1. INTRODUCTION

At the 26th AGM of the Company held on 29 May 2024, the Company sought and obtained from its shareholders the general mandate for OCR Group to enter into RRPT(s) of a revenue or trading nature in the ordinary course of business based on commercial terms which are not more favourable to the Related Parties than those generally available to the public and which are necessary for OCR Group's day-to-day operations. The aforesaid mandate shall, in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming 27th AGM of the Company unless authority for its renewal is obtained from the Shareholders.

The Company had on 25 April 2025 announced that the Company has proposed to seek its shareholders' approval in respect of the Proposed New and Renewal of Shareholders' Mandate for RRPT(s) at the forthcoming 27th AGM of the Company.

Collections from the Related Party continue to come in during the financial year and they do not have high default risk due to the good market response to their development projects.

8. STATEMENT BY THE AUDIT AND RISK MANAGEMENT COMMITTEE

The Audit and Risk Management Committee has the overall responsibility of determining whether the procedures for reviewing all RRPTs are appropriate. The Audit and Risk Management Committee will review and ascertain at least once a year whether the procedures established to monitor RRPTs have been complied with. If it is determined that the procedures stated in Section 6 are inadequate to ensure that (i) the RRPTs will be conducted at arms' length and on normal commercial terms and (ii) such transactions are not prejudicial to the interest of the minority shareholders, the Company will obtain a fresh shareholders' mandate based on the new procedures.

The Audit and Risk Management Committee will also have the discretion to request for limits to be imposed or for additional procedures to be followed if it considers such requests to be appropriate. In that event, such limits or procedures may be implemented without the approval of shareholders, provided that they are more stringent than the existing limits or procedures.

The Audit and Risk Management Committee of the Company is of the opinion that review procedures are sufficient to ensure that and the RRPTs will be carried out at arms' length and in accordance with OCR Group's normal commercial terms, and hence, will not be prejudicial to the minority shareholders or disadvantageous to OCR and not more favourable to the Related Parties than those generally available to the public and not detrimental to minority shareholders of OCR.

The Audit and Risk Management Committee of the Company have seen and reviewed the procedures set out in Section 6 above and is of the view that OCR has in place adequate procedures and processes to monitor, track and identify RRPT(s) in a timely and orderly manner. The review of these procedures and processes is carried out at least once a year or when deemed necessary by the Audit and Risk Management Committee.

9. RATIONALE OF THE PROPOSED SHAREHOLDERS' MANDATE

The Proposed Shareholders' Mandate will enable the OCR Group to carry out RRPT(s) necessary for the Group's day-to-day operations, which are time sensitive in nature, and will eliminate the need to announce and convene separate general meetings (if applicable) from time to time to seek shareholders' mandate for such transaction. This will substantially reduce the expenses, time and other resources associated with convening of general meetings on an ad hoc basis, improve administrative efficiency and allow financial and manpower resources to be channeled towards attaining other corporate objectives.

The RRPT(s) carried out within the OCR Group creates mutual benefits for the companies in the Group, such as expediency and increased efficiency necessary for day-to-day operations.

In addition, the RRPT(s) are intended to meet the business needs of the Group on the best possible terms. By transacting with the Related Parties, the Group would have an advantage of familiarity with the background and management of the Related Parties, thus enabling more informed commercial decisions to be made. In most dealings with the Related Parties, the Group and the Related Parties have close co-operation and a good understanding of each other's business needs thus providing a platform where all parties can benefit from conducting the RRPT(s).

10. EFFECTS OF THE PROPOSED SHAREHOLDERS' MANDATE

The Proposed Shareholders' Mandate is administrative in nature and is therefore not expected to have any effect on the issued and paid-up capital, major shareholders' shareholdings and any material effect on the consolidated net assets, consolidated earnings per share and consolidated gearing of OCR.
