of a vote on resolution(s) at meetings.

Nonetheless, Section 127(11) of the Act states that the purchased Kitacon Shares shall not be taken to prevent:-

- (a) an allotment of Kitacon Shares as fully paid bonus shares in respect of the Treasury Shares; or
- (b) the subdivision or consolidation of Treasury Shares.

2.3 Purchase/Resale/Transfer Price

Pursuant to the Listing Requirements, the purchase price of the Kitacon Shares cannot be more than 15% above the weighted average market price of Kitacon Shares for the five (5) Market Days immediately before the purchase. In the case of a resale and/or transfer of Treasury Shares, the Treasury Shares may be resold and/or transfer on Bursa Securities at a price, which is:

- i) not less than the weighted average market price of the Kitacon Shares for the five (5) Market Days immediately before the resale and/or transfer; or
- ii) at a discount of not more than 5% to the weighted average market price of the Kitacon Shares for the five (5) Market Days immediately before the resale and/or transfer provided that:-
 - (a) the resale and/or transfer takes place not earlier than thirty (30) days from the date of purchase; and
 - (b) the resale and/or transfer price is not less than the cost of purchase of the Kitacon Shares being resold and/or transferred.

3. RATIONALE FOR THE PROPOSED SHARE BUY-BACK

The Proposed Share Buy-Back is envisaged to potentially benefit the Company and its shareholders as follows:

- (i) the Company is able to utilise its surplus financial resources more efficiently and this may help to stabilise the supply and demand of the Kitacon Shares traded on Bursa Securities and thereby support its fundamental value;
- (ii) the Kitacon Shares purchased can be held as treasury shares and resold on Bursa Securities at a higher price and generate capital gains for the Company without affecting the total number of issued shares of the Company;
- (iii) the Treasury Shares can be distributed as share dividends to our shareholders as a reward;
- (iv) the Treasury Shares can be re-issued to satisfy the option(s) to subscribe for Kitacon Share(s) to be granted to the eligible persons under any employees' share scheme; and
- (v) depending on the price paid for the purchase of each share and its impact on earnings of our Group, the purchase of our own shares may strengthen the earnings per share and return of equity of our Company in the event that the Kitacon Shares purchased are cancelled.

[The rest of this page has been intentionally left blank]

4. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED SHARE BUY-BACK

4.1 Potential Advantages

The potential advantages of the Proposed Share Buy-Back are as follows:

- (a) our Company may be able to stabilise the supply and demand of Kitacon Shares traded on Bursa Securities and thereby supporting its fundamental values especially in time of irrational share market movements;
- (b) if the Kitacon Shares bought back by our Company are cancelled, shareholders are likely to enjoy an increase in the value of their investment in our Company as the net earnings per share of Kitacon will increase;
- (c) if the Kitacon Shares bought back are kept as treasury shares, it will give our Directors an option to sell Kitacon Shares so purchased at a higher price and therefore make an exceptional gain for our Company. Alternatively, Kitacon Shares so purchased can be distributed to shareholders as dividends and serve as reward to the shareholders of our Company; and
- (d) the Proposed Share Buy-Back will allow Kitacon to utilise its financial resources more efficiently especially where there is no immediate use and this may strengthen the consolidated earnings per share of the Group.

4.2 Potential Disadvantages

The potential disadvantages of the Proposed Share Buy-Back are as follows:

- (a) any purchase of own ordinary shares will reduce our financial resources and may result in us foregoing better investment opportunities that may emerge in future;
- (b) the cashflow of the Company may be affected if the Company decides to utilise bank borrowings to finance the Proposed Share Buy-Back; and
- (c) as any purchase of our own ordinary shares can only be made out of our retained profits, it may result in the reduction of financial resources available for distribution to our shareholders in the immediate future.

The Proposed Share Buy-Back is not expected to have any potential material disadvantage to the Company and our shareholders, as it will be implemented only after careful consideration of the financial resources of the Group and its resultant impact on its shareholders.

Nevertheless, our Board will be mindful of the interest of the Company and our shareholders in undertaking any purchase of our own ordinary shares and in the subsequent resale or transfer of Treasury Shares on Bursa Securities, if any.

5. SOURCE OF FUNDS

Pursuant to the Listing Requirements, the Proposed Share Buy-Back must be made wholly out of the retained profits of the Company. Therefore, the maximum amount of funds to be utilised for the Proposed Share Buy-Back shall not exceed the retained profits account of the Company.

As at 31 December 2023, the audited retained profits of the Company stood at RM229,718.

The Proposed Share Buy-Back will be funded by internally generated funds and/or external borrowings. The amount of internally generated funds and/or external borrowings to be utilised will only be determined later depending on, amongst others, the availability of internally generated funds, actual number of Kitacon Shares to be purchased and other relevant cost factors. The actual number of Kitacon Shares to be purchased and/or held and the timing of such purchases will depend on, amongst others, the market conditions and sentiments of the stock market as well as the retained profits and financial resources available to the Company.

In the event that the Company purchases and holds its own shares using external borrowings, the Board will ensure that the Company has sufficient funds to repay the external borrowings and that the repayment will not have any material effect on the cash flow of the Group. In addition, the Board will ensure that the Company satisfies the solvency test as stated in Section 112(2) of the Act before execution of the Proposed Share Buy-Back.

6. SUBSTANTIAL SHAREHOLDERS', DIRECTORS' SHAREHOLDINGS AND PUBLIC SECURITY HOLDING SPREAD

The table below illustrates the direct and indirect interest of the Directors and Substantial Shareholders of Kitacon as at the LPD, assuming that Kitacon purchases 50,000,000 Kitacon Shares, representing 10% of the Company's total number of issued shares as at LPD, from parties other than the Company's Directors and Substantial Shareholders.

Notes:

(1) Based on 500,000,000 Shares as at LPD

(2) Excluding a total of 50,000,000 Kitacon Shares, assuming the entire 10% of the total number of Kitacon Shares issued are bought-back by the Company and retained as Treasury Shares.

(3) Deemed interested by virtue of his shareholding in Suan Neo Capital Sdn Bhd and Lembah Reka Sdn Bhd pursuant to Section 8 of the Companies Act 2016.

(4) Deemed interested by virtue of his son, Mr. Low Jia How.

6.2 Public Security Holding Spread

As at LPD, approximately 130,577,931 Shares representing 26.11% of the total number of issued shares of the Company are held by public shareholders. The public shareholding spread would be reduced to 17.90%, assuming that the Proposed Share Buy-Back is implemented in full and the shares are bought back from public shareholders.

The Board undertakes that any proposed purchase of the Kitacon Shares would only be conducted in accordance with laws prevailing at the time of the purchase including compliance with the public shareholding spread of the Company, which shall not fall below twenty-five percent (25%) of the total number of issued shares of the Company as required by the Listing Requirements.

7. FINANCIAL EFFECTS OF THE PROPOSED SHARE BUY-BACK

The financial effects of the Proposed Share Buy-Back are presented below based on the following assumptions:

- i) the purchase of own shares of up to 10% of the total number of Kitacon Shares issued is carried out in full; and
- ii) Kitacon Shares purchased are cancelled.

7.1 Total Number of Issued Shares

For illustration purposes only, the scenario below shows the movement of the total number of Kitacon Shares issued as at the LPD upon the implementation of the Proposed Share Buy-Back, assuming that 10% of the total number of Kitacon Shares issued are purchased and cancelled:

	No. of Shares	%
Total number of issued shares as at LPD	500,000,000	100.00
Less : Maximum number of Shares which may be purchased and cancelled pursuant to the Proposed Share Buy-Back	(50,000,000)	10.00
Resulting total number of issued shares upon completion of cancellation of maximum number of Shares which may be purchased under the Proposed Share Buy-Back	450,000,000	90.00

7.2 Net Assets

The Proposed Share Buy-Back may increase or decrease the net assets per share of Kitacon Group depending on the purchase price in comparison to the net assets per share of Kitacon Group at the time that the purchase is made.

7.3 Earnings

Depending on the number of Kitacon Shares purchased and the purchase price of the Kitacon Shares, the Proposed Share Buy-Back may increase the earnings per share of Kitacon Group. Similarly, on the assumption that the Kitacon Shares purchased are resold, the extent of the effect on earnings of Kitacon Group will depend on the actual selling prices, the number of Treasury Shares resold and the effective gain or interest savings arising.

8. IMPLICATIONS IN RELATION TO THE MALAYSIAN'S RULES ON TAKE-OVERS, MERGERS AND COMPULSORY ACQUISITIONS ("RULES")

Pursuant to Note 9 of Paragraph 4.01 of the Rules which deals with the obligation to make a mandatory offer pursuant to the purchase by a company of its own voting shares states that the Rules (which is in relation to mandatory offers) shall apply to the following persons ("Offeror"):

- (a) a person obtains control in a company as a result of a buy-back scheme by the company; or
- (b) a person (holding more than 33% but not more than 50% of the voting shares or voting rights of a company), as a result of a buy-back scheme by the company, increase his holding of the voting shares or voting rights of the company by more than 2% in any six (6) months period.

However, an exemption from mandatory offer obligation may be granted by the Securities Commission Malaysia ("SC") under Paragraph 4.15 of the Rules subject to the Offeror and its parties acting-in-concert complying with the conditions stipulated in Paragraph 4.15 of the Rules.

The Company intends to implement the Proposed Share Buy-Back in the manner that will not result in any of the shareholders of Kitacon having to undertake a mandatory offer pursuant to the Rules. In this respect, the Board will be mindful of the requirements of the Rules when implementing the Proposed Share Buy-Back.

In the event that Kitacon decides to purchase its own shares which will result in the increase of the Offeror and its parties acting-in-concert's shareholdings in Kitacon to be more than 2% in any six (6) months period, the Offeror and its parties acting-in-concert will seek a waiver from the SC under Paragraph 4.15 of the Rules before the Company purchases its shares.

9. HISTORICAL SHARE PRICE OF KITACON SHARES

The monthly highest and lowest prices of Kitacon Shares traded on the Bursa Securities for the last twelve (12) months from April 2023 to March 2024 are as follows:

Month/Year	High (RM)	Low (RM)
2023

(Source: <https://www.bursamarketplace.com/mkt/themarket/stock/KUMP#ticket-section-chart>)

The last transacted price of Kitacon Shares on LPD was RM0.650.

10. INTEREST OF DIRECTORS, MAJOR SHAREHOLDERS AND/OR PERSONS CONNECTED TO THEM

Save for the inadvertent increase in the percentage of the shareholding and/or voting rights of the shareholders as a consequence of the Proposed Share Buy-Back, none of the Directors, Major Shareholders of the Company and/or persons connected to them have any direct or indirect interest, in the Proposed Share Buy-Back or resale or transfer of Treasury Shares, if any.

11. DIRECTORS' STATEMENT AND RECOMMENDATION

The Board having considered all aspects of the Proposed Share Buy-Back and after careful consideration, is of the opinion that the terms and conditions of the Proposed Share Buy-Back are fair, reasonable and in the Company's best interest.

As such, the Board recommends that you vote in favour of the ordinary resolution in relation to the Proposed Share Buy-Back to be tabled at the 2nd AGM of the Company.
