To: Our Shareholders

Dear Sir/Madam,

PROPOSED MANDATES

1. INTRODUCTION

- 1.1 At our Company's 13th AGM held on 6 June 2024, our Company had obtained a shareholders' mandate for our Group to enter into RRPTs ("**2024 Shareholders' Mandate**"). The 2024 Shareholders' Mandate shall, in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming AGM, unless the authority for its renewal is obtained from our shareholders at the forthcoming AGM.

In addition to the renewal of the 2024 Shareholders' Mandate, our Company will also be seeking a shareholders' mandate for our Group to enter into new RRPTs.

- 1.2 On 28 March 2025, our Board had announced its intention to seek shareholders' approval for the Proposed Mandates at the forthcoming AGM.

The purpose of this Circular is to provide you with the relevant information pertaining to the Proposed Mandates together with our Board's recommendation thereon and also to seek your approval for the resolution in respect of the Proposed Mandates to be tabled at the forthcoming AGM, the Notice of which has been set out in the Annual Integrated Report 2024. The extract of the ordinary resolution on the Proposed Mandates is enclosed together with this Circular.

YOU ARE ADVISED TO READ THE CONTENTS OF THIS CIRCULAR CAREFULLY BEFORE VOTING ON THE RESOLUTION PERTAINING TO THE PROPOSED MANDATES TO BE TABLED AT OUR FORTHCOMING AGM.

2. DETAILS OF THE PROPOSED MANDATES

2.1 The Proposed Mandates

Part E of Chapter 10 of the Listing Requirements provides that a listed issuer may seek its shareholders' mandate for related party transactions which are recurrent, of revenue or trading nature and which are necessary for the day-to-day operations of a listed issuer or its subsidiaries, subject to the following:

- (a) the transactions are in the ordinary course of business and are on terms not more favourable to the related party than those generally available to the public;
- (b) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year (based on the type of transactions, names of related parties involved in each type of transaction made and their relationship with the listed issuer), where the aggregate value, in relation to a listed issuer with a share capital of RM60.0 million and above, is as follows:
 - (i) the consideration, value of the assets, capital outlay or cost of the RRPTs is RM1.0 million or more; or
 - (ii) the percentage ratio of such RRPTs is 1% or more;whichever is the higher;
- (c) the listed issuer's circular to shareholders for the shareholder mandate includes the information as may be prescribed by Bursa Securities. The draft circular must be submitted to Bursa Securities together with a checklist showing compliance with such information;
- (d) in a meeting to obtain shareholders' mandate, the interested director, interested major shareholder or interested person connected with a director or major shareholder; and where it involves the interest of an interested person connected with a director or major shareholder, such director or major shareholder, must not vote on the resolution to approve the transactions. An interested director or an interested major shareholder must ensure that persons connected with him or it abstain from voting on the resolution approving the transactions; and
- (e) the listed issuer immediately announces to Bursa Securities when the actual value of a recurrent related party transaction entered into by the listed issuer, exceeds the estimated value of such transaction disclosed in the circular by 10% or more and must include the information as may be prescribed by Bursa Securities in its announcement.

Where a listed issuer has procured a shareholders' mandate pursuant to Paragraph 10.09 (2) of the Listing Requirements, the provisions of Paragraph 10.08 of the Listing Requirements will not apply.

In the ordinary course of our business, our Group has entered into certain RRPTs and it is anticipated that the companies within our Group would, in the ordinary course of business, continue to enter into such transactions with the Related Parties, details of which are as set out in Section 2.5 below. It is likely that such transactions will occur with some degree of frequency and could arise at any time.

In this regard, our Board proposes to seek a general mandate from our shareholders to enter into arrangements or transactions with the Related Parties, which are necessary for the day-to-day operations of our Group and are based on normal commercial terms, at arm's length, in the best interests of our Group, on terms that are not more favourable to the Related Parties than those generally available to the public, and will not be detrimental to our minority shareholders

2.2 Validity period of the Proposed Mandates

The Proposed Mandates, if approved at our forthcoming AGM, shall take effect immediately upon the passing of the ordinary resolution proposed at our AGM to approve the Proposed Mandates and is subject to annual renewal. In this respect, the authority conferred by the Proposed Mandates shall only continue to be in force until:

- (a) the conclusion of our next AGM following our forthcoming AGM at which time it will lapse, unless the authority is renewed by a resolution passed at the said next AGM; or
- (b) the expiration of the period within which our next AGM after that date is required to be held pursuant to Sections 340 (2) of the Act (excluding however such extension as may be allowed pursuant to Section 340 (4) of the Act); or
- (c) the Proposed Mandates are revoked or varied by resolution passed by you in a general meeting,

whichever is the earliest.

Thereafter, your approval will be sought for the renewal of the Proposed Mandates at each subsequent AGM or at an EGM that may be held on the same day as the AGM, subject to a satisfactory review by our Audit, Governance and Risk Committee.

2.3 Principal activities of the MSM Holdings Group

As at the LPD, our principal activity is that of an investment and/or holding company whilst the principal activities of our subsidiaries are as follows:

Company name	Effective equity interest (%)	Principal activities
MSM Johor	100.0	Sugar refining, sales and marketing of sugar products.
MSM Prai	100.0	Sugar refining, sales and marketing of sugar products and investment holding.
MSM Trading	100.0	The intended principal activities are to buy and sell commodities products either through physical or paper transactions.

Company name	Effective equity interest (%)	Principal activities
Subsidiary of MSM Prai		
MSM Logistics	100.0	Transport services, warehousing, freight forwarding and others value added services.

2.4 Classes of Related Party

The Proposed Mandates will apply to the following classes of Related Party:

- (a) Major Shareholders; and
- (b) person(s) connected to Major Shareholders.

2.5 Details of RRPTs

The class and nature of RRPTs which were entered into and are to be entered into by our Group are set out in Appendix I of this Circular.

Disclosure will be made in the Group's annual report of the breakdown of the aggregate value of the RRPTs conducted during the financial year, providing information on types of transactions made, names of the Related Parties involved in each type of transaction, and their relationship with our Company pursuant to the Proposed Mandates in accordance with Paragraph 10.09 (2) of the Listing Requirements and Practice Note 12 of the Listing Requirements.

2.6 Basis of estimated value of RRPTs

The estimated transaction values of the RRPTs, for which the Proposed Mandates are being sought, are based on estimated prevailing prices which are or will be formalised in agreements/contracts to be entered into by relevant members of our Group with the Transacting Parties based on our Group's usual levels of transaction and on the projected business volume from the date of our forthcoming AGM to our next AGM. The actual value of transactions may, however, vary from the estimated value disclosed in Appendix I of this Circular should there occur any changes in the business, economic and/or competitive environment or due to fluctuations of raw sugar prices.

Nevertheless, if the Proposed Mandates are approved, disclosure will be made in accordance with the Listing Requirements in our Company's annual report for the FYE 31 December 2025 of the aggregate value of transactions conducted pursuant to the Proposed Mandates as approved during the financial year.

2.7 Threshold of authority

All RRPTs are subject to the review and/or approval of the appropriate level of authority pursuant to the procedures as disclosed in Section 3 of this Circular. Where any Director has any interest (direct or indirect) in any RRPTs, such Director shall abstain from deliberation and voting on the matter.

2.8 Benefits to the MSM Holdings Group

The services and transactions set out in Appendix I of this Circular are to be provided and entered into by the relevant companies under our Group in their ordinary course of business and on terms not more favourable to the Transacting Parties than those generally available to the public and will not be detrimental to our minority

shareholders. These transactions are an integral part of our business and are intended to meet our business needs.

Our Board is of the view that the close working relationships and co-operation between the Transacting Parties will allow our Group to be more competitive in the provision and receipt of such services and operation of such transactions.

2.9 Amounts due and owing to the MSM Holdings Group by the Related Parties

As at 31 December 2024, breakdown of the principal sum for the total outstanding amount due and owing by the Related Parties to our Group pursuant to the RRPTs (details of which are set out in Appendix 1 of this Circular) which exceeded the credit terms are as follows:

Nature of RRPT	Amount of the outstanding RRPT receivables			
	1 year or less	1 to 3 Years	3 to 5 years	More than 5 years
	RM'000	RM'000	RM'000	RM'000
Sale of sugar	-	1,034	-	-
TOTAL	-	1,034	-	-

No late payment charges were imposed on the outstanding amounts in view of the active on-going transactions between the parties.

Our Company is of the opinion that the overdue amount, which is part of the normal business transactions between our Group and the Related Party, is recoverable. The management of our Company will continue to review and hold discussions with the Related Party for early settlement of amounts outstanding.

Our Board is of the opinion that the overdue amounts are closely monitored to ensure early settlement by the Related Parties and that proper steps are taken by management to pursue any amount that is long overdue by Related Parties to mitigate the irrecoverability of any such amount. This includes management engaging in prompt discussions with corresponding Related Parties and procuring settlement arrangements to ensure that amounts outstanding will be settled based on agreed repayment plans.

3. REVIEW PROCEDURES FOR THE RRPTS

Our Company has established the following methods and procedures to ensure that the RRPTs have been or will be undertaken on transaction prices and terms not more favourable to the Transacting Parties than those generally available to the public and not to the detriment of our minority shareholders:

- (a) all members of our Group are made aware of the requirements relating to RRPTs;
- (b) all companies within our Group shall only enter into the RRPT after taking into account the pricing, level of service, quality of product as compared to market prices and industry standards against at least 2 other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities as comparison, wherever possible, to determine whether the price and terms offered to/by Related Parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities.

Where quotations or comparative pricing from unrelated parties cannot be obtained, the pricing of any RRPT entered into will be determined based on prevailing market

rates under usual commercial terms, business practices and policies or otherwise in accordance with other applicable industry norms/consideration and are not to the detriment of minority shareholders;

- (c) where contemporaneous pricing tests in (b) could not be performed, to justify the transaction pricing and confirm that the pricing is not detrimental to our Group, the justification on the transaction pricing is to be approved based on the Limit of Authorities (“**LOA**”) and subsequently updated to the Audit, Governance and Risk Committee and the Board;
- (d) Transacting Parties within our Group must submit RRPT reports on monthly basis to our Group’s finance division for the purpose of monitoring and compilation for quarterly Audit, Governance and Risk Committee. The Chief Financial Officer and the Group Chief Executive Officer shall review and approve the report every month;
- (e) at any time, where the aggregate actual value of the mandated RRPTs is anticipated to exceed the aggregate estimate value by 10% or more, the Transacting Parties shall immediately prepare the necessary papers for Audit, Governance and Risk Committee’s recommendation for our Board’s approval for an immediate announcement to Bursa Securities;
- (f) all RRPTs, which are not within the shareholders’ mandate and have the value of more than RM1.0 million or 1% of the RRPT’s percentage ratio (as defined under Paragraph 10.02(g) of the Listing Requirements), whichever is the higher, shall be approved by our Board for immediate announcement to Bursa Securities;
- (g) if a member of the Audit, Governance and Risk Committee has an interest in any particular transaction, he or she will have to abstain from any deliberation (but may be requested by the other members of the Audit, Governance and Risk Committee to explain or furnish such information as considered necessary) and also voting on the matter at the Audit, Governance and Risk Committee meeting in respect of that transaction;
- (h) proper records shall be maintained to capture all the RRPTs entered into pursuant to the shareholders’ mandate to ensure accurate disclosure thereof. Summary reports of the RRPTs are to be circulated to the Audit, Governance and Risk Committee on a quarterly basis for the Audit, Governance and Risk Committee’s notation, review and monitoring;
- (i) the Audit, Governance and Risk Committee shall have overall responsibility for the determination of the review procedures; and
- (j) if during the periodic review, the Audit, Governance and Risk Committee is of the view that the abovementioned procedures are no longer sufficient to ensure that the RRPTs are undertaken on an arm’s length basis and on normal commercial terms that are not more favourable to the Related Party than those normally available to the public, the Audit, Governance and Risk Committee shall have the discretion to request for additional procedures to be imposed on all the RRPTs.

4. STATEMENT BY THE AUDIT, GOVERNANCE AND RISK COMMITTEE

The Audit, Governance and Risk Committee has reviewed the procedures on the RRPTs mentioned in Section 3 of this Circular and is of the view that the stipulated procedures are:

- (a) adequate to monitor, track and identify RRPTs in a timely and orderly manner and these procedures and processes are reviewed annually; and

- (b) sufficient to ensure that the RRPTs are not more favourable to the Related Parties than those generally available to the public and, not to the detriment of our Company's minority shareholders.

5. RATIONALE FOR THE PROPOSED MANDATES

The Proposed Mandates, subject to annual review and renewal, will enable our Group to carry out RRPTs necessary for the respective day-to-day operations and, will eliminate the need to frequently make announcements to Bursa Securities, convene separate general meetings and/or seek your approval as and when RRPTs comprised within the Proposed Mandates arise. In this respect, the Proposed Mandates are intended to save administrative time and expenses which could be better utilised by our Group to pursue its corporate objectives and realise business opportunities in a timelier and effective manner.

6. EFFECTS OF THE PROPOSED MANDATES

The Proposed Mandates are not expected to have any effect on our share capital and our substantial shareholders' shareholdings in our Company, and are not expected to have any material effect on the earnings, net assets and gearing of our Group.

3.1 **Kuala Lumpur High Court Civil Suit No. WA-22NCvC-333-05/2024 brought by MSM Sugar Refinery (Johor) Sdn Bhd ("Plaintiff") against Generali Insurance Malaysia Berhad (formerly known as AXA Affin General Insurance Berhad) ("Generali") & 7 Ors ("Defendants") (the "Legal Suit")**

By a Writ of Summons and Statement of Claim dated 24 May 2024 and amended Statement of Claim dated 4 June 2024, the Plaintiff had commenced the Legal Suit against Generali.

The Legal Suit which was initially commenced against Generali as the lead insurer, arose from the failure of a boiler owned by the Plaintiff, which caused the Plaintiff to suffer a loss of profits between January 2022 until May 2023. Pursuant to the insurance policies taken out, the Plaintiff has claimed the maximum sum allowed under the policies in the sum of RM42,750,000.00. Generali as the lead insurer has repudiated the Plaintiff's claim under the policies.

In its Defence dated 18 July 2024, Generali as the lead insurer has taken the position that it was only liable for a limited claim by the Plaintiff and that the remainder of the claim was to be addressed proportionally to the co-insurers of the insurance policies. Subsequently, the Plaintiff via its amended Writ of Summons and amended Statement of Claim dated 14 October 2024, has named the following co-insurers as the Defendants in the Legal Suit:

- a) The Pacific Insurance Berhad;
- b) Tokio Marine Insurans (Malaysia) Berhad;
- c) Berjaya Sampo Insurance Berhad;
- d) Zurich General Insurance Malaysia Berhad;
- e) Great Eastern General Insurance (Malaysia) Berhad;
- f) RHB Insurance Berhad; and
- g) Chubb Insurance Malaysia Berhad.

The Plaintiff is claiming the following against the Defendants in the Legal Suit:

- (i) Damages in the sum of RM42,750,000.00 to be paid by the Defendants to the Plaintiff, jointly and/or severally, pursuant to their individual rateable proportions under the insurance policies; and/or
- (ii) Damages as assessed by the Honourable Court;
- (iii) Costs of this Legal Suit;
- (iv) Interests on the judgment sum at the rate of 5% per annum from the date the cause of action arose until the date of full settlement; and
- (v) Any further orders and other reliefs which this Honourable Court deems fit and proper to grant.

The next case management for the Legal Suit is fixed on 18 August 2025. Trial dates have been fixed on 4 – 7 and 11 – 13 December 2028 .

The counsels acting for the Plaintiff in the Legal Suit are of the view that the Plaintiff has a reasonable chance of success in its claim, subject to the usual uncertainties of litigation and the risks of going to trial associated with it.

3.2 Johor Bahru High Court Civil Suit No. JA-22C-05-07/2024 brought by Ranhill Water Technologies Sdn Bhd (“Plaintiff”) against MSM Sugar Refinery (Johor) Sdn Bhd (“Defendant”) (the “Legal Suit”)

Plaintiff brought a claim against the Defendant for outstanding value of works (inclusive of retention sum) carried out by the Plaintiff in the sum of RM2,792,819.00 and for additional/variation works completed by the Plaintiff in the sum of RM669,362.00, for a project known as Supply, Deliver, Install Including Testing and Commissioning for Upgrading of Industrial Effluent Treatment (‘IETS’) Plant at MSMJ Johor, Tanjung Langsat, Johor Darul Takzim. The Defendant pleaded amongst others that the Plaintiff has the design and engineering obligation to ensure the complete operation of the IETS Plant meets the fit for purpose requirement which includes the achieving the Environmental Quality Act 1974 Standard A for the effluent at point of final discharge.

The Defendant counterclaims against the Plaintiff in the sum of RM4,401,003.09 for set-off, Liquidated Ascertained Damages (‘LAD’) and back charges in relation to the works, and the sum of RM27,625,797.39 per month for costs incurred from termination on 2 July 2024 until the completion of the rectification of works.

In the alternative to the above, the Defendant also counterclaims against the Plaintiff for replacement and rectification costs of RM3,610,000.00, diminution in value of work done amounting to RM132,947.75, LAD or actual damages capped at RM610,000.00, costs for application of further contravention license of RM7,964.00, cost for installation of additional air conditioning in control room amounting to RM6,500.00, estimated costs of testing and commissioning of the IETS plant and associated costs of RM400,000.00 and estimated costs incurred by the Defendant from termination on 2 July 2024 until the completion of the rectification works of RM27,625,797.39 per month.

The next case management of the Legal Suit is fixed on 27 May 2025. No trial dates have been fixed for the Legal Suit.

The Counsel acting for the Defendant in the Legal Suit are of the view that the Defendant has a reasonable prospect of succeeding in its defence against the Plaintiff’s claim and also succeeding in its counterclaim against the Plaintiff subject to the evidence to be adduced and the performance of witnesses including expert witnesses during the court trial.
