

Anti-Bribery and Anti-Corruption Commitment

The Directors and Management of Malton Group are strongly committed to conducting business at the highest level of integrity and ethics. This means avoiding all forms of bribery and corruption in the daily operations of the Group.

The Anti-Bribery and Anti-Corruption Policy (“Policy”) defines the boundaries on the interactions for all parties concerned with the Group’s daily operations.

Full compliance with the terms and spirit of the Policy is mandatory and we expect all our officers, employees and business partners to conduct themselves in accordance with this Policy. Should you have any enquiry, please contact enquiries@malton.com.my for clarification.

In line with its anti-bribery and anti-corruption efforts, the Group has also established a Whistleblowing Policy that sets out the platform and procedures to address legitimate concerns raised on any misconduct, illegal activities, unethical behaviour committed by its employees.

Thank you for your continued support and commitment.
