To: The Shareholders of OCR Group Berhad

Dear Sir/Madam,

PROPOSED SHAREHOLDERS' MANDATE

1. INTRODUCTION

At the 23rd AGM of the Company held on 10 June 2021, the Company sought and obtained from its shareholders the general mandate for OCR Group to enter into RRPT(s) of a revenue or trading nature in the ordinary course of business based on commercial terms which are not more favourable to the Related Parties than those generally available to the public and which are necessary for OCR Group's day-to-day operations. The aforesaid mandate shall, in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming 24th AGM of the Company unless authority for its renewal is obtained from the Shareholders.

The Company had on 26 April 2022 announced that the Company has proposed to seek its shareholders' approval in respect of the Proposed New and Renewal of Shareholders' Mandate for RRPT(s) at the forthcoming 24th AGM of the Company.

The purpose of this Circular is to provide you with the relevant information of the Proposed Shareholders' Mandate and to seek your approval for the ordinary resolution relating to Proposed Shareholders' Mandate which will be tabled at the forthcoming 24th AGM of the Company, to be held on a fully virtual basis and entirely via remote participation and voting through an online meeting platform at www.swsb.com.my provided by ShareWorks Sdn. Bhd. on Monday, 30 May 2022 at 2.00 p.m. The Notice of the 24th AGM and the Form of Proxy are enclosed in the 2021 Annual Report.

- (i) the transactions are in the ordinary course of business and are on terms not more favourable to the Related Party than those generally available to the public;
- (ii) the shareholder mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholder mandate during the financial year where, the aggregate value is equal to or more than the threshold prescribed under Paragraph 10.09 (1) of the Listing Requirements;
- (iii) the listed issuer's circular to shareholders for the shareholder mandate includes the information as may be prescribed by the Exchange. The draft circular must be submitted to Bursa Securities together with a checklist showing compliance with such information;
- (iv) in a meeting to obtain the shareholders' mandate, the Interested Directors, interested Major Shareholders or interested persons connected; and where it involves the interest of an interested person connected with a Director or Major Shareholder, such Director or Major Shareholder, must not vote on the resolution to approve the transactions. An Interested Director or interested Major Shareholder must also ensure that persons connected with him abstain from voting on the resolutions approving the transactions; and
- (v) the listed issuer immediately announces to Bursa Securities when the actual value of a Recurrent Related Party Transaction entered into by the listed issuer, exceeds the estimated value of the Recurrent Related Party Transaction disclosed in the circular by 10% or more and must include the information as may be prescribed by Bursa Securities in its announcement.

Where a shareholder mandate pursuant to Paragraph 10.09(2) of the Listing Requirements has been procured, the provisions of Paragraph 10.08 of the Listing Requirements shall not apply.

- (i) the conclusion of the next AGM of the Company following the general meeting at which such ordinary resolution is passed, at which time it shall lapse, unless by a resolution passed at such AGM, the authority conferred by this resolution is renewed; or

The Board proposes to seek the shareholders' approval for the Proposed Shareholders' Mandate for the OCR Group to enter into transactions in the normal course of business within the classes of Related Parties set out in Section 5 below, provided such transactions are entered into at arm's length and on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and are not detrimental to the minority shareholders. Such a mandate will enable the Group to enter into the RRPTs without the necessity, in most instances, to make the otherwise announcement or to convene meetings in order to procure specific prior approval of its shareholders. The RRPTs will also be subject to the review procedures set out in Section 6 below.

- (i) A list of the Related Parties will be circulated to all heads of department within the OCR Group to notify that all transactions with the Related Parties are required to be undertaken on an arm's length basis, under normal commercial terms consistent with the Group's business practices and policies and on terms not more favourable to the Related Party(ies) than those generally available to the public and, are not to the detriment of the minority shareholders of OCR.

In addition, all heads of department are advised to report to the Management all transactions involving Related Parties who will monitor and report to the Audit and Risk Management Committee for review on a quarterly basis.

(b) Authorisation

- (i) The pricing methods and procedures of the transactions are to be determined by market forces, under similar commercial terms for transactions with third parties that depend on the demand and supply, quality and the availability of the products.

- (iii) The Related Parties and Directors who are deemed interested have been advised of their responsibilities and obligations under the relevant Listing Requirements, the Group's policy and procedures for RRPTs.

- (vii) In the event that quotations or comparative pricing from unrelated third parties cannot be obtained for the proposed transactions, the Management will rely on the usual business norms and practices taking into account the efficiency, quality and type of support services to be provided to ensure that the RRPTs are not detrimental to the OCR Group.

7. OUTSTANDING RRPT RECEIVABLES (Cont'd)

USB awarded a construction contract for Laguna Biru Project to OCRCSB

Design and construction of 6 blocks of middle cost apartments at Laguna Phase 2 at Rawang, Selangor ("**Laguna Biru Project**") had been completed and handed over in April 2019. Construction of 1 block of commercial building with 41 floors at Bandar Sunway, Petaling Jaya, Selangor ("**YOLO Project**") which is ongoing and expected to be completed in 1st half of year 2023. The delay in payment is mainly due to slowdown in sales and site progress caused by the economic repercussions from the Covid-19 pandemic.

As at LPD, there is a sum of RM 22,628,000 yet to be collected.

ONLTP awarded a construction contract for The Pano Project to OCRCSB

Construction of 1 block of 363 units of service apartments and 8 units of retails at Jalan Ipoh, Kuala Lumpur ("**The Pano Project**") which is ongoing and expected to be completed in 2nd half of year 2022.

As at LPD, there is a sum of RM 18,050,000 yet to be collected.

No late interest charges were imposed on the outstanding amounts as the balances are trade in nature and there were consistent repayments during the year. The Management is monitoring the outstanding amount very closely and will engage in regular communication with the Related Parties to ensure payments are made. The Audit and Risk Management Committee and the Board have reviewed the outstanding amount and are of the opinion that the outstanding amount arose strictly as part and parcel of the Group's business operations. Collections from the Related Party continue to come in during the financial year and they do not have high default risk due to the good market response to their development projects.

8. STATEMENT BY THE AUDIT AND RISK MANAGEMENT COMMITTEE

The Audit and Risk Management Committee has the overall responsibility of determining whether the procedures for reviewing all RRPTs are appropriate. The Audit and Risk Management Committee will review and ascertain at least once a year whether the procedures established to monitor RRPTs have been complied with. If it is determined that the procedures stated in Section 7 are inadequate to ensure that (i) the RRPTs will be conducted at arms' length and on normal commercial terms and (ii) such transactions are not prejudicial to the interest of the shareholders, the Company will obtain a fresh shareholders' mandate based on the new procedures.

The Audit and Risk Management Committee will also have the discretion to request for limits to be imposed or for additional procedures to be followed if it considers such requests to be appropriate. In that event, such limits or procedures may be implemented without the approval of shareholders, provided that they are more stringent than the existing limits or procedures.

The Audit and Risk Management Committee of the Company is of the opinion that review procedures are sufficient to ensure that and the RRPTs will be carried out at arms' length and in accordance with OCR Group's normal commercial terms, and hence, will not be prejudicial to the shareholders or disadvantageous to OCR and not more favourable to the Related Parties than those generally available to the public and not detrimental to minority shareholders of OCR.

8. STATEMENT BY THE AUDIT AND RISK MANAGEMENT COMMITTEE (Cont'd)

The Audit and Risk Management Committee of the Company have seen and reviewed the procedures set out in Section 7 above and is of the view that OCR has in place adequate procedures and processes to monitor, track and identify RRPT(s) in a timely and orderly manner. The review of these procedures and processes is carried out at least once a year or when deemed necessary by the Audit and Risk Management Committee.

9. RATIONALE OF THE PROPOSED SHAREHOLDERS' MANDATE

The Proposed Shareholders' Mandate will enable the OCR Group to carry out RRPT(s) necessary for the Group's day-to-day operations, which are time sensitive in nature, and will eliminate the need to announce and convene separate general meetings (if applicable) from time to time to seek shareholders' mandate for such transaction. This will substantially reduce the expenses, time and other resources associated with convening of general meetings on an ad hoc basis, improve administrative efficiency and allow financial and manpower resources to be channeled towards attaining other corporate objectives.

The RRPT(s) carried out within the OCR Group creates mutual benefits for the companies in the Group, such as expediency and increased efficiency necessary for day-to-day operations.

In addition, the RRPT(s) are intended to meet the business needs of the Group on the best possible terms. By transacting with the Related Parties, the Group would have an advantage of familiarity with the background and management of the Related Parties, thus enabling more informed commercial decisions to be made. In most dealings with the Related Parties, the Group and the Related Parties have close co-operation and a good understanding of each other's business needs thus providing a platform where all parties can benefit from conducting the RRPT(s).

10. EFFECTS OF THE PROPOSED SHAREHOLDERS' MANDATE

The Proposed Shareholders' Mandate is administrative in nature and is therefore not expected to have any effect on the issued and paid-up capital, major shareholders' shareholdings and any material effect on the consolidated net assets, consolidated earnings per share and consolidated gearing of OCR.
