UNAUDITED INTERIM FINANCIAL REPORT – (Continued)

Notes :-

Disclosure requirements per MFRS 134 - paragraph 16

A1. (a) Accounting Policies and Methods of Computation

The quarterly report has been prepared in accordance with the reporting requirements as set out in Malaysian Financial Reporting Standards (“MFRS”) 134 “Interim Financial Reporting” and Paragraph 9.22 of the Bursa Malaysia Securities Berhad ACE Market Listing Requirements (“Bursa Securities Listing Requirements”) and should be read in conjunction with the Group’s audited financial statements for the financial year ended 31 December 2018 and the accompanying explanatory notes attached to the audited condensed consolidated financial statements.

The accounting policies and methods of computation adopted by the Group in unaudited condensed financial statements and unaudited interim financial report are consistent with those adopted in the latest audited financial statements for the financial year ended 31 December 2018.

The Group has also adopted the following amendments to Malaysian Accounting Standards Board and Issues Committee (“IC”) Interpretation that came into effect on 1 January 2019 which did not have any significant impact on the unaudited condensed consolidated financial statements upon their initial application except MFRS 16 :-

Effective for financial periods beginning on or after 1 January 2019

MFRS 16	Leases
IC Interpretation 23	Uncertainty over Income Tax Treatments
Amendments to MFRS 9	Prepayment Features with Negative Compensation
Amendments to MFRS 119	Plan Amendments, Curtailment or Settlement
Amendments to MFRS 128	Long-term Interest in Associates and Joint Ventures

Annual improvement to MFRS Standards 2015-2017 Cycle

(b) Adoption of MFRS 16 “Leases”

The Group has adopted MFRS 16 in the current financial period, where MFRS 16 supersedes MFRS 117 “Leases” and the related interpretations. Under MFRS 16, a lease is a contract (or part of contract) that conveys the right to control the use of an identified asset for a period of time in exchange for consideration. MFRS 16 eliminates the classification of leases by the lessee as either finance leases or operating leases.

MFRS 16 requires the lessee to recognise in the statements of financial position, a “right-of-use” of the underlying asset and a lease liability reflecting future lease payment for most leases. The right-of-use asset is depreciated in accordance with the principle in MFRS 116 “Property, Plant and Equipment” and the lease liability is accreted over time with interest expense recognised in the statement of profit or loss.

OPENSYS (M) BERHAD (Company No. 369818-W)
(Incorporated in Malaysia)

UNAUDITED INTERIM FINANCIAL REPORT – (Continued)

(b) Adoption of MFRS 16 “Leases” (continued)

The Group adopted the simplified transition approach without restating the comparatives for the period prior to first adoption as permitted under the specific transition provisions in the standard.

On adoption of MFRS 16, the Group recognised lease liabilities in relation to leases which had previously been classified as ‘operating leases’ under the principles of MFRS 117 Leases. These liabilities were measured at the present value of the remaining lease payments, discounted using the Group’s incremental borrowing rate as of 1 January 2019. The weighted average lessee’s incremental borrowing rate applied to the lease liabilities on 1 January 2019 was 5%.

The financial effects arising from the adoption of MFRS 16 are as follows:

(c) Statement of Financial Position as at 1 January 2019

UNAUDITED INTERIM FINANCIAL REPORT – (Continued)

The Group did not early adopt the following standards that have been issued by the Malaysian Accounting Standards Board but are not effective for period beginning on 1 January 2019, but will be effective for later periods.

Effective for financial periods beginning on or after 1 January 2020

Amendments to MFRS 3	Business combination
Amendments to MFRS 101	Presentation of financial statements
Amendments to MFRS 108	Accounting policies, changes in accounting estimates and errors

Effective date deferred

Amendments to MFRS 10	Sale or Contribution of Assets between an Investor and its Associate or Joint Venture
Amendments to MFRS 128	Sale or Contribution of Assets between an Investor and its Associate or Joint Venture

The Group will adopt the above pronouncements when they become effective in the respective financial periods. The Group is in the process of assessing the financial effect of these pronouncements upon their initial application.

For the current quarter under review, the Group's revenue was higher at RM21.41 million for the third quarter ended 30 September 2019 as compared to RM17.14 million for the corresponding quarter of the preceding year. The improved revenue of 24.9% was mainly due to the fulfillment of orders of Cash Recycling Machine (CRM) received in the first half of the year. Our profit before tax decreased from RM3.17 million to RM2.95 million.

Due to the end-of-life support of the Windows 7 platform by Microsoft, we have a remaining order book of Windows 10 platform upgrade amounting to RM10.8 million for the final quarter of this year. The technology upgrade is a mandatory industry compliance requirement that banks need to adhere to by the end of 2019. Barring any unforeseen circumstances, we expect to fulfill the order backlog by the end of this year.
