ABOUT BIOALPHA

Bioalpha Holdings Berhad (“Bioalpha” or “the Company”) is an investment holding company with its subsidiaries (“the Group”) principally involved in manufacturing and sale of health supplement products. Founded in 2005, Bioalpha has grown to become an integrated health supplement company with businesses comprising all segments of the supply chain, including the cultivation of herbal plants as a source of raw materials for the in-house production of its

products, research and development (“R&D”), manufacturing, distribution and operating a retail pharmacy chain under the brand “Constant”. The Group’s health supplement products are manufactured and sold under original design manufacturing (“ODM”) basis to its clients as well as under its own proprietary house brands. All of Bioalpha’s health supplement products are Halal-certified and are sold in Malaysia with Indonesia and China as main export markets.

ABOUT BIOALPHA CONT'D

VISION

As a regional health supplement group to improve the total well-being of people through innovative culture, and the adoption of technology and best practices in research, products and human capital development.

MISSION

To increase the breadth and depth of our integrated business model by capitalizing on emerging opportunities and being risk-sensitive.

Agriculture

To secure the quality, supply and pricing of our raw materials via ownership of herb farms and undertaking related R&D activities.

Shareholders

To build industry leading shareholder value through revenue diversification, cost optimisation and appropriate investment policies.

Corporate Governance

To be a responsible corporate citizen that embraces integrity, ethics and exemplary corporate governance to deliver value to our stakeholders.

Products

To continuously improve and expand the quality and range of our products for total health and wellness.

Distribution & Retail

To develop our competency in health supplements retail via strategic partnerships and investments. To engage with customers through various channels.

People

To create a conducive and rewarding working environment by promoting teamwork, creativity, integrity and performance.

Customers

To address our customers' needs by being proactive, innovative and exceeding all expectations.

To be commercially-minded and customer-driven in the area of product development.

Certification & Accreditation

To achieve international recognition in product R&D, herb planting and production processes.

R&D

To continuously improve our extraction methodologies and to discover new medicinal mushroom species and herbs for commercialization.

To reinforce research collaboration and strategic partnerships with local and regional experts in the fields of biotechnology and herbal supplements related research.

To be technologically-driven, innovative and cost-conscious in the development of new fermentation techniques, production and cultivation methods.

Regional Expansion

To expand our regional footprint via strategic partnerships and mergers & acquisitions.

Branding

To strengthen our brand by delivering effective and innovative products, building consumer awareness and appropriate market positioning.

CHAIRMAN'S STATEMENT

*Dear Valued Shareholders,
On behalf of the Board
of Directors (“Board”) of
Bioalpha Holdings Berhad
(“Bioalpha” or “the Group”),
I am pleased to present
to you the Annual Report
and Audited Financial
Statements of Bioalpha for
the financial year ended 31
December 2019 (“FY2019”).*

Founded in 2005, Bioalpha has grown to become an integrated nutraceutical and health supplement company involved in the entire spectrum of the supply chain, including the upstream cultivation of herbal plants for raw materials, research & development (“R&D”), manufacturing and distribution of health supplement products, as well as operating a downstream retail pharmacy chain, Constant Pharmacy.

In FY2019, Bioalpha remained resilient in delivering value to our clients and stakeholders, amid a challenging operating environment. Global economic growth remained sluggish at 2.9% in 2019, with escalation of trade disputes between the United States (“US”) and China further impacting business and consumer sentiments. On the home front, Malaysia’s economy expanded 4.3% in 2019, representing the slowest pace since the global financial crisis in 2009.

Against this backdrop, Bioalpha generated positive financial results with a net profit of RM8.3 million in FY2019, on the back of RM63.7 million in revenue. During the year, we continued to drive our strategic initiatives with a focus on the fundamentals by expanding our product portfolio and reach, while enhancing cost and production efficiencies within the Group.

MARKET OUTLOOK

The domestic health supplement industry is projected to grow moving forward as more Malaysians proactively seek to improve general wellbeing amid their fast-

paced modern lifestyles¹. According to a report by the Malaysian Dietary Supplement Association (“MADSA”), less than 30% of Malaysians consume dietary supplements, compared to higher consumption rates in countries such as South Korea, Taiwan and Australia. This presents great prospects for health supplement brands to capture the growth potential in Malaysia. Health products addressing areas such as immunity, digestive and mental issues are anticipated to gain traction, due to busier lifestyles and irregular eating patterns. Demand for healthy ageing supplements are also forecasted to rise in line with the growing ageing population in Malaysia.

The trend now is further accelerated with the recent outbreak of the Novel Coronavirus (“Covid-19”). In particular, demand for products that boost immunity is on the rise as consumers seek to strengthen their immune system to protect against the virus. Meanwhile, the Movement Control Order (“MCO”) put in place to control the spread of Covid-19 has helped fast-track the adoption of e-commerce utilisation and presents an opportunity for health supplement players to enhance their presence in the nutraceutical market.

On the macro level, however, the Covid-19 pandemic has regrettably led to short-term disruptions in global supply chains and major industries worldwide. Governments across countries are taking the necessary but painful steps to minimise human and economic impacts by implementing unprecedented strict containment measures to curb the spread of virus, while unleashing various fiscal stimulus packages to support the economies.

¹ Consumer Health in Malaysia report by Euromonitor

CHAIRMAN'S STATEMENT

CONT'D

In Malaysia, Bank Negara Malaysia (“BNM”) in its recent Economic Monetary Review 2019 report has forecasted between a contraction of -2.0% and a growth of 0.5% for Malaysia’s economy in 2020, primarily attributed to the weakened global growth prospects following the Covid-19 outbreak. The domestic economy is expected to be impacted by suspension of operations by non-essential services during the period, lower operating capacity of manufacturing firms, as well as slower consumption activity.

Outside Malaysia, the Covid-19 pandemic is also taking a toll on the economic growth of our key export countries. World Bank projects Gross Domestic Product (“GDP”) in Indonesia to grow merely by 2.1%² in 2020, as Covid-19 crimps private spending as well as trade activities.

Nevertheless, Ken Research has projected a 7.0% expansion over the forecasted period of 2018 – 2023 for the health supplement market in Indonesia, on the back of various factors such as a shift in diet and physical activity patterns, as well as a rise in ageing population, to name a few. According to the report, the nutraceutical market can be further expanded with more promotional efforts on functional foods and its health benefits.

Similarly in China, its GDP is expected to only expand by 2.3%² in 2020, down from 6.1% in 2019, affected by the disruptions in economic activities. Notwithstanding that, the health supplement market in the country is forecasted to reach USD40 billion by 2023 driven by an increasing trend in lifestyle change and growth in e-commerce usage, according to a study by global consulting firm, Roland Berger.

FORGING AHEAD

Moving forward, the Group shall continue with endeavours to build a robust foundation to weather these temporary headwinds. As the Covid-19 pandemic is still evolving, we remain vigilant in monitoring closely the developments to ascertain the magnitude of the impact from the outbreak and are taking proactive measures to properly manage any arising situations.

For our manufacturing business, we are focused on building a solid product pipeline to accommodate the demands of our domestic and export markets, while securing new customers. We plan on launching new health supplement offerings in high demand areas related to immunity, obesity-care, anti-ageing and antioxidant, to name a few. For our export markets, namely China and Indonesia, efforts are put in place to grow the Group’s presence there. We expect demand for health supplement products to increase in the second half of 2020 as healthcare awareness improves following the Covid-19 pandemic.

Meanwhile, our retail pharmacy business has been growing steadily with higher demand seen at our Constant outlets. Being in this highly competitive industry, our strategy is to maximise the value we deliver by offering enhanced services at our pharmacies, while building close relationship with customers in the local community. We also plan to expand our house brand offerings to include more immunity-related products to cater to growing interest in this area.

On the Group’s agriculture segment, we remain steadfast in developing our herbal parks and increasing our planted acreage. We look forward to a larger harvest volume in 2020 as more plants reach maturity, in addition to cultivating more high-yielding crops.

Bioalpha house brand products

CHAIRMAN'S STATEMENT

CONT'D

Going forward, we foresee the operating landscape to remain challenging for the financial year ended 31 December 2020 ("FY2020"). Nonetheless, we are still positive on the outlook of the health supplement industry and believe that we are on the right footing to achieve long-term sustained growth. We will continue to channel our energy into strengthening our fundamentals as we take Bioalpha to greater heights.

APPRECIATION

My deepest appreciation goes to my fellow Board members, management team and employees of Bioalpha for their hard work and continuous dedication towards realising the Group's goals.

On behalf of the Board, I would like to warmly welcome our new Board members, Ms. Goh Siow Cheng who was appointed as an Executive Director on 6 March 2020 and Mr. Kang Jimmi who was appointed as an Independent Non-Executive Director on 22 May 2020.

I would also like to take this opportunity to thank all our stakeholders, including our shareholders, clients, suppliers, bankers, regulators and Government agencies, namely Perbadanan Nasional Berhad ("PNS"), Malaysian Technology Development Corporation ("MTDC"), Ministry of Agriculture and Food Industries ("MOFI"), East Coast Economic Region Development Council ("ECERDC") and Johor Biotechnology & Biodiversity Corporation ("J-Biotech") for their unwavering support and confidence in Bioalpha.

MANAGEMENT DISCUSSION AND ANALYSIS

Dear Valued Shareholders, As the Managing Director/ Chief Executive Officer, I am once again, pleased to present to you the review of financial and operational performance of Bioalpha Holdings Berhad (“Bioalpha” or “the Group”) for the financial year ended 31 December 2019 (“FY2019”).

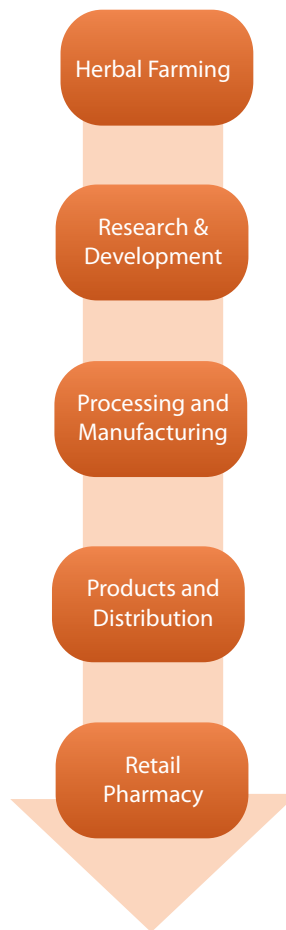

KEY BUSINESS HIGHLIGHTS

FY2019 proved to be a demanding year for Bioalpha as we faced growing uncertainties arising from various developments on domestic and international fronts. However, within the context of a challenging operating backdrop, we have performed relatively well and continued to make progress in our strategic initiatives towards the Group’s sustained growth.

Being an integrated health supplement company, Bioalpha’s business activities cover the entire value chain spectrum, from the cultivation of herbal raw materials, to research and development (“R&D”), processing and manufacturing, distribution and operating a chain of retail pharmacies, Constant Pharmacy.

Herbal Farming

We are involved in upstream herbal farming activities, giving us continuous supply of raw materials for in-house production of the Group’s herbal-based health supplements products. Besides that, it also ensures the quality of the product is preserved by utilizing proper planting standard operating procedure (“SOP”) which includes types of fertilizers used, harvesting methods and adhering to strict no pesticide usage as all chemicals will be substituted with organic alternatives. Furthermore, the suitable species of herbs are planted to ensure that the amount and type of active compound within each product are guaranteed. Our planting activities are carried out within two of the largest herbal farms in the respective states, located in Pasir Raja, Terengganu and Desaru, Johor, with a combined total acreage of 1,303 acres.

Bioalpha’s integrated operations

MANAGEMENT DISCUSSION AND ANALYSIS

CONT'D

Pasir Raja Herbal Park

Desaru Herbal Park

We endeavour to become fully self-sufficient in terms of herbal-based raw materials. This enables us to have better control over the quality of the output, in addition to expanding our profit margins.

At our herbal parks, over 20 different types of raw herbs and spices are cultivated, including *Tongkat Ali*, *Kacip Fatimah*, *Misai Kucing*, *Hempedu Bumi*, *Roselle*, *Dukung Anak*, *Pecah Beling*, lemongrass, ginger, and black pepper, to name a few.

During the year, we carried on our intercropping efforts by adding more high-yield crops. Over 3,000 coconut trees were planted within Desaru Herbal Park with ongoing harvesting efforts since last year. At the same time, we have started to harvest high value medicinal plants, such as *Misai Kucing* and soursop leaves.

Misai Kucing leaves are proven to promote various health benefits including good kidney function as it works as a diuretic, removal of kidney stones, in addition to alleviating conditions such as gout and high blood pressure. At the moment, we believe that Bioalpha is one of the leading producers of processed *Misai Kucing* leaves in Malaysia.

Soursop is another plant of high medicinal value according to various medical research, with its leaves full of anti-oxidants, easing blood pressure and sugar levels, as well as boosting immunity.

Misai Kucing

Soursop

MANAGEMENT DISCUSSION AND ANALYSIS

CONT'D

Promoting Sustainable Practices

We adopt principles of sustainability in our planting operations. In line with this, both our herbal parks are accredited with the Malaysian Good Agriculture Practices (“MyGAP”) certification issued by the Ministry of Agriculture and Food Industries (“MOFI”). MyGAP requires good practices of agriculture with emphasis on the environment, economic and social aspects, to ensure the produce is safe for consumption and of high-quality. Organic farming methods are implemented at our parks as we use organic fertilizers in an effort to mitigate the impact of our operations to the environment.

Meanwhile, we intend to empower the surrounding communities by creating job opportunities through management of our plantations. We also enter into contract farming agreements with local farmers, where we purchase their produce at market prices. We provide seedlings and equip them with latest technical farming technique and know-how as they undertake the planting of the herbs.

Natural drying house

Research & Development

As a health supplement Group, R&D is the growth engine and innovation driver at Bioalpha. The Group’s competitiveness depends on the ability to create new formulations for health supplement products according to our customers’ specifications. To date, our in-house R&D team has developed more than 300 proprietary formulations, and we target to produce 30 new formulations per annum.

During the year under review, we are pleased to share that our wholly-owned subsidiary, Bioalpha (HK) Limited (“Bioalpha HK”), had received approval for a grant under the Innovation and Technology Fund from the Hong Kong Government for the development of next-generation and anti-inflammatory and antitussive herbal products in Hong Kong.

Through the grant, Bioalpha jointly undertakes a collaborative research with the renowned public research university in Hong Kong, the Hong Kong University of Science and Technology (“HKUST”), to identify two formulations with optimal combinations of herbs for the treatment of inflammatory and respiratory problems, such as asthma and rheumatoid arthritis. We are confident that the result of our collaborative R&D efforts will contribute towards developing a product that will help maintain and improve the respiratory health of consumers, which is expected to be in high demand in the near future following the outbreak of the Novel Coronavirus (“Covid-19”) worldwide. We plan to develop herbal health supplement products targeting these related diseases based on the generated formulations from the study.

As for our botanical drugs development, we are currently in the midst of obtaining the necessary approvals to conduct clinical trials, following the successful completion of pre-clinical studies of said drugs performed in Malaysia, Taiwan and India. To recap, Bioalpha is focused on the advancement of botanical drugs for treatment of diabetes type 2 and Hormone Replacement Therapy for menopausal syndrome management.

MANAGEMENT DISCUSSION AND ANALYSIS

CONT'D

Processing & Manufacturing

Our manufacturing operations are carried out at our main manufacturing facility in Bangi, Selangor, which is certified with Good Manufacturing Practice (“GMP”) and Hazard Analysis and Critical Control Points (“HACCP”). In FY2019, we had successfully expanded our production capacity to cater for incoming demand following the relocation of our administrative office to a new building nearby.

Additionally, the upgrading of our machineries were also completed as we implemented more automation in our processes.

Apart from our main facility in Bangi, we also operate a Collection, Processing & Packaging Centre (“CPPC”) at our herbal park in Pasir Raja and a primary processing plant in Desaru. We are pleased to update that the upgrading of the CPPC in Pasir Raja has been completed in FY2019 as we anticipate the increase in herbal harvesting tonnage volume.

Bioalpha's new headquarters in Bangi

In Indonesia, we manufacture products in a contract manufacturing plant located in Kampar, Riau. Last year, we have received the license from relevant regulatory authorities for several health supplement products and are looking forward to roll out more offerings in the near future.

House Brand and ODM Products

We produce and sell a wide array of both herbal and non-herbal based health supplement products. The Group's health supplement products are sold under Original Design Manufacturing (“ODM”) basis to our customers, as well as under our proprietary house brands, Apotec and Nushine.

On the domestic front, we saw a slowdown in demand in FY2019 as businesses were more cautious with their spending due to the uncertain economic environment. Nonetheless, we continued to work towards broadening our customer base while serving our existing ODM clientele. At the same time, we also refreshed our house brand offerings by introducing new products which are in sought-after categories including men's and women's health, cardiovascular and anti-ageing, among others. As we move forward, we endeavour to expand our range of products to stimulate interest in the market.

New house brand products in 2019

MANAGEMENT DISCUSSION AND ANALYSIS

CONT'D

Over in China, we remain focused on penetrating the market to capitalise on the growing popularity of health supplement products there. During the year, we partnered with a reputable Traditional Chinese Medicine (“TCM”) organisation in China with an extensive distribution network, to develop and manufacture food-based products promoting various health functions such as improving immunity and gut health, to name a few. In the meantime, we are also collaborating with our existing distributors to expand our presence there.

Health supplement product for Chinese market

For our Indonesian market, we are currently producing functional foods and health supplements that are localised for the Indonesian market. Distribution-wise, we are working with our partners to promote our products there. For our health supplement products category, we have a number of new products in the pipeline pending regulatory approvals, which unfortunately, made slower-than-expected progress last year. Moving forward, we expect to secure more approvals for our health supplement products, after which, we could expand our offerings in the country.

Retail Pharmacy

We operate a retail pharmacy chain under the Constant Pharmacy (“Constant”) brand. This serves as an excellent platform for us to market and promote our house brand products to end-customers.

In FY2019, we further penetrated the market by expanding Constant’s network into the premium supermarket chain with the opening of two pharmacy outlets within Village Grocer in Central i-City Mall, Shah Alam and Mid Valley South Key Mall, Johor Bahru.

To sustain the growth of our retail pharmacy business, our efforts are focused on enhancing the variety of products and improving customer services offered at our Constant outlets. We aim to foster close relationship with the local community by providing value-added services such as professional consultation to customers, as well as high-quality product offerings.

Apart from brick and mortar presence, the Group also has an online presence for our eConstant shop at www.constant.com.my, with delivery services provided. Additionally, our products are also available on popular e-commerce platforms such as Lazada and Shopee, as part of our strategy to increase customer reach. During the year, we stepped up our marketing and promotional activities to gain more traction while at the same time, strengthened our supply chain and management system to enhance operational and cost efficiencies.

With the ongoing initiatives, we foresee sales of our house brand products to improve as we expand our distribution reach and increase penetration.

MANAGEMENT DISCUSSION AND ANALYSIS

CONT'D

FINANCIAL PERFORMANCE REVIEW

Revenue

Group revenue amounted to RM63.7 million in FY2019, as compared to RM70.1 million in the previous year ("FY2018"). The Group's manufacturing of health supplement business generated a turnover of RM36.5 million in FY2019, against RM44.1 million in FY2018, as domestic ODM sales were impacted by the soft consumer sentiment.

Nonetheless, our export sales increased 8.7% to RM27.4 million in FY2019, primarily driven by stronger demand from China. During the year, sales to China grew 41.3% to RM16.5 million as we fulfilled more orders from ODM customers. Meanwhile, sales to Indonesia stood at RM10.9 million in FY2019 versus RM13.5 million a year ago.

For the year under review, our retail pharmacy arm recorded 4.4% revenue growth to RM27.1 million, mainly on the back of maiden contribution from newly opened Constant outlets during the year and increased marketing and promotional activities.

The Group's manufacturing of health supplements division remained as the major contributor accounting for 57.4% of FY2019 Group Revenue, while our pharmacy business made up the balance 42.6%.

In terms of geographical breakdown, the Malaysian market accounted for 57.0% of the Group Revenue, followed by China with 25.8% while Indonesia contributed the remaining 17.2%.

FY2019 Sales Mix by Country

Gross profit margin

Gross profit margin contracted to 39.6% in FY2019 from 43.6% a year ago. This was in line with the lower revenue base, along with higher depreciation and manufacturing overheads arising from the upgrading of machineries at our manufacturing plant.

Administrative expenses

In FY2019, Bioalpha's administrative costs trimmed by 3.9% to RM18.3 million from RM19.0 million a year ago. The lower expenses can be attributed to the Group's effective measures in driving costs down during the year.

Taxation

Bioalpha's effective tax rate came in at 20.9% in FY2019, lower than the statutory tax rate of 24.0%, as we received capital allowances for certain qualifying expenses in relation to purchasing of machineries and building in the course of the year.

Additionally, our subsidiary, Bioalpha (Johor Herbal) Sdn. Bhd., was granted an incentive by MOFI, allowing 100% tax exemption on income for a period of 10 years starting 1 January 2018. Another of our subsidiary, Bioalpha East Coast Agro Sdn. Bhd., had also received a tax incentive for a period of 10 years from the Malaysian Investment Development Authority ("MIDA"), but this has not been utilised yet.

Net Profit attributable to owners of the company ("Net profit")

Bioalpha reported a net profit of RM8.3 million for FY2019, against RM11.6 million a year ago, mainly due to slower performance of the manufacturing business during the year. Net profit margin stood at 13.1% in FY2019 by comparison to 16.5% in FY2018.

MANAGEMENT DISCUSSION AND ANALYSIS

CONT'D

SOLID FINANCIAL FOOTING

Bioalpha's financial standing remained healthy as at 31 December 2019.

Gearing ratio is stable at 0.03 times as at 31 December 2019 as the Group's total borrowings reduced to RM5.5 million from RM6.2 million a year ago, due to repayment of bank borrowings. Meanwhile, the Group's deposits, cash and bank balances amounted to RM12.5 million as at end-2019. Bioalpha remained in a net cash position with net cash per share of 0.82 sen, providing us with enough headroom to raise funds via borrowing should the need arises.

Equity attributable to shareholders of Bioalpha rose to RM165.5 million as at end-2019 from RM157.6 million a year ago in line with the increase in retained earnings. Net assets per share stood at 19.2 sen in FY2019.

During the year, total assets increased by 8.3% to RM193.9 million, mainly contributed by higher property, plant and equipment balance following the adoption of MFRS 16 Leases resulting in the recognition of right-of-use ("ROU") assets and corresponding lease liabilities effective from 1 January 2019.

The Group's total liabilities also grew by 32.2% to RM28.6 million, primarily due to recognition of lease liabilities for ROU assets, in accordance with the adoption of MFRS 16 Leases.

The Group generated positive net operating cash flow of RM16.3 million in FY2019 as compared to RM10.3 million in FY2018, partly on the back of collection of receivables during the year.

As we grow the business, we continuously refine our capital structure to ensure a strong capital base to support our business and maximise returns for Bioalpha and our shareholders.

SUSTAINABILITY MATTERS

At Bioalpha, we understand the vital role we play as a responsible corporate citizen, with sustainable development acting as a guiding philosophy for all our undertakings. We are committed to best sustainability practices as we strive to create value for our stakeholders through innovation and operational excellence, while mitigating the negative impact of our operations on the environment. The Group's sustainability efforts are elaborated in the Sustainability Statement of this Annual Report from page 34 to page 39.

MANAGEMENT DISCUSSION AND ANALYSIS

CONT'D

ANTICIPATED RISKS

Changes in economic, political and regulatory conditions

The Group conducts business locally in Malaysia as well as abroad, namely in China and Indonesia. As such, we operate under a wide range of laws and regulations, as well as different economic conditions, that may impact multiple aspects of our operations and supply chain. For example, the Covid-19 pandemic has resulted in the implementation of lockdown or movement restrictions by governments worldwide to curb the spread of the virus. This caused disruptions in our operations with adverse impact on our financial performance as we are unable to export our products.

In this regard, we have taken the necessary steps to ensure we practice prudent financial management, while strengthening our operating processes, to protect us against any adverse developments. However, the global market's economic, political and social factors remain beyond the Group's control and may impact our operations, financial performance and future prospects.

Product liability risk

As a health supplement Group, product contamination is an area of key concern as it could lead to a widespread product recall. This would affect our bottom line, as well as jeopardise Bioalpha's reputation and demand for products.

To mitigate this risk, we have adequate product liability insurance coverage to protect against claims of injury caused by defective products. Additionally, our operations are in compliance with stringent control procedures for processes relating to product formulation and manufacturing. Our main manufacturing facility in Bangi is also certified with GMP and HACCP certifications. We have not experienced any product recalls from the market, nor any product liability claims, since our inception.

Harvest risk

Our plantations are exposed to harvest risk, which include outbreaks of diseases, damage from pests and fire or other natural disasters. This may cause disruption to our production of herbal-based health supplements.

We aim to minimise this risk by taking proactive steps with keeping up to date with the latest advancements in areas relating to planting technologies and materials, disease prevention and farm operations. We also have a dedicated agriculture development team overseeing the progress of the herbal parks, in addition to supply and quality of the produces.

DIVIDENDS

In view of the demanding operating climate, the Board did not propose any dividend in respect of the current financial year. Our ability to pay dividends is subject to the Group's financial position, operational requirements and expansion plans. With the challenging environment expected to prevail, there is a need to conserve cash and reinvest back into the business to fortify our competitive position. It is our endeavour to strike a balance between rewarding our shareholders and retaining cash to grow the business.

THE WAY FORWARD

Coming into 2020, we intend to channel our efforts into strengthening the core fundamentals of the business to navigate through these difficult times. The Covid-19 pandemic presents unprecedented challenges, weighing down the already slowing global economic growth, rendering a brunt impact on the domestic front. We are following the developments of Covid-19 closely and are bracing ourselves for possible adverse impact by taking the necessary measures to minimise any forthcoming risks. In Malaysia, we foresee the soft consumer sentiment to prevail in FY2020. In particular, performance in the first half of 2020 would be negatively affected by Covid-19 and the resulting MCO which restricted operations of businesses. With various measures put in place by our Government, we hope the situation would be under control soon with recovery to gradually take place in the second half of 2020.

Our manufacturing business is expected to remain as the major revenue contributor for this year. Our emphasis will be on sustaining market interests by growing our product and customer base, paying close attention to changes in consumer preferences. During the Covid-19 pandemic, we reacted swiftly to market demand by producing more health supplements that promote respiratory health and strengthen immune system, in addition to introducing our house brand hand sanitizers. Moving forward, we will intensify our R&D activities on developing formulations for immunity-based supplements to capitalise on the increasing health awareness arising from the Covid-19 outbreak.

Operationally, we remain steadfast on improving our processes to enhance the features and marketability of our health supplement products. For example, we plan to purchase a granulator machine to produce powder-based products with increased solubility and ultra-fine standard which will enhance in-body absorption. At the same time, the expansion of the variety of forms and packaging available for customers to choose from and increased advancement on processing method to scale up and reduce manufacturing time, will provide us the capability to cater for incoming orders of our products.

MANAGEMENT DISCUSSION AND ANALYSIS

CONT'D

For the market in China, we continue to work with our partners to expand our distribution network and product offerings to accelerate our growth in this region. In view of the spread of Covid-19 pandemic, we foresee sales to be affected during the first half of the year due to disruption to the global supply chain. Nevertheless, we anticipate demand for health supplements to pick up strongly in the second half of

2020, in line with growing health awareness as more people seek to boost their immune system to protect themselves against diseases. Meanwhile, our subsidiary in Hong Kong, which has been in collaborative R&D efforts with HKUST, are accelerating their efforts to develop formulations for inflammatory and respiratory conditions in preparation for the increase in demand for immunity-related products going forward.

Over in Indonesia, we are channelling our efforts on rolling out functional foods that are suited to local taste buds, while seeking to obtain more regulatory approvals for health supplement products. While we anticipate a slowdown in sales for the first half of 2020 due to Covid-19, we still maintain a positive outlook for our Indonesian market in the long run as more approvals are granted in due time.

On the Group's retail pharmacy business, our strategy is to enhance the services offered at our Constant outlets, in addition to introducing new house brand offerings which are of high interest at the moment, including immunity-related products. Following the Covid-19 outbreak, we have experienced a spike in sales of products that boost immunity and improve respiratory systems. Hygiene-related items such as masks and hand sanitizers are also in great demand at our pharmacy outlets. As mentioned earlier, we now have our house brand hand sanitizers as well.

Meanwhile, we see greater adoption of e-commerce practice amongst consumers especially during the MCO, given the restriction on mobility. In this regard, we shall work on enhancing our eConstant online shop, as well as broadening our product offering on other e-commerce platforms in order to capture more sales online.

Our agriculture business is still in gestation period as several crops have longer maturity periods. For the coming year, we will carry on our efforts to improve the yield on the developed land. We also expect harvest tonnage to increase as more plants reach maturity. Notwithstanding this, we remain cautious on the overall demand for herbs given the soft economy.

Tongkat Ali trees at Desaru Farm

On the corporate front, we have submitted our application to Securities Commission Malaysia ("SC") on 30 August 2019 for the proposed transfer of our listing to the Main Market of Bursa Malaysia Securities Berhad ("Bursa Securities"). The transfer of our listing is subject to approvals from the SC, Bursa Securities and other relevant authority. The migration to Main Market is expected to raise Bioalpha's profile and garner interest from a broader pool of investors, improving the liquidity and marketability of Bioalpha's shares.

Looking ahead, we are mindful of the challenging market conditions. Notwithstanding this, we firmly believe that our ongoing strategic initiatives give us the ability to respond to these circumstances while capitalising on arising opportunities. This is underpinned by our solid fundamentals, strong capabilities and long-term growth prospects in the health supplements space.

APPRECIATION

My deepest gratitude goes to our Board of Directors for their invaluable counsel in steering Bioalpha forward. To all our stakeholders, including our shareholders, suppliers, customers and government agencies, thank you for your continued support and faith in the Group. Last but not least, I would like to extend my heartfelt appreciation to the dedicated management team and all employees for their commitment towards the Group's growth. With the talents we have at Bioalpha, I have confidence we shall rise up to the challenge and continue to thrive in the future.

Hon Tian Kok @ William
Managing Director/Chief Executive Officer

SUSTAINABILITY STATEMENT

Bioalpha Holdings Berhad (“Bioalpha”) is pleased to present our Sustainability Statement. This statement encompasses our material Environment, Economy and Social (“EES”) matters for the financial year. Our sustainability initiatives reflect our continuous drive towards maximising opportunities for strong fiscal growth and optimising operational efficiency in tandem with long-term value creation based on EES considerations.

Bioalpha is committed to building a sustainable business and conducting our operations with integrity. As an integrated health supplement company in healthcare supplement sectors, we are mindful that good sustainability practices are integral to our long-term business growth. To this end, the Board strives to embed a strong governance culture, socially responsible values and sound environmental practices throughout the Group.

STAKEHOLDER ENGAGEMENT

We recognise that our stakeholders are important to the Group’s long-term growth or success. Although external stakeholders were not engaged specifically to examine their most material EES factors, we have regular interactions with them which allow us to glean information on areas they may have the most concerns. Our key stakeholders and their areas of interest based on our various engagements with them and are set out below:

Stakeholders	Engagement methods

Local communities	<ul style="list-style-type: none"> • Compliance with local government laws and regulations such as pollution at surrounding factory areas, chemical discharge to drainage, etc.

SUSTAINABILITY STATEMENT

CONT'D

OUR COMMITMENT

We perceived corporate sustainability as our commitment to create long term value to our shareholders, environment and society through innovation and overall operational excellence. We understand our choices today have an impact on our stakeholder i.e. customers and suppliers and the success of their businesses in the future. Our business imperative is to carry out our activities responsibly and with integrity. Our people are expected to behave in an ethical manner in accordance with our policies, code of conduct and guidelines.

Mindful of the need to be a corporately responsible organisation, the Group undertook various steps to play its part in contributing to the welfare of the society and communities in the environment it operates. The Group recognises that for long term sustainability, its strategic orientation will need to look beyond the financial parameters.

Within this context we have defined our commitment to corporate sustainability across three material areas:

ENVIRONMENTAL INITIATIVES

Manufacturing Process

We understand that our operations and activities have an environmental footprint and it is our responsibility to minimise these through continuous improvement of our manufacturing facilities. We ensure that our manufacturing processes comply with GMP, HACCP and ISO requirements. To meet these requirements, quality assurance principal is to ensure the quality and safety of our products.

Our processes and equipment used for fermentation of medicinal mushrooms and manufacturing of products have been inspected by JAKIM, which have enabled us to obtain Halal certifications for our products.

Our manufacturing facilities adhere to strict regulations and procedures to ensure that materials and energy resources are used efficiently to minimise waste. These include monitoring energy consumption, materials planning and waste management. Such resulted in approximate energy saving of 15,000 kWh in FYE 2019.

ECONOMY INITIATIVES

We remain committed and maintain open dialogue with shareholders, the investment community and stakeholders. Annual general meetings are the principal forum for dialogue with shareholders and provide them the opportunity to raise questions and seek clarifications on the Group's operations, performance and strategies. All Directors were present in person to engage directly with the shareholders of the Company during the annual general meeting held in 2019.

Research & Development (R&D)

Given our reach in the pharmaceutical arena, we are dedicated to maintaining the affordability and accessibility of health supplement while upholding our standards of safety, quality and efficacy. We are able to ensure this through our commitment to R&D into high quality and cost competitive supplement products for various segments.

SUSTAINABILITY STATEMENT

CONT'D

New Product 2019

Marketplace

The Group is continuously committed to promote and maintain transparency, accountability and ethics in the conduct of its business and operations with the stakeholders, including our government and authorities, shareholders and investors, customers, suppliers, employees and communities. This include the implementation of internal control systems such as a financial authority framework and risk management framework.

The Group strive to continuously improve our relationships, trust, mutual respect, understanding with our stakeholders who have an effect on, or is affected by our businesses. The Group has introduced various channels to engage with our stakeholders to understand and respond to their expectations and interests with regard to our services and operations.

The Group works closely with the suppliers to create a high-quality, reliable supply chain that meets our standards. The Group has had regular engagement sessions with suppliers to identify areas and methods for improvement and to resolve issues.

SOCIAL INITIATIVES

Our People

Our employees play an integral role in the sustainability and success of the Group. As such, we are focused on attracting and retaining a highly skilled workforce while prioritising the wellbeing of our people.

We believe in the inherent strength of a diversified workforce. Hence, we take into account the current diversity in the gender, age and race/ethnicity of the existing workforce.

Level	Top Management	Employee
Racial Diversity %		
Malay	44%	65%
Chinese	50%	23%
Indian	0%	5%
Others	6%	7%
Gender Diversity %		
Male	78%	48%
Female	22%	52%

SUSTAINABILITY STATEMENT

CONT'D

Training and Development

The Group career development and progression opportunities for the employees through in-house training, attending seminar, workshops and talks. This will equip them with the latest job-related updates and knowledge/ know-how. The total budget allocation for director and employee training for year 2019 is RM20,000.

The total training hour as below:

Category of training	Hours
External	408
Internal	42

Festive Celebrations 2019 and 2020

- Hari Raya Open House & MPM award	29 Jun 2019
- Deepavali Celebration & MPM award	9 Nov 2019

SUSTAINABILITY STATEMENT

CONT'D

Occupational Safety and Health

We recognise that the very nature of our business itself involves occupational health and safety risks. The safety and health of our employees as well as the safety of our contractors, service providers and visitors to our manufacturing facilities remain a priority through our commitment to:

- Comply with local Occupational Safety and Health regulations.
- Comply with all applicable environmental laws and regulations.
- Implement Safety, Health & Environment (SHE) training programs to ensure adequate training of all employees and contractors.
- Continue to identify potential hazards and implement appropriate measures.
- Investigate all incidents, diseases and dangerous occurrences and ensure appropriate action to prevent recurrence.
- Communicate and update all employees and contractors on worker safety and asset protection.
- Ensure that appropriate Emergency Response Plans are in place.
- Continuously improve our environment management system.

Community

As an organisation with its business deeply rooted in the community that it serves, Bioalpha is aware of its social obligations to the community. Bioalpha is privileged to have been able to support communities in need and make a difference in their lives.

During the year under the review, the Group initiated several cultural and welfare activities, and donations to various non-organisations.

CSR activities	Date
Donation for Skin Cancer Patient	19 Jan 2019
Blood Donation Activity	24 Aug 2019
Donation for Car Accident [Victim]	7 Dec 2019

COVID-19

Bioalpha has equipped front-liners with facemasks and face shields through the onset of COVID-19 outbreak. In addition to practicing social distancing, sanitizer is made available at the counter for visitors at Mediconstant outlet.

Bioalpha has also sponsored Pusat Perubatan Universiti Malaya 100 drums of 5 litre, and 200 bottles of 500ml Apotec (i.e. home brand) Sanitizer to fight COVID-19.

SUSTAINABILITY STATEMENT

CONT'D

Blood Donation

On 24th August 2019, Bioalpha and Mediconstant has organized a Corporate Social Responsibility (CSR) event at Pusat Darah Negara Malaysia. The program has run smoothly and achieved the company's objectives. Through this activity, the company is able to deliver on the importance of donating blood to the Pusat Darah Negara by supplying valuable blood supply as much as possible. In addition, these activities can foster a sense of responsibility and compassion among the workers to the country. Bioalpha Managing Director, Mr.Hon Tian Kok @ William also gave full supports and participated in the program. The blood donation event that ran from 9 am to 12 noon was able to donate almost 30 bags to the National Blood Center.

Satellite Farming

Bioalpha has also assist and support local farmers by encouraging 'satellite farming', while promoting home grown raw materials from various community as follow.

Moving Forward

The Board will work progressively towards improving the Group's sustainability reporting in relation to the management of our Economic, Environment and Social risks and opportunities.

This Sustainability Statement is prepared in accordance with the resolution of the Board of Directors dated 5 June 2020.

CORPORATE GOVERNANCE OVERVIEW STATEMENTS

The Board recognises the importance of good corporate governance and fully supports the principles and best practices promulgated in the Malaysian Code on Corporate Governance (“MCCG”) to enhance business prosperity and maximize shareholders’ value. The Board will continuously evaluate the Group’s corporate governance practices and procedures, and where appropriate will adopt and implement the best practices as enshrined in MCCG to the best interest of the shareholders of the Company.

Below is an overview statement and description in general on how the Group has applied the principles and complied with the best practice provisions as laid out in MCCG throughout the financial year ended 31 December 2019 pursuant to Rule 15.25 of the ACE Market Listing Requirements (“AMLR”) of Bursa Malaysia Securities Berhad (“Bursa Securities”).

PRINCIPLE A - BOARD LEADERSHIP AND EFFECTIVENESS

Part I - Board Responsibilities

The Board is collectively responsible for the long-term success of our Company and the delivery of sustainable value to its stakeholders. In discharging its fiduciary duties and leadership functions, the Board governs and sets strategic directions for the Company whilst exercising an oversight on management. The Board plays a critical role in setting the appropriate supervision at the top, providing uncompromising leadership and championing good governance and ethical practices throughout the Company.

1. Board’s Leadership on Objectives and Goals

1.1 Set Strategic Aims, Values and Standards for the Company

The Board has full control of and is responsible for, the Group’s overall strategy, acquisition and divestment policies, capital expenditure, annual budget, review of financial and operational performance, and internal controls as well as investment and risk management processes. The Group’s overall strategic direction, development, implementation and control remain as primary importance to the Board.

The Board is leading and managing the Group in an effective and responsible manner. Each Director has a legal duty to act in the best interests of the Group. The Directors, individually and collectively, are aware of their responsibilities to shareholders and stakeholders for the manner in which the affairs of the Company are managed.

The Board is entrusted with the responsibility to promote the success of the Group by directing and supervising the Group’s affairs. Hence, to develop corporate objectives and position descriptions including the limits to management’s responsibilities, which the management are aware of and are responsible for achieving.

The details of the roles and responsibilities of the Board and matters reserved for the Board for decision are defined in the Board Charter, which is available on the Company at www.bioa.com.my.

In discharging its fiduciary duties, the Board has delegated specific tasks to five (5) Board Committees namely the Audit Committee (“AC”), Nomination Committee (“NC”), Remuneration Committee (“RC”), Risk Management Committee (“RMC”) and Share Issuance Scheme (“SIS”) Option Committee. The primary functions of which are to assist the Board in overseeing the affairs of the Company. These Committees have been entrusted with specific responsibilities and authority, the authorities and functions of these Board committees are properly set out in their respective Terms of Reference.

1.2 Appointment of Chairman

Tan Sri Dato’ Abdul Rahman Bin Mamat was appointed as the Independent Non-Executive Chairman of the Company. He has been acting as the facilitator during meetings of the Board to ensure that discussion takes place effectively and constructively, the opinions of all directors relevant to the subject under discussion are solicited and freely expressed, and that Board discussions lead to appropriate decisions.

CONT'D

PRINCIPLE A - BOARD LEADERSHIP AND EFFECTIVENESS (CONT'D)

Part I - Board Responsibilities (Cont'd)

1. Board's Leadership on Objectives and Goals (Cont'd)

1.2 Appointment of Chairman (Cont'd)

The Chairman holds an Independent Non-Executive role and his roles and responsibilities have been clearly specified in the Board Charter, which is available on the Company's website at www.bioa.com.my.

1.3 The Positions of Chairman and Managing Director are held by Different Individuals

The positions of Chairman and Managing Director are separated and clearly defined. The Board believes that balance of power and authority exists within its current structure to sufficiently enable it to discharge its duties objectively.

The roles and responsibilities of the Chairman and Managing Director are provided in the Board Charter, which is available on the Company's website at www.bioa.com.my.

1.4 Qualified and competent Company Secretaries

In compliance with Practice 1.4 of the MCCG, the Board is supported by two (2) External Secretaries. The Company Secretaries of the Company are qualified to act as Company Secretary under Section 235 of the Companies Act, 2016 ("the Act"). The Company Secretaries provides the required support to the Board in carrying out its duties and stewardship role, providing the necessary advisory role with regard to the Company's constitution, Board's policies and procedures as well as compliance with all regulatory requirements, MCCG, guidance and legislation.

The Company Secretaries keep the Board abreast with the latest regulatory updates and ensure that deliberations at Board and Board Committee meetings are well documented.

The Board is satisfied with the performance and support rendered by the two (2) qualified and experienced Company Secretaries to the Board in discharge of its functions.

The Company Secretaries are accountable to the Board on all matters connected with the proper functioning of the Board and responsibility includes:

- assisting the Chairman and the Chairmen of the Board Committees in developing the agendas for the meetings;
- administering, attending and preparing the minutes of meetings of the Board, Board Committees and shareholders,
- acting as liaison to ensure good information flow within the Board, between the Board and its Committees as well as between management and the Directors;
- advising on statutory and regulatory requirements and the resultant implication of any changes that have bearing on the Company and the Directors;
- advising on matters of corporate governance and ensuring Board policies and procedures are adhered to;
- monitoring compliance with the Act, the AMLR and the Constitution of the Company;
- facilitating orientation of new director;
- disseminating suitable training courses and arranging for Directors to attend such courses when requested.

CORPORATE GOVERNANCE OVERVIEW STATEMENTS

CONT'D

PRINCIPLE A - BOARD LEADERSHIP AND EFFECTIVENESS (CONT'D)

Part I - Board Responsibilities (Cont'd)

1. Board's Leadership on Objectives and Goals (Cont'd)

1.5 Access to information and advice

Unless otherwise agreed, notice of each meeting confirming the venue, time, date and agenda of the meeting together with relevant Board papers shall be forwarded to each director no later than seven (7) days before the date of the meeting. This is to ensure that Board papers comprising of due notice of issues to be discussed and supporting information and documentations were provided to the Board sufficiently in advance. Furthermore, Directors are given sufficient time to read the Board papers and seek clarification as and when they may need advisers or further explanation from management and Company Secretaries. The deliberations of the Board in terms of the issues discussed during the meetings and the Board's conclusions in discharging its duties and responsibilities are recorded in the minutes of meetings by the Company Secretaries.

The Board has access to all information within the Company as a full Board to enable them to discharge their duties and responsibilities and is supplied in a timely basis with information and reports on financial, regulatory and audit matters by way of Board papers for informed decision making and meaningful discharge of its duties.

In addition, all Directors have direct access to the advice and services of the Company Secretaries who are responsible for ensuring the Board's meeting procedures are adhered to and that applicable rules and regulatory are complied with. External advisers are invited to attend meetings to provide insights and professional views, advice and explanation on specific items on the meeting agenda, when required. Senior management team from different business units will also be invited to participate in the Board meetings to enable all Board members to have equal access to the latest updates and developments of business operations of the Group presented by the senior management team. The Chairman of the Board Committees, namely, the AC, NC, RC, RMC and SIS Option Committee briefs the Board on matters discussed as well as decisions taken at the meetings of their respective Board Committees meetings.

When necessary, Directors may whether as a full Board or in their individual capacity, seek independent professional advice, including the internal and external auditors, at the Company's expense to enable the directors to discharge their duties with adequate knowledge on the matters being deliberated, subject to approval by the Chairman of the Board, and depending on the quantum of the cost involved.

2. Demarcation of Responsibilities

The Board acknowledges the importance of the demarcation of responsibilities between the Board, Board Committees and management. In order to achieve the aim of the clarity in the authority of the Board, its Committees and individual directors, the Board has formalised and adopted a Board Charter.

2.1 Board Charter

The Board Charter was adopted by the Board sets out the role, functions, composition, operation and processes of the Board and is to ensure that all Board members acting on behalf of the Company are aware of their duties and responsibilities as Board members. The Board Charter would be periodically reviewed and updated in accordance with the needs of the Company and any new regulations that may have an impact on the discharge of the Board's responsibilities. The Board Charter is available on the corporate website - www.bioa.com.my.

CORPORATE GOVERNANCE OVERVIEW STATEMENTS

CONT'D

PRINCIPLE A - BOARD LEADERSHIP AND EFFECTIVENESS (CONT'D)

Part I - Board Responsibilities (Cont'd)

3. Good Business Conduct and Corporate Culture

The Board is committed to promote good business conduct and maintaining a healthy corporate culture that engenders integrity, transparency and fairness.

The Board, management, employees and other stakeholders of the Group are clear on what is considered acceptable behaviour and practice in Bioalpha Group.

3.1 Code of Ethics & Conduct

The Board is committed in maintaining a corporate culture which engenders ethical conduct. The Board has formalised the Code of Conducts and Ethics which summarises what the Company must endeavour to do proactively in order to increase corporate value, and which describes the areas in daily activities that require caution in order to minimise any risks that may occur. The Code of Conduct and Ethics provides guidance for Directors regarding ethical and behavioural considerations and/or actions as they address their duties and obligations during the appointment. The Board will review the Code of Conduct and Ethics when necessary to ensure it remains relevant and appropriate. The details of the Code of Conduct and Ethics are available for reference on the Company's website at www.bioa.com.my.

3.2 Whistle Blowing Policy and Procedures

The Group has in place a Whistle Blowing Policy designed to create a positive environment in which employees or external parties can raise genuine concerns without fear of recrimination and enable prompt correction action to be taken where appropriate. The Whistle Blowing Policy can be assessed at the Company's website at www.bioa.com.my.

The Company had adopted the Anti-Bribery Management System Policy that set out the policies and adequate procedures against bribery and corruption activities in the conduct of its business under the gazetted Section 17A of the Malaysian Anti-Corruption Commission (Amendment) Act 2018.

Part II - Board Composition

In order to achieve the intended outcome of the MCCG, the Board decisions are made objectively in the best interests of the Company taking into account diverse perspectives and insights, our Group has met most of the good practices recommended by the MCCG as follows: -

4. Board's objectivity

4.1 Composition of the Board

The Company is managed by a well-balanced Board which consists of members with wide range of business, technical and financial background. This brings diversity and insightful depth to the company leadership and management.

The Board consists of eight (8) members, as designated below:

- one (1) Independent Non-Executive Chairman;
- one (1) Managing Director/Chief Executive Officer;
- one (1) Executive Director;
- one (1) Group Chief Financial Officer/Finance Director;
- one (1) Non-Independent Non-Executive Directors; and
- three (3) Independent Non-Executive Directors.

The profile of each Director is presented separately in pages 9 to 15 of this Annual Report.

CORPORATE GOVERNANCE OVERVIEW STATEMENTS

CONT'D

PRINCIPLE A - BOARD LEADERSHIP AND EFFECTIVENESS (CONT'D)

Part II - Board Composition (Cont'd)

4. Board's objectivity (Cont'd)

4.2 Tenure of Independent Director

As at the date of this statement, none of the independent directors had served the Company for more than nine (9) years as per the recommendations of MCCG.

4.3 Policy of Tenure of Independent Director

Currently, the Board does not have a policy on the tenure for Independent Directors as the Board is of the view that a term of more than nine (9) years may not necessary impair independence and judgement of an Independent Director and therefore the Board does not deem it appropriate to impose a fixed term limit for Independent Directors at this juncture.

However, as recommended by the MCCG, the tenure of an independent director should not exceed cumulative term of nine (9) years. Upon completion of the nine (9) years, an independent director may continue to serve on the Board subject to the director's re-designation as a non-independent director. In the event the Board intends to retain such Director as Independent Director after the latter has served a cumulative term of nine (9) years, the Board must justify the decision and seek shareholders' approval at a general meeting.

4.4 Diverse Board and Senior Management Team

The members of the Board are professionals with calibre and entrepreneurs equipped with industry specific knowledge and experience. This wide spectrum of skills and experience provide the strength that is needed to lead the Company to meet its objectives. The Board is of the opinion that the directors, with their different background and specialisations, collectively bring with them the required expertise and experience to discharge the Board's duties and responsibilities.

In assessing suitability of candidates to the Board and Senior Management Team, consideration will be given based on core competencies, commitment, contribution and performance of the candidates to ensure that there is a range of professional knowledge, skills, experience and diversity (including gender diversity). Understanding of the Business, the Market and the Industry in which the Group operates and the accounting, finance and legal matter.

4.5 Gender Diversity

The Board has not set gender diversity target as of the reporting period. The Board is of the view that the appointment of Board member or management should be determined based on objective criteria, merit and with due regard for diversity in skills, experience and other qualities regardless of gender but will nevertheless consider appointing more directors of the female gender where suitable to be in line with the MCCG's target.

As of the date of this Statement, one (1) out of eight (8) of the Board members is a female director, which meets with the MCCG's recommendation.

On 6 March 2020, Ms Goh Siow Cheng was appointed as the Group Chief Financial Officer/Finance Director of Bioalpha. Her appointment marked Bioalpha's initiative to introduce female representation on Board.

CORPORATE GOVERNANCE OVERVIEW STATEMENTS

CONT'D

PRINCIPLE A - BOARD LEADERSHIP AND EFFECTIVENESS (CONT'D)

Part II - Board Composition (Cont'd)

4. Board's objectivity (Cont'd)

4.6 Appointment of Directors

The appointment of new Directors is the responsibility of the full Board after considering the recommendations of the NC. As a whole, the Company maintains an adequate number of Board members. The Board appoints its members through a formal and transparent selection process which is consistent with Constitution of the Company. This process has been reviewed, approved and adopted by the Board. New appointees will be considered and evaluated by the NC. The NC will then recommend the candidates to be approved and appointed by the Board. The Company Secretaries will ensure that all appointments are properly met.

Generally, the Board adopts a flexible approach when selecting and appointing new directors depending upon the circumstances and timing of the appointment. The NC will help assesses and recommends to the Board, the candidature of directors, appointment of directors to board committees, review of Board's succession plans and training programmes for the Board.

In identifying of suitable new candidates, the NC will not solely rely on recommendations from existing Board members, Management or Major Shareholders, but will consider of utilising independent sources.

During the financial year, there was no recruitment of new Director recommended by the Nomination Committee as it had reported that the Board's composition remained adequate. Save for, the recommendation on the appointment of Ms Goh Siow Cheng as Group Chief Financial Officer/Finance Director of Bioalpha on 6 March 2020 and Mr Kang Jimmi as Independent Non-Executive Director on 22 May 2020.

4.7 Nomination Committee

The Company has established the NC comprising exclusively of Non-Executive Directors, with the responsibilities of assessing the balance composition of Board members, nominate the proposed Board member by looking into his skills and expertise for contribution to the Company on an ongoing basis. The appointment of new Directors is the responsibility of the full Board after considering the recommendations of the NC. The NC is aware of their duties and responsibilities.

As a whole, the Company maintains an adequate number of Board members. The present members of the NC as follows:

Chairman: Tan Sri Dato' Dr. Syed Jalaludin Bin Syed Salim
(Independent Non-Executive Director)
(Re-designated from member of NC to Chairman of NC on 22 May 2020)

Members: Mr Kang Jimmi *(Independent Non-Executive Director)*
(Appointed on 22 May 2020)
Encik Mohd Nasir Bin Abdullah *(Independent Non-Executive Director)*
(Appointed on 22 May 2020)

Past members:

Chairman: Dr Nik Ismail Bin Nik Daud *(Independent Non-Executive Director)*
(Resigned on 30 April 2020)

Member: Dato' Rosely Bin Samsuri *(Independent Non-Executive Director)*
(Resigned on 30 April 2020)

The Terms of Reference of the NC can be viewed on the Company's website at www.bioa.com.my.

CORPORATE GOVERNANCE OVERVIEW STATEMENTS

CONT'D

PRINCIPLE A - BOARD LEADERSHIP AND EFFECTIVENESS (CONT'D)

Part II - Board Composition (Cont'd)

4. Board's objectivity (Cont'd)

4.7 Nomination Committee

The summary of activities undertaken by the NC during the financial year included the following:

- i) Reviewed the effectiveness of the Board, as a whole, Board Committees and individual Directors and make appropriate recommendation to the Board;
- ii) Reviewed and recommended the retirement and re-election of Directors at the forthcoming Annual General Meeting in accordance with the Company's Constitution;
- iii) Reviewed the background and experienced of proposed new directors and make appropriate recommendation to the Board.

5. Overall Board Effectiveness

5.1 Annual evaluation

The NC would conduct an assessment of the performance of the Board, as a whole, Board Committees and individual Directors, based on a self-assessment approach on an annual basis. From the results of the assessment, including the mix of skills and experience possessed by Directors, the Board will consider and approve the recommendations on the re-election and re-appointment of Directors at the Company's forthcoming Annual General Meeting, with a view to meeting current and future requirements of the Group.

The criteria used by the NC in evaluating the performance of individual, including contribution to interaction, integrity, competency and time commitment of the members of the Board and Board Committees in discharging their duties, are in a set of questionnaires. Each of the Directors will perform a self-assessment on an annual basis. The Board did not engage any external party to undertake an independent assessment of the Directors.

Based on the assessment conducted for the financial year 2019, the Board and the NC are satisfied with the current size, composition as well as the mix of qualifications, skills and experience among the Board members and the independence of its Independent Non-Executive Directors.

The Board also assesses the independence of the Independent Directors annually, taking into account the individual Director's ability to exercise its independent judgment at all times and to contribute to the effective functioning of the Board.

Based on the assessment carried out during the financial year ended 31 December 2019, the Board is satisfied with the level of independence demonstrated by all the Independent Directors and their ability to act in the best interests of the Company during the financial year under review, and that each of them continues to fulfill the definition of independence as set out in the AMLR.

Part II - Board Composition (Cont'd)

5. Overall Board Effectiveness (Cont'd)

5.1 Annual evaluation (Cont'd)

5.1.1 Time Commitment and Directorship in Other Public Listed Companies

Under the Board Charter, the directorships in other public listed companies in Malaysia held by any Board members at any one time shall not exceed any number as may be prescribed by the relevant authorities. In addition, at the time of appointment, the Board shall obtain the Director's commitment to devote sufficient time to carry out his responsibilities. Directors are required to notify the Chairman before accepting any new directorship(s). The notification would include an indication of time that will be spent on the new appointment(s). Any Director is, while holding office, at liberty to accept other Board appointment in other companies so long as the appointment is not in conflict with the Company's business and does not affect the discharge of his/ her duty as a Director of the Company. To ensure that the Directors have time to focus and fulfill their roles and responsibilities effectively, one (1) criterion as agreed by the Board is that they must not hold directorships at more than five (5) public listed companies as prescribed in Rule 15.06 of the AMLR of Bursa Securities.

Each Board member is required to achieve at least 50% attendance of total Board Meetings in any applicable financial year with appropriate leave of absence be notified to the Chairman and/ or Company Secretaries, where applicable.

The Directors have demonstrated their ability to devote sufficient time and commitment to their roles and responsibilities as Directors of the Company. This is evidenced by the attendance record of the Directors as set out in the section below.

During the financial year under review, there were six (6) Board Meetings were held and the attendance record of the current Board members is reflected as follows:-

Name of Directors	Attendance
Tan Sri Abdul Rahman Bin Mamat	6/6
Hon Tian Kok @ William	6/6
Ho Tze Hiung	6/6
Dato' Norhalim Bin Yunus	6/6
Tan Sri Dato' Dr. Syed Jalaludin Bin Syed Salim	6/6

In addition to the above, the Directors would be updated on recent developments in the areas of statutory and regulatory requirements from the briefing by the External Auditors, the Internal Auditors and the Company Secretaries during the Committee and/or Board meetings.

CORPORATE GOVERNANCE OVERVIEW STATEMENTS

CONT'D

PRINCIPLE A - BOARD LEADERSHIP AND EFFECTIVENESS (CONT'D)

Part III - Remuneration

The Board acknowledges the level and composition of remuneration of directors and senior management take into account the Company's desire to attract and retain the right talent in the Board and senior management to drive the Company's long-term objectives. In order to achieve the aim, the Board has established Remuneration Committee and developed the remuneration policy to assist the Board in discharging its duties and responsibilities in the matters relating to the remuneration of the Board and senior management.

6. Level and Composition of Remuneration

6.1 Remuneration Policies and Procedures

The Board believes the remuneration policy fairly supports the Directors' responsibilities and fiduciary duties in steering the Group to achieve its long-term goals and enhance shareholders' value. The Board offers a competitive remuneration package in order to attract, develop and retain talented individuals to serve as directors.

The determination of the remuneration for Non-Executive Directors is a matter of the Board as a whole. The level of remuneration for Non-Executive Directors reflects the amount paid by other comparable organisations, adjusted based on the experience and levels of responsibilities undertaken by the particular Non-Executive Director concerned. The remuneration package of Non-Executive Directors will be a matter to be deliberated by the Board, with the Director concerned abstaining from deliberations and voting on deliberations in respect of his individual remuneration. In addition, the Company also reimburses reasonable out-of-pocket expenses incurred by all the Non-Executive Directors in the course of their duties as Directors of the Company. The aggregate annual Directors' fees and other benefits payable are to be approved by shareholders at the Annual General Meeting based on the recommendations by the Board.

6.2 RC

The RC comprises of a majority of Independent Non-Executive Directors in order to assist the Board in determining Directors' remuneration. The present members of the RC are as follow: -

Chairman:	Tan Sri Dato' Dr. Syed Jalaludin Bin Syed Salim <i>(Independent Non-Executive Director)</i>
Members:	Dato' Norhalim Bin Yunus <i>(Non-Independent Non-Executive Director)</i> Kang Jimmi <i>(Appointed on 22 May 2020)</i> <i>(Independent Non-Executive Director)</i>
Past member:	Dr. Nik Ismail Bin Nik Daud <i>(Resigned on 30 April 2020)</i> <i>(Independent Non-Executive Director)</i>

The RC's principal objective is to evaluate, deliberate and recommend to the Board a remuneration policy for Executive Directors that is fairly guided by market norms and industry practice. The RC also recommends the Executive Directors' remuneration and benefits based on their individual performances and that of the Group.

The Terms of Reference of the RC can be viewed at the Company's website at www.bioa.com.my.

CORPORATE GOVERNANCE OVERVIEW STATEMENTS

CONT'D

PRINCIPLE A - BOARD LEADERSHIP AND EFFECTIVENESS (CONT'D)

Part III - Remuneration (Cont'd)

7. Remuneration of Directors and Senior Management

7.1 Details of Directors' Remuneration

The details of Director's remuneration are set out below:

Directors	Fees (RM)	Salaries and * other emoluments (RM)	Total (RM)
Executive Directors	–	654,289	654,289
Non-executive Directors	268,180	54,070	322,250

* Other emoluments include the meeting allowance for the Directors' attendance in Board and Board's Committee Meetings.

The breakdown of the detailed Directors' fees and other benefits paid during the financial year is disclosed in the Corporate Governance Report which is accessible to the public for reference at the Company's website at www.bioa.com.my.

PRINCIPLE B - EFFECTIVE AUDIT AND RISK MANAGEMENT

Part I – AC

8. Effective and Independent AC

8.1 Chairman of AC

Mohd Nasir Bin Abdullah, who is an Independent Non-Executive Director, is the Chairman of the AC. He is a member of Malaysian Institute of Accountants. The Chairman of AC complied with Practice 8.1 of the MCGG which stipulates that the Chairman of the AC is not the Chairman of the Board as Mohd Nasir Bin Abdullah is not the Chairman of the Board.

8.2 Former Key Audit Partner

None of the Board member is the former key audit partner of the External Auditors, Messrs UHY and the Directors do not foresee any new appointment of former key audit partner to the Board. However, the Board will observe the cooling-off period before appointing the former key audit partner, if any.

8.3 Assessment of Suitability and Independence of External Auditors

The Company has established a transparent arrangement with the External Auditors to meet their professional requirements. From time to time, the External Auditors highlight to the AC and Board of Directors on matters that require the Board's attention.

CORPORATE GOVERNANCE OVERVIEW STATEMENTS

CONT'D

PRINCIPLE B - EFFECTIVE AUDIT AND RISK MANAGEMENT (CONT'D)

Part I – AC (Cont'd)

8. Effective and Independent AC (Cont'd)

8.3 Assessment of Suitability and Independence of External Auditors (Cont'd)

The AC is responsible for reviewing the audit, recurring audit-related and non-audit services provided by the External Auditors. The AC has explicitly accorded the power to communicate directly with both the External Auditors and Internal Auditors. The terms of engagement for services provided by the External Auditors are reviewed by the AC prior to submission to the Board for approval. The effectiveness and performance of the External Auditors are reviewed annually by the AC.

In assessing or determining the suitability and independence of the External Auditors, the AC has taken into consideration of the following:

- i) the adequacy of the experience and resources of the External Auditors;
- ii) the External Auditor's ability to meet deadlines in providing services and responding to issues in a timely manner as contemplated in the external audit plan;
- iii) the nature of the non-audit services provided by the External Auditors and fees paid for such services relative to the audit fee; and
- iv) whether there are safeguards in place to ensure that there is no threat to the objectivity and independence of the audit arising from the provision of non-audit services or tenure of the External Auditors.

Every year, the AC will meet with the External Auditors without the presence of Executive Director and members of management to ensure that the independence and objectivity of the External Auditors are not compromised and matters of concerns expressed by the AC are duly recorded by the Company Secretaries.

The AC is satisfied with the competence and independence of the External Auditors for the financial year under review. Having regard to the outcome of the annual assessment of the External Auditors, the Board approved the AC's recommendation for the shareholders' approval to be sought at the AGM on the re-appointment of Messrs UHY as the External Auditors of the Company for the financial year ending 31 December 2020.

8.4 Composition of the AC

The AC comprises three (3) Non-Executive Directors and three (3) of the AC members are Independent Directors. This composition complied with the requirement of Rule 15.09(1)(a) and (b) of the AMLR.

The composition, terms of reference and summary of activities of the Audit Committee are set out in the Audit Committee Report.

8.5 Profile of AC Members

The profiles of AC members are in pages 13 to 15 of this Annual Report.

CORPORATE GOVERNANCE OVERVIEW STATEMENTS

CONT'D

PRINCIPLE B - EFFECTIVE AUDIT AND RISK MANAGEMENT (CONT'D)

Part II – Risk Management and Internal Control Framework

9. Effective Risk Management and Internal Control Framework

The Board is entrusted with the overall responsibility of continually maintaining a sound system of internal control, which covers not only financial controls but also operational and compliance controls as well as risk management, and the need to review its effectiveness regularly in order to safeguard shareholders' investments and the Company's assets. The internal control system is designed to access current and emerging risks, respond appropriate to risks of the Group.

As an effort to enhance the system of internal control, the Board together with the assistance of external professional Internal Audit firm adopted on-going monitoring and review to the existing risk management process in place within the various business operations, with the aim of formalising the risk management functions across the Group. This function also acts as a source to assist the AC and the Board to strengthen and improve current management and operating style in pursuit of best practices.

As an ongoing process, significant business risks faced by the Group are identified and evaluated and consideration is given on the potential impact of achieving the business objectives. This includes examining principal business risks in critical areas, assessing the likelihood of material exposures and identifying the measures taken to mitigate, avoid or eliminate these risks.

The details of the Group's risk management and internal control framework is elaborated in page 58 to 60 of the Statement on Risk Management and Internal Control of this Annual Report, which has been reviewed by the External Auditors.

9.1 RMC

The Board has set up a RMC with effect from 20 April 2018 and the members of the RMC are as follow: -

Chairman: Mr Kang Jimmi (*Appointed on 22 May 2020*)
(*Independent Non-Executive Director*)

Members: Encik Mohd Nasir Bin Abdullah
(*Independent Non-Executive Director*)
Ho Tze Hiung (*Executive Director*)

Past Chairman: Tan Sri Dato' Dr. Syed Jalaludin Bin Syed Salim (*Resigned on 22 May 2020*)
(*Independent Non-Executive Director*)

10. Internal Audit Function

The details of the Group's internal audit function is elaborated in page 62 to 63 on the AC Report of this Annual Report.

CORPORATE GOVERNANCE OVERVIEW STATEMENTS

CONT'D

PRINCIPLE C - INTEGRITY IN CORPORATE REPORTING AND MEANINGFUL RELATIONSHIP WITH STAKEHOLDERS

Part I – Communication with Stakeholders

There is continuous communication between the Company and stakeholders to facilitate mutual understanding of each other's objectives and expectations. Stakeholders are able to make informed decisions with respect to the business of the Company, its policies on governance, the environment and social responsibility.

11. Continuous Communication between Company and Stakeholders

The Board recognises the importance of keeping the shareholders informed and updated of development concerning the Group. In this regard, the Group strictly adheres to the disclosure requirements of Bursa Securities. The Group practices open communication with its investors.

In order to maintain its commitment of effective communication with shareholders, the Group embrace the practice of comprehensive, timely and continuing disclosures of information to its shareholders as well as the general investing public.

The Company's website at www.bioa.com.my incorporates an Investor Relations section which provides all relevant information on the Company accessible to the public. This section enhances the Investor Relations function by including all announcements made by the Company and its annual reports.

The quarterly financial results are announced via Bursa LINK after the Board's approval. This is important in ensuring equal and fair access to information by the investing public. Shareholders and investors may also forward their queries to the Company via email to investorrelations@bioa.com.my.

In addition to the dissemination of information to shareholders and other interested parties via announcements to Bursa Securities, its website, circulars and press releases, the Board is of the view that the annual and any extraordinary general meetings as ideal opportunities to communicate with shareholders.

Part II – Conduct of General Meetings

General meetings serve as important and effective platforms for directors and the senior management to communicate with the shareholders. Shareholders are able to participate, engage the Board and senior management effectively and make informed voting decisions at general meetings.

12. Shareholder Participation at General Meetings

General meeting serves as a principal platform for the Board and Senior Management to engage with shareholders and encourage effective shareholders' communication on the Company's performance, corporate and business developments and any other matters affecting shareholder interests.

The Company Secretaries, by order of the Board, served a notice of Annual General Meeting ("AGM") to all shareholders of the Company at least 21 clear days prior to its forthcoming 9th AGM to provide the shareholders sufficient time to consider the proposed resolutions that will be discussed and decided at the 9th AGM. Notice of the 9th AGM clearly sets out details of the resolutions proposed accompanying with explanatory notes on the rationale of each resolution to enable the shareholders to make informed decision in exercising their voting rights.

CORPORATE GOVERNANCE OVERVIEW STATEMENTS

CONT'D

PRINCIPLE C - INTEGRITY IN CORPORATE REPORTING AND MEANINGFUL RELATIONSHIP WITH STAKEHOLDERS (CONT'D)

Part II – Conduct of General Meetings (Cont'd)

12. Shareholder Participation at General Meetings (Cont'd)

The Notice of an AGM also provides information to the shareholders with regard to, amongst others their entitlement to attend the AGM, the right to appoint a proxy and also the qualifications of a proxy.

In line with Rule 8.31A of the AMLR of Bursa Securities, the Company will ensure that any resolution set out in the notice of any general meeting, or in any notice of resolution which may properly be moved and is intended to be moved at any general meeting, is voted by poll. At the same time, the Company will appoint at least one (1) independent scrutineer to validate the votes cast at the general meeting.

13. Attendance of the Chair of the Board Committees at the AGM

The general meeting also serves as an avenue for the Chairman and the Board members to engage in a two-way communication with shareholders where the shareholders are encouraged to participate in the question-and-answer session with the Board personally and exercise their right to vote on the proposed resolutions.

The Board will ensure that all Board members, particularly the chairperson of each Board committee will make their endeavours to attend general meeting to facilitate engagement with shareholders and to address any relevant questions and concerns raised by the shareholders.

The external auditors will be present at the AGM to respond to any queries from shareholders on the audit conducted, the preparation and content of the auditors' report, the accounting policies adopted by the Company, and the independent audit review of the Company's financial position.

14. Voting

The Company's General Meeting is not held in a remote location. The Company has adopted manual polling for 2019 AGM in line with Rule 8.31A(1) of the AMLR of Bursa Securities. At the same time, the Company will appoint at least one (1) scrutineer to validate the votes cast at the general meeting.

As for voting in absentia and remote shareholders' participation, the existing proxy form authorizing proxies or Chairman of meeting is an alternative measure adopted by the Company. Shareholders are allowed to appoint any person(s) as their proxies to attend, participate, speak and vote in his/her stead at a general meeting.

COMPLIANCE STATEMENT

The Board is satisfied that to the best of its knowledge, the Company is substantially in compliance with the principles and practices set out in the MCCG as well as the relevant AMLR of Bursa Securities for the financial year ended 31 December 2019. Any practices in the MCCG which have not been implemented during the financial year will be reviewed by the Board and implemented where possible and relevant to the Group's business.

This Statement is made in accordance with the resolution of the Board dated 5 June 2020.

STATEMENT OF DIRECTORS' RESPONSIBILITY IN RELATION TO THE AUDITED FINANCIAL STATEMENTS

Directors are required by the Companies Act, 2016 to prepare the financial statements for each financial year which have been made out in accordance with the applicable approved accounting standard in Malaysia.

The Directors are responsible to ensure that the financial statements is given a true and fair view of the financial position of the Group and of the Company at the end of the financial year, and of the results and cash flows of the Group and of the Company for the financial year then ended.

In preparing the financial statements, the Directors have observed the following criteria:

- overseeing the overall conduct of the company's business and that of the group;
- identifying principal risks and ensuring that an appropriate system of internal control exists to manage these risks;
- reviewing the adequacy and integrity of internal controls system and management information system in the company and within the group;
- adopting suitable accounting policies and apply them consistently;
- making judgments and estimates that are reasonable and prudent; and
- ensuring that the financial statements were prepared on a going concern basis and in compliance with all applicable approved accounting standard in Malaysia subject to any material departures, if any, were disclosed.

The Directors are satisfied that in preparing the financial statements of the Group and the Company for the financial year ended 31 December 2019, appropriate accounting policies were used and applied consistently, and adopted to include new and revised Malaysian Financial Reporting Standards where applicable. The Directors are also of the view that relevant approved accounting standards have been followed in the preparation of these financial statements.

The Directors are also responsible for taking such reasonable steps to safeguard the assets of the Group and to minimize fraud and other irregularities.

This Statement was approved by the Board of Directors on 5 June 2020.

STATEMENT ON RISK MANAGEMENT AND INTERNAL CONTROL

A. INTRODUCTION

The Board of Directors (“Board”) of Bioalpha is pleased to make the following statement which outlines the key elements of the internal control system within the Group. The Risk Management and Internal Control Statement is made in compliance with Rule 15.26(b) of AMLR and Statement of Risk Management and Internal Control: Guidelines for Directors of listed Issuers (“Internal Control Guideline”).

B. BOARD RESPONSIBILITY

The Board affirms its overall responsibility for the Group’s system of internal control and risk management to maintain a sound system of internal control to safeguard shareholders’ investments and the Group’s assets and also for reviewing the adequacy and integrity of the system. Notwithstanding, due to the limitations that are inherent in any system of internal control, Group’s internal control system is designed to manage, rather than eliminate, the risk of not adhering to the Group’s policies, and achieving objectives within the risk tolerance established by the Board and Management. Therefore, the system provides reasonable, but not absolute assurance against the occurrence of any material misstatement, loss or fraud.

C. RISK MANAGEMENT

The Board recognises that risk management is an integral part of the Group’s business operations and that the identification and management of risks will affect the achievement of the Group’s business objectives. The Board is thus committed to continually promote the culture of risk awareness and builds the necessary knowledge in identifying, evaluating, mitigating, monitoring and managing the significant risks on an on-going basis. In discharging its responsibilities, the Board has taken into account the guidance of the MCCG.

The key risk management initiatives undertaken include among others:

- (i) The responsibilities of the Board and the Management are clearly defined in the organisational structure to ensure the effective discharge of the roles and responsibilities of the parties in overseeing the conduct of the Group’s business;
- (ii) Formation of operational policies and procedures by the Management with a view of establishing group wide operational standards in order for all operating units to work cohesively towards achieving the business objectives of the Group. For accounting systems and financial processes, efforts are being taken to ensure consistency in the Group as a whole;
- (iii) Frequent on-site visits to the operating units by senior management so as to acquire a first-hand view on various operational matters and addressing the issues accordingly;
- (iv) The Board gathers and reviews key financial and operating statistics on a monthly basis and constantly keep track and monitor the achievement of the Group’s performance;
- (v) Regular visit by internal auditors which provide independent assurance on the effectiveness of the Group’s system of internal control and advising the Management on the areas for further improvement;
- (vi) The Audit Committee (“AC”) reviews on a quarterly basis the quarterly unaudited financial results to monitor the Group’s progress towards achieving the Group’s business objectives. Authority is given to the AC members to investigate and report on any areas of improvement for the betterment of the Group; and
- (vii) Regular interactive meetings between the external and internal auditors to identify and rectify any weakness in the system of internal controls. The Board on a timely basis would be informed of any matters brought up in the AC meetings.

STATEMENT ON RISK MANAGEMENT AND INTERNAL CONTROL

CONT'D

D. SYSTEM OF INTERNAL CONTROLS

The Board acknowledges its overall responsibility for maintaining a sound system of internal controls that provides assurance of effective and efficient operations and compliance with laws and regulations and also its internal procedures and guidelines. The size and complexity of the operations may give rise to risks of unanticipated or unavoidable losses.

The Board outsources the internal audit function to an independent professional firm. The firm is appointed by AC and reports directly to the AC. Its role is to provide the AC with regular assurance on the continuity, integrity and effectiveness of the internal control system through regular monitoring and review of the internal control framework and management processes.

The system of internal controls is designed to provide reasonable but not absolute assurance against the risk of material errors, frauds or losses occurring. AC reviews the effectiveness of the system of internal controls, which covers financial, operational and compliance controls, and also risk management.

The total cost incurred by the IA function is at RM52,000 for the financial year ended 31 December 2019.

E. ACCOUNTABILITY & AUDIT

The Board endeavours to present a balance and clear assessment of the Group's financial position and prospects through unaudited quarterly financial reporting via the Bursa Malaysia Securities Berhad, annual audited financial statements, the Chairman Statement and Management Review in the annual reports.

The AC reviews the quarterly financial statements and the annual financial statements before they are submitted to the Board for approval. A statement of the Directors' responsibilities for preparing the financial statements is set out on page 57 of this annual report.

F. OTHER KEY ELEMENTS OF INTERNAL CONTROL

The other key elements of the Group's System of internal control are:

a) Management Structure

The Group maintains a formal organisation structure with clear lines of accountability and responsibility. The daily running of the businesses is entrusted to the executive Directors and their Management teams. The heads of each operating subsidiary and department of the Group are empowered with the responsibility of managing their respective operations.

b) Strategic Business Plan and Annual Budget

The Board constructively challenges and contributes to the development of the Group's strategic directions and annually reviews the Group's strategic business plan. The Board probes Management to ensure Management has taken into consideration the varying opportunities and risks whilst developing the strategic business plan.

The Group's annual strategic business plan and budget is reviewed, deliberated and approved by the Board.

The expectations of the Board are clearly discussed with, and understood by, Management. The Board is also responsible for monitoring the implementation of the strategic business plan and for assessing the actual performance of the Group against the annual strategic business plan and budget as well as to provide guidance to the Management.

STATEMENT ON RISK MANAGEMENT AND INTERNAL CONTROL

CONT'D

F. OTHER KEY ELEMENTS OF INTERNAL CONTROL (CONT'D)

The other key elements of the Group's System of internal control are: (Cont'd)

c) Reporting and Review (Cont'd)

Periodic operational and financial reports are prepared and presented to the Board for discussion and review based on the established reporting hierarchy within the Group. Ad-hoc and scheduled meetings are held at operational and management levels to identify operational issues, discuss and review the business plans, budgets, financial and operational performances of the Group, and etc.

d) Quality Compliance

The Group's plant is certified as Good Manufacturing Practice ("GMP") compliance by the Ministry of Health, Malaysia, which affirms that the Group adopts the required standards in the manufacturing processes and facilities, i.e. production of health supplements. Moreover, the GMP and the products are Certified Halal by the Department of Islamic Development Malaysia.

e) Internal Policies and Procedures

Policy and procedures, handbook, guidelines and authority limits have been established to guide personnel on day-to-day operational activities.

f) Related Party Transactions

Related party transactions (if any) are disclosed, reviewed and monitored by the ARMC and presented to the Board on a periodical basis.

G. ADEQUACY AND EFFECTIVENESS OF THE GROUP'S RISK MANAGEMENT AND INTERNAL CONTROL

The Board has received assurance from the Managing Director/Chief Executive Officer and Group Chief Financial Officer/Finance Director of the Company that the Group's risk management and internal control system is operating adequately and effectively in all material aspects, based on the risk management and internal control system of the Group.

H. REVIEW OF THIS STATEMENT

Pursuant to Rule 15.23 of the AMLR, the external Auditors have reviewed this Risk Management and Internal Control Statement for inclusion in the Annual Report of the Group for the financial year ended 31 December 2019 and reported to the Board that nothing has come to their attention that causes them to believe that this statement is inconsistent with their understanding of the process adopted by the Board in reviewing the adequacy and integrity of the system of internal controls.

I. BOARD CONCLUSIONS

The Board is satisfied that, during the year under review, the existing system of internal controls and risk management is sound and adequate to safeguard the Group's assets at the existing level of operations of the Group. The Board recognizes that the development of internal control system is an ongoing process. Therefore, in striving for continuous improvement, the Board will continue to take appropriate action plans to further enhance the Group's system of internal control.

This statement is made in accordance with the resolution of the Board dated 5 June 2020.

AUDIT COMMITTEE REPORT

The AC was established with the primary objective of assisting the Board in the areas of corporate governance, system of internal control, risk management, and management and financial reporting practices of the Group.

SUMMARY ACTIVITIES OF THE AC DURING THE FINANCIAL YEAR

The activities of the AC during the financial year ended 31 December 2019 include the following:

- Reviewed the quarterly unaudited financial results of the Group and the Company including the announcements pertaining thereto, before recommending to the Board for their approval and release of the Group's results to Bursa Securities;
- Reviewed with External Auditors on their audit planning memorandum on the statutory audit of the Group for the financial year ended 31 December 2019;
- Reviewed the annual audited financial statements of the Group before recommending to the Board for their approval and release of the Group's results to Bursa Securities;
- Reviewed and discussed with the external auditors of their audit findings inclusive of system evaluation, audit fees, issues raised, audit recommendations and management's response to these recommendations;

AUDIT COMMITTEE REPORT

CONT'D

SUMMARY ACTIVITIES OF THE AC DURING THE FINANCIAL YEAR (CONT'D)

The activities of the AC during the financial year ended 31 December 2019 include the following: (Cont'd)

- e) Evaluated the performance of the External Auditors for the financial year ended 31 December 2019 covering areas such as calibre, quality processes, audit team, audit scope, audit communication, audit governance and independence and considered and recommended the re-appointment of the external auditors;
- f) Reviewed and assessed the adequacy of the scope and functions of the internal audit plan;
- g) Reviewed the internal audit reports presented and considered the findings of internal audit through the review of the internal audit reports tabled and management responses thereof;
- h) Reviewed the effectiveness of the Group's system of internal control;
- i) Reviewed the proposed fees for the external auditors and internal auditors in respect of their audit of the Company and the Group;
- j) Reviewed related party transactions and conflict of interest situation that may arise within the Company or the Group;
- k) Reviewed the Company's compliance with the AMLR, applicable Approved Accounting Standards and other relevant legal and regulatory requirements;
- l) Reviewed the Audit Committee Report and Statement on Risk Management and Internal Control before recommending to the Board for approval and inclusion in the Annual Report; and
- m) Report to the Board on its activities and significant findings and results.

INTERNAL AUDIT FUNCTIONS

The Group has appointed an established external professional Internal Audit firm, which reports to the Audit Committee and assists the Audit Committee in reviewing the effectiveness of the internal control systems whilst ensuring that there is an appropriate balance of controls and risks throughout the Group in achieving its business objectives.

Internal audit provides independent assessment on the effectiveness and efficiency of internal controls utilising a global audit methodology and tool to support the corporate governance framework and an efficient and effective risk management framework to provide assurance to the Audit Committee.

The Audit Committee approves the internal audit plan during the first Audit Committee meeting each year. Any subsequent changes to the internal audit plan will be approved by the Audit Committee. The scope of internal audit covers the audits of all units and operations, including subsidiaries as stated in the letter of engagement.

Presently, there are 10 internal auditors with relevant qualifications within the external internal audit firm. The head of the internal audit firm is led by Mr Jason Tee who has 14 years' experience and reports directly to the Audit Committee to ensure impartiality and independence. He being an external internal audit firm, all internal auditors are free from any relationships and conflict of interest with the Group which could impair their objectivity and independence, the internal audit firm carries out Conflict of Interest Declaration yearly to ensure their independence.

The internal auditors adopts International Professional Practices Framework for their audit works.

The cost incurred for the Internal Audit function during the financial year is approximately RM52,000.

AUDIT COMMITTEE REPORT CONT'D

Direct interests				
Hon Tian Kok @ William	7,241,988	–	–	7,241,988
Dato' Rosely Bin Samsuri	1,333	–	–	1,333

* Deemed interest pursuant to Section 8 of the Companies Act 2016 ("the Act") by virtue of his substantial shareholdings in WH Capital Sdn. Bhd.

By virtue of his interests in the shares of the Company, Hon Tian Kok @ William and Ho Tze Hiung are also deemed interested in the shares of all the subsidiary companies during the financial year to the extent the Company has an interest under Section 8 of the Companies Act 2016 in Malaysia.

None of the other Directors in office at the end of the financial year had any interest in shares in the Company or its related corporations during the financial year.

DIRECTORS' REPORT CONT'D

DIRECTORS' BENEFITS

Since the end of the previous financial year, no Director of the Company has received or become entitled to receive a benefit (other than a benefit included in the aggregate amount of remuneration received or due and receivable by Directors as shown in Note 32(c) to the financial statements) by reason of a contract made by the Company or a related corporation with the Director or with a firm of which the Director is a member, or with a company in which the Director has a substantial financial interest.

Neither during nor at the end of the financial year, was the Company a party to any arrangement whose object was to enable the Directors to acquire benefits by means of the acquisition of shares in, or debentures of, the Company or any other body corporate other than the share issuance scheme.

INDEMNITY AND INSURANCE COSTS

During the financial year, the total amount of indemnity coverage and insurance premium paid for the Directors and certain officers of the Company were RM1,000,000 and RM2,000 respectively. No indemnity was given to or insurance effected for auditors of the Company.

OTHER STATUTORY INFORMATION

- (a) Before the financial statements of the Group and of the Company were prepared, the Directors took reasonable steps:
- (i) to ascertain that action had been taken in relation to the writing off of bad debts and the making of allowance for doubtful debts and satisfied themselves that adequate allowance had been made for doubtful debts and there were no bad debts to be written off; and
 - (ii) to ensure that any current assets which were unlikely to be realised in the ordinary course of business including the values of the current assets as shown in the accounting records of the Group and of the Company has written down to an amount which the current assets might be expected so to realise.
- (b) At the date of this report, the Directors are not aware of any circumstances:
- (i) which would render it necessary to write off any bad debts or the amount of the allowance for doubtful debts in the financial statements of the Group and of the Company inadequate to any substantial extent; or
 - (ii) which would render the values attributed to current assets in the financial statements of the Group and of the Company misleading; or
 - (iii) not otherwise dealt with in this report or the financial statements of the Group and of the Company which would render any amount stated in the financial statements misleading; or
 - (iv) which have arisen which would render adherence to the existing method of valuation of assets or liabilities of the Group and of the Company misleading or inappropriate.
- (c) At the date of this report, there does not exist:
- (i) any charge on the assets of the Group and of the Company which has arisen since the end of the financial year which secures the liabilities of any other person; or
 - (ii) any contingent liability of the Group or of the Company which has arisen since the end of the financial year.

DIRECTORS' REPORT

CONT'D

OTHER STATUTORY INFORMATION (CONT'D)

(d) In the opinion of Directors:

- (i) no contingent liability or other liability has become enforceable or is likely to become enforceable within the period of twelve months after the end of the financial year which will or may affect the ability of the Group and of the Company to meet their obligations as and when they fall due;
- (ii) the result of the operations of the Group and of the Company during the financial year were not substantially affected by any item, transaction or event of a material and unusual nature; and
- (iii) there has not arisen in the interval between the end of the financial year and the date of this report any item, transaction or event of a material and unusual nature likely to affect substantially the results of the operations of the Group and of the Company for the financial year in which this report is made.

SUBSIDIARY COMPANIES

The details of the subsidiary companies are disclosed in Note 5 to the financial statements.

SUBSEQUENT EVENT

The details of the subsequent event is disclosed in Note 38 to the financial statements.

AUDITORS

The Auditors, Messrs. UHY, have expressed their willingness to continue in office.

The details of auditors' remuneration are set out in Note 26 to the financial statements.

Signed on behalf of the Board of Directors in accordance with a resolution of the Directors dated 19 May 2020.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF BIOALPHA HOLDINGS BERHAD

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Opinion

We have audited the financial statements of Bioalpha Holdings Berhad, which comprise the statements of financial position as at 31 December 2019 of the Group and of the Company, and the statements of profit and loss and other comprehensive income, statements of changes in equity and statements of cash flows of the Group and of the Company for the financial year then ended, and notes to the financial statements, including a summary of significant accounting policies, as set out on pages 78 to 165.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Group and of the Company as at 31 December 2019, and of their financial performance and their cash flows for the financial year then ended in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act 2016 in Malaysia.

Basis of Opinion

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence and Other Ethical Requirements

We are independent of the Group and of the Company in accordance with the *By-Laws (on Professional Ethics, Conduct and Practice)* of the Malaysian Institute of Accountants ("By Laws") and the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* ("IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and IESBA Code.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the Group and of the Company for the current year. These matters were addressed in the context of our audit of the financial statements of the Group and of the Company as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF BIOALPHA HOLDINGS BERHAD

CONT'D

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS (CONT'D)

Key Audit Matters (Cont'd)

Key audit matters	How we addressed the key audit matters
<p>1. Goodwill impairment review</p> <p>As at 31 December 2019, the carrying amount of goodwill on consolidation amounted to RM5,891,157 mainly arising from acquisition of Medicconstant Holding Sdn. Bhd.</p> <p>Goodwill were tested for impairment annually in accordance to MFRS 136 Impairment of Assets. This assessment requires management to make estimates concerning the estimated future cash flows and associated discount rates and growth rates based on management's view of future business prospects. Due to the inherent uncertainty involved in forecasting and discounting future cash flows, this is the key judgemental area that our audit was concentrated on.</p>	<p>Our procedures performed in relation to managements' impairment assessment and testing included the following:</p> <ul style="list-style-type: none"> - assessed the reliability of the cash flows forecasts and supporting evidence of the underlying assumptions, by checking to approved budgets and comparing to recent performance and prior years' forecasted results; - performed sensitivity analysis on the key inputs (including discount rates and long term growth rates) to the impairment model, to understand the impact that reasonably possible changes to key assumptions would have on the overall carrying value of the goodwill at the end of the reporting period; - checked the key assumptions used by management, in particular, revenue growth rate comparing to business plans, historical results and market data; - assessed the adequacy and reasonableness of the disclosures in the financial statements.

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS (CONT'D)

Key Audit Matters (Cont'd)

Key audit matters	How we addressed the key audit matters
<p>2. Assessment of carrying amount of development expenditure</p> <p>As at 31 December 2019, the carrying amount of development expenditure amounted to RM43,673,202.</p> <p>Recoverability of these assets is based on forecasting and discounting future cash flows, which are inherently judgmental.</p> <p>We focused on this area because of the significance of the costs capitalised and the fact that there is judgment involved in assessing whether the criteria, set out in MFRS 138 Intangible Assets, required for capitalisation of such costs have been met, including the likelihood of the project delivering sufficient future economic benefits. Where the costs incurred are internally generated, there is further judgment required in the calculation, such as the accuracy of amount of time spent on the projects.</p> <p>We also focused on whether there is objective evidence of the carrying value for development expenditures are impaired.</p>	<p>We discussed with management on their assessment as to whether development projects in-progress were still expected to deliver sufficient positive economic benefits upon their completion. For completed development projects, we considered whether the useful economic lives remained appropriate for those assets and to assess whether there is any impairment indication. Our procedures included the following:</p> <ul style="list-style-type: none"> - tested the amounts capitalised during the reporting period are in accordance with the requirements of MFRS 138 Intangible Assets; - assessed the reliability of the cash flows forecast and supporting evidence of the analysis assumptions, by checking to approved budgets and company to recent performance and prior years' forecasted result; - performed sensitivity analysis on the key inputs (including discount rates and long term growth rates) to the impairment model, to understand the impact that reasonably possible changes to key assumptions would have on the overall carrying value of the development expenditure at the end of the reporting period; and - checked the key assumptions used by management, in particular, revenue formula rate comparing to business plans, historical results and market data. - assessed the adequacy and reasonableness of the disclosures in the financial statements.

Key Audit Matters (Cont'd)

Key audit matters	How we addressed the key audit matters
<p>3. Impairment of trade receivables</p> <p>The Group has material credit exposures in its trade receivables. Given the nature of these assets, the assessment of impairment involves significant estimation uncertainty subjective assumptions and the application of significant judgement.</p>	<p>The focus of our work involved auditing the Group's credit analysis and associated impairment assessments of trade receivables that were either in default or significantly overdue at the financial year end. Our procedures performed in relation to managements' impairment assessment and testing included the following:</p> <ul style="list-style-type: none"> - obtained and evaluated the Group's credit risk policy, and tested the associated processes used by management to assess credit exposures, assign internal credit ratings, and report on these to the appropriate level of governance to ensure they worked as designed; - developed our understanding of significant credit exposures which were significantly overdue, deemed to be in default, or were on watch through review of credit reports produced by account department and analysis of aged receivables; - reviewed the adequacy of the impairment loss and enquired management regarding the recoverability of the selected receivables that are past due but not impaired, and review the customers' correspondence, settlement arrangement and obtained evidence of cash receipts where these has been recovered; and - assessed the adequacy and reasonableness of the disclosures in the financial statements.

Information Other than the Financial Statements and Auditors' Report Thereon

The Directors of the Company are responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements of the Group and of the Company and our auditors' report thereon.

Our opinion on the financial statements of the Group and of the Company does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements of the Group and of the Company, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements of the Group and of the Company or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatements of this other information, we are required to report that fact. We have nothing to report in this regard.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF BIOALPHA HOLDINGS BERHAD CONT'D

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS (CONT'D)

Responsibilities of the Directors for the Financial Statements

The Directors of the Company are responsible for the preparation of financial statements of the Group and of the Company that give a true and fair view in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act 2016 in Malaysia. The Directors are also responsible for such internal control as the Directors determine is necessary to enable the preparation of financial statements of the Group and of the Company that are free from material misstatements, whether due to fraud or error.

In preparing the financial statements of the Group and of the Company, the Directors are responsible for assessing the Group's and the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Group or the Company or to cease operations, or have no realistic alternative but to do so.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements of the Group and of the Company as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatements when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatements of the financial statements of the Group and of the Company, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatements resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's and the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.
- Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's or the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Group and of the Company or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group or the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements of the Group and of the Company, including the disclosures, and whether the financial statements of the Group and of the Company represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the financial statements of the Group. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF BIOALPHA HOLDINGS BERHAD

CONT'D

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS (CONT'D)

Auditors' Responsibilities for the Audit of the Financial Statements (Cont'd)

We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Directors with a statements that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Directors, we determine those matters that were of most significance in the audit of the financial statements of the Group and of the Company for the current financial year and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

In accordance with the requirements of the Companies Act 2016 in Malaysia, we report that the subsidiary companies of which we have not acted as auditors, are disclosed in Note 5 to the financial statements.

OTHER MATTERS

This report is made solely to the members of the Company, as a body, in accordance with Section 266 of the Companies Act 2016 in Malaysia and for no other purpose. We do not assume responsibility to any other person for the content of this report.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2019

1. CORPORATE INFORMATION

The Company is a public limited liability company, incorporated and domiciled in Malaysia and is listed on the ACE Market of the Bursa Malaysia Securities Berhad.

The registered office of the Company is located at Suite 10.02, Level 10, The Gardens South Tower, Mid Valley City, Lingkaran Syed Putra, 59200 Kuala Lumpur.

The principal place of business of the Company is located at No. 1, Jalan Perindustrian Suntrack, Hub Perindustrian Suntrack, Off Jalan P1A, Seksyen 13, Bandar Baru Bangi, 43000 Kajang, Selangor Darul Ehsan.

The principal activity of the Company is that of investment holding. The principal activities of the subsidiary companies are disclosed in Note 5 to the financial statements. There have been no significant changes in the nature of these activities during the financial year.

2. BASIS OF PREPARATION

(a) Statements of compliance

The financial statements of the Group and of the Company have been prepared in accordance with Malaysian Financial Reporting Standards ("MFRSs"), International Financial Reporting Standards and the requirements of the Companies Act 2016 in Malaysia.

The financial statements of the Group and of the Company have been prepared under the historical cost convention, unless otherwise indicated in the significant accounting policies below.

Adoption of new and amended standards

During the financial year, the Group and the Company have adopted the following new MFRSs, new interpretation and amendments to MFRSs issued by the Malaysian Accounting Standards Board ("MASB") that are mandatory for current financial year:

MFRS 16	Leases
IC Interpretation 23	Uncertainty over Income Tax Treatments
Amendments to MFRS 9	Prepayment Features with Negative Compensation
Amendments to MFRS 119	Plan Amendments, Curtailment or Settlement
Amendments to MFRS 128	Long-term interests in Associates and Joint Venture
Annual Improvements to MFRSs 2015 – 2017 Cycle:	Amendments to MFRS 3
	Amendments to MFRS 11
	Amendments to MFRS 112
	Amendments to MFRS 123

The adoption of the new MFRSs, new interpretations and amendments to MFRSs did not have any significant impact on the financial statements of the Group and of the Company, except for:

CONT'D

2. BASIS OF PREPARATION (CONT'D)

(a) Statements of compliance (Cont'd)

Adoption of new and amended standards (Cont'd)

MFRS 16 Leases

MFRS 16, which upon the effective date will supersede MFRS 117 *Leases*, IC Interpretation 4 *Determine whether an Arrangement contains a Lease*, IC Interpretation 115 *Operating Leases – Incentives* and IC Interpretation 127 *Evaluating the Substance of Transactions Involving the Legal Form of a Lease*.

As a result of the adoption of MFRS 16, the existing requirements for a lessee to distinguish between finance leases and operating leases under the MFRS 117 *Leases* are no longer required. MFRS 16 introduces a single lessee accounting model and requires a lessee to recognise assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. Specifically, under MFRS 16, a lessee is required to recognise a right-of-use (“ROU”) asset representing its right to use the underlying leased asset and a lease liability representing its obligation to make lease payments. Accordingly, a lessee should recognise depreciation of the ROU asset and interest on the lease liability, and also classifies cash repayments of the lease liability into a principal portion and an interest portion and presents them in the statements of cash flows.

The ROU asset and the lease liability are initially measured on a present value basis. The measurement includes non-cancellable lease payments and also includes payments to be made in optional periods if the lessee is reasonably certain to exercise an option to extend the lease, or not to exercise an option to terminate the lease. This accounting treatment is significantly different from the lessee accounting for leases that are classified as operating leases under the predecessor standard, MFRS 117.

In respect of the lessor accounting, MFRS 16 substantially carries forward the lessor accounting requirements in MFRS 117. Accordingly, a lessor continues to classify its leases as operating leases or finance leases, and to account for those two types of leases differently.

As permitted by the transitional provision of MFRS 16, the Group has elected to adopt a simplified transition approach where cumulative effects of initial application are recognised on 1 January 2019 as an adjustment to the opening balance of retained earnings.

For leases that were classified as finance lease under MFRS 117, the carrying amounts of the ROU asset and the lease liability at 1 January 2019 are determined to be the same as the carrying amount of the lease asset and lease liability under MFRS 117 immediately before that date.

The Group has also applied the following practical expedients when applying MFRS 16 to lease previously classified as operating lease under MFRS 117:

- Applied a single discount rate to portfolio of leases with reasonably similar characteristics.
- The Group does not apply the standard to leases which lease terms end within 12 months from 1 January 2019.
- No adjustments are made on transition for leases for which the underlying assets are of low value.
- The Group uses hindsight in determining lease terms for contracts that contain options for extension or termination.

As a result, the leasehold land and building under property, plant and equipment classification and prepaid lease payments (or land use rights) have been reclassified to ROU assets on 1 January 2019 for the Group.

Amendments to MFRS 101	1 January 2022
Amendments to MFRS 10 and MFRS 128	Deferred until further notice

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2019

CONT'D

2. BASIS OF PREPARATION (CONT'D)

(a) Statements of compliance (Cont'd)

Standards issued but not yet effective (Cont'd)

The Group and the Company plan to apply the abovementioned accounting standards, interpretations and amendments from the annual period beginning on 1 January 2020 for those accounting standards and amendments that are effective for annual periods beginning on or after 1 January 2020.

The Group and the Company do not plan to apply MFRS 17 Insurance Contracts that is effective for annual periods beginning or after 1 January 2021 as it is not applicable to the Group and to the Company.

The initial application of the accounting standards or amendments are not expected to have any material financial impacts to the current period and prior period financial statements of the Group and of the Company.

(b) Functional and presentation currency

These financial statements are presented in Ringgit Malaysia ("RM"), which is the Company's functional currency. All financial information is presented in RM and has been rounded to the nearest RM, unless otherwise stated.

(c) Significant accounting judgements, estimates and assumptions

The preparation of the Group's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities at the reporting date. However, uncertainty about these assumptions and estimates could result in outcomes that could require a material adjustment to the carrying amount of the asset or liability affected in the future.

Judgements

The following are the judgements made by management in the process of applying the Group's accounting policies that have the most significant effect on the amounts recognised in the financial statements:

Determining the lease term of contracts with renewal and termination options – Group as lessee

The Group determines the lease term as the non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised.

The Group has several lease contracts that include extension and termination options. The Group applies judgement in evaluating whether it is reasonably certain whether or not to exercise the option to renew or terminate the lease. That is, it considers all relevant factors that create an economic incentive for it to exercise either the renewal or termination. After the commencement date, the Group reassesses the lease term if there is a significant event or change in circumstances that is within its control and affects its ability to exercise or not to exercise the option to renew or to terminate (e.g., construction of significant leasehold improvements or significant customisation to the leased asset).

The Group includes the renewal period as part of the lease term for leases of land and building with non-cancellable period included as part of the lease term as these are reasonably certain to be exercised because there will be a significant negative effect on operation if a replacement asset is not readily available. Furthermore, the periods covered by termination options are included as part of the lease term only when they are reasonably certain not to be exercised.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2019

CONT'D

2. BASIS OF PREPARATION (CONT'D)

(c) Significant accounting judgements, estimates and assumptions (Cont'd)

Key sources of estimation uncertainty

The key assumptions concerning the future and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period are set out below:

Useful lives/amortisation of property, plant and equipment and right-of-use ("ROU") assets

The Group regularly reviews the estimated useful lives of property, plant and equipment and ROU assets based on factors such as business plan and strategies, expected level of usage and future technological developments. Future results of operations could be materially affected by changes in these estimates brought about by changes in the factors mentioned above. A reduction in the estimated useful lives of property, plant and equipment and ROU assets would increase the recorded depreciation/amortisation and decrease the value of property, plant and equipment and ROU assets. The carrying amount at the reporting date for property, plant and equipment and ROU assets are disclosed in Notes 4 and 6 respectively to the financial statements.

Development expenditure

The Group capitalises development expenditure for a project in accordance with the accounting policy. Initial capitalisation of development costs is based on management's judgement that technological and economic feasibility is confirmed, usually when a product development project has reached a defined milestone according to an established project management model. In determining the amounts to be capitalised, management makes assumptions regarding the expected future cash generations of the project, discount rates to be applied and the expected period of benefits. The carrying amount at the reporting date for development expenditure is disclosed in Note 8 to the financial statements.

Recoverability of development expenditure

During the financial year, the Directors considered the recoverability of the Group's development cost arising from its on-going development of 2 high-value herbal products for diabetes and hormone replacement therapy, and the products development for the formulation of health supplement products. The Group had completed the required pre-clinical studies and is currently in the midst of preparing the required submission documents to the National Pharmaceutical Regulatory Agency to obtain for the commencement of phase 1 clinical studied on the botanical drugs.

The project continues to progress in a satisfactory manner, and customer reaction has reconfirmed the Directors' previous estimates of anticipated revenues from the project. However, increased competitor activity has caused the Directors to reconsider their assumptions regarding future market share and anticipated margins of this product. Detailed sensitivity analysis has been carried out and the Directors are confident that the carrying amount of the asset will be recovered in full, even if returns are reduced. This situation will be closely monitored, and adjustments made in future periods, if market activity indicates that such adjustments are appropriate. The carrying amount at the reporting date for development costs is disclosed in Note 8 to the financial statements.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2019

CONT'D

2. BASIS OF PREPARATION (CONT'D)

(c) Significant accounting judgements, estimates and assumptions (Cont'd)

Key sources of estimation uncertainty (Cont'd)

Inventories valuation

Inventories are measured at the lower of cost and net realisable value. The Group estimates the net realisable value of inventories based on an assessment of expected sales prices. Demand levels and pricing competition could change from time to time. If such factors result in an adverse effect on the Group's products, the Group might be required to reduce the value of its inventories. Details of inventories are disclosed in Note 10 to the financial statements.

Determination of transaction prices

The Group is required to determine the transaction price in respect of each of its contracts with customers. In making such judgment the Group assesses the impact of any variable consideration in the contract, due to discounts, the existence of any significant financing component and any non-cash consideration in the contract.

There is no estimation required in determining the transaction price, as revenue from sale of goods are based on invoiced values. Discounts are not considered as they are only given in rare circumstances and are never material.

Provision for expected credit loss of financial assets at amortised cost

The Group reviews the recoverability of its receivables at each reporting date to assess whether an impairment loss should be recognised. The impairment provisions for receivables are based on assumptions about risk of default and expected loss rates. The Group uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Group's past history, existing market conditions at the end of each reporting period.

The Group uses a provision matrix to calculate expected credit loss for receivables. The provision rates are based on number of days past due.

The provision matrix is initially based on the Group's historical observed default rates. The Group will calibrate the matrix to adjust the historical credit loss experience. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed, if any.

The assessment of the correlation between historical observed default rates, forecast economic conditions and expected credit loss is a significant estimate. Information about the expected credit loss is disclosed in Note 34 to the financial statements.

Discount rate used in leases

Where the interest rate implicit in the lease cannot be readily determined, the Group uses the incremental borrowing rate to measure the lease liabilities. The incremental borrowing rate is the interest rate that the Group would have to pay to borrow over a similar term, the funds necessary to obtain an asset of a similar value to the right-of-use asset in a similar economic environment. Therefore, the incremental borrowing rate requires estimation, particularly when no observable rates are available or when they need to be adjusted to reflect the terms and conditions of the lease. The Group estimates the incremental borrowing rate using observable inputs when available and is required to make certain entity-specific estimates.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2019

CONT'D

2. BASIS OF PREPARATION (CONT'D)

(c) Significant accounting judgements, estimates and assumptions (Cont'd)

Key sources of estimation uncertainty (Cont'd)

Income taxes

Judgement is involved in determining the provision for income taxes. There are certain transactions and computations for which the ultimate tax determination is uncertain during the ordinary course of business.

The Group and the Company recognises liabilities for tax based on estimates of whether additional taxes will be due. Where the final tax outcome of these matters is different from the amounts that were initially recognised, such differences will impact the income tax and deferred tax provisions in the period in which such determination is made. As at 31 December 2019, the Group and the Company have tax recoverable of RM351,825 (2018: RM463,429) and RM99,000 (2018: 99,000) respectively, and tax payable of RM380,815 (2018: RM123,181) and RMNil (2018: RMNil) respectively.

3. SIGNIFICANT ACCOUNTING POLICIES

The Group and the Company apply the significant accounting policies set out below, consistently throughout all periods presented in the financial statements unless otherwise stated.

(a) Basis of consolidation

(i) Subsidiary companies

Subsidiary companies are all entities (including structured entities) over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. Subsidiary companies are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases.

Subsidiary companies are consolidated using the acquisition method of accounting except for the business combination with Bioalpha International Sdn. Bhd. and its subsidiary companies, namely Bioalpha Agro Sdn. Bhd. and Bioalpha East Coast Agro Sdn. Bhd., which was accounted for under the merger method of accounting as the business combination of these subsidiary companies involved an entity under common control.

Under the merger method of accounting, the results of subsidiary companies are presented as if the merger had been effected throughout the current and previous years. The assets and liabilities combined are accounted for based on the carrying amounts from the perspective of the common control shareholder at the date of transfer. On consolidation, the cost of the merger is cancelled with the values of the shares received. Any resulting credit differences is classified as equity and regarded as a non-distributable reserve. Any resulting debit difference is adjusted against any suitable reserve. Any reserves which are attributable to share capital of the merged entities, to the extent that they have not been capitalised by a debit difference, are reclassified and presented as movement in other capital reserves.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2019

CONT'D

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(a) Basis of consolidation (Cont'd)

(i) Subsidiary companies (Cont'd)

Under the acquisition method of accounting, subsidiary companies are fully consolidated from the date on which control is transferred to the Group and de-consolidated from the date that control ceased. The consideration transferred for the acquisition of a subsidiary company is the fair values of the assets transferred, the liabilities incurred to the former owners of the acquiree and the equity interests issued by the Group. The consideration transferred includes the fair value of any asset or liability resulting from a contingent consideration arrangement. Identifiable assets acquired and liabilities and contingent liabilities assumed in business combination are measured initially at their fair values at the acquisition date. The Group recognises any non-controlling interest in the acquiree on an acquisition-by-acquisition basis, either at fair value or at the non-controlling interest's proportionate share of the recognised amounts of acquiree's identifiable net assets.

Acquisition-related costs are expensed in profit or loss as incurred.

If the business combination is achieved in stages, the acquirer's previously held equity interest in the acquiree is re-measured at its acquisition date fair value and the resulting gain or loss is recognised in profit or loss.

If the initial accounting for a business combination is incomplete by the end of the reporting period in which the combinations occurs, the Group reports provisional amounts for the items for which the accounting is incomplete. Those provisional amounts are adjusted during the measurement period (which cannot exceed one year from the acquisition date), or additional assets or liabilities are recognised, to reflect new information obtained about facts and circumstances that existed at the acquisition date, if known, would have affected the amounts recognised at that date.

Any contingent consideration to be transferred by the Group is recognised at fair value at the acquisition date. Contingent consideration classified as an asset or liability that is a financial instruments and within the scope of MFRS 9 Financial Instruments, is measured at fair value with the changes in fair value recognised in profit or loss. Contingent consideration that is classified as equity is not re-measured, and its subsequent settlement is accounted for within equity.

Inter-company transactions, balances and unrealised gains or losses on transactions between Group companies are eliminated. Unrealised losses are eliminated only if there is no indication of impairment. Where necessary, accounting policies of subsidiary companies have been changed to ensure consistency with the policies adopted by the Group.

In the Company's separate financial statements, investments in subsidiary companies are stated at cost less accumulated impairment losses. On disposal of such investments, the difference between net disposal proceeds and their carrying amounts are recognised in profit or loss. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. See accounting policy Note 3(m)(i) to the financial statements on impairment of non-financial assets.

(ii) Changes in ownership interests in subsidiary companies without change of control

Transactions with non-controlling interests that do not result in loss of control are accounted for as equity transactions - that is, as transactions with the owners in their capacity as owners. The difference between fair value of any consideration paid and the relevant share acquired of the carrying value of net assets of the subsidiary company is recorded in equity. Gains or losses on disposals to non-controlling interests are also recorded in equity.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2019

CONT'D

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(a) Basis of consolidation (Cont'd)

(iii) Disposal of subsidiary companies

If the Group loses control of a subsidiary company, the assets and liabilities of the subsidiary company, including any goodwill, and non-controlling interests are derecognised at their carrying value on the date that control is lost. Any remaining investment in the entity is recognised at fair value. The difference between the fair value of consideration received and the amounts derecognised and the remaining fair value of the investment is recognised as a gain or loss on disposal in profit or loss. Any amounts previously recognised in other comprehensive income in respect of that entity are accounted for as if the Group had directly disposed of the related assets or liabilities.

(iv) Goodwill on consolidation

The excess of the aggregate of the consideration transferred, the amount of any non-controlling interest in the acquiree and the acquisition date fair value of any previous equity interest in the acquiree over the fair value of the identifiable net assets acquired is recorded as goodwill. If the total consideration transferred, non-controlling interest recognised and previously held interest measured at fair value is less than the fair value of the net assets of the subsidiary company acquired (ie. a bargain purchase), the gain is recognised in profit or loss.

Following the initial recognition, goodwill is measured at cost less accumulated impairment losses. Goodwill is not amortised but instead, it is reviewed for impairment annually or more frequent when there is objective evidence that the carrying value may be impaired. See accounting policy Note 3(m)(i) to the financial statements on impairment of non-financial assets.

(b) Foreign currency translation

(i) Foreign currency transactions and balances

Transactions in foreign currency are recorded in the functional currency of the respective Group entities using the exchange rates prevailing at the dates of the transactions. At each reporting date, monetary items denominated in foreign currencies are retranslated at the rates prevailing on that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences arising on the settlement of monetary items or on translating monetary items at the reporting date are included in profit or loss except for exchange differences arising on monetary items that form part of the Group's net investment in foreign operation. These are initially taken directly to the foreign currency translation reserve within equity until the disposal of the foreign operations, at which time they are recognised in profit or loss. Exchange differences arising on monetary items that form part of the Company's net investment in foreign operation are recognised in profit or loss in the Company's financial statements or the individual financial statements of the foreign operation, as appropriate.

Exchange differences arising on the translation of non-monetary items carried at fair value are included in profit or loss for the reporting period except for the differences arising on the translation of non-monetary items in respect of which gains and losses are recognised in other comprehensive income. Exchange differences arising from such non-monetary items are also recognised in other comprehensive income.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2019

CONT'D

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(b) Foreign currency translation (Cont'd)

(ii) Foreign operations

The assets and liabilities of foreign operations denominated in functional currencies other than RM, including goodwill and fair value adjustments arising on acquisition, are translated to RM at the rate of exchange prevailing at the reporting date, except for goodwill and fair value adjustments arising from business combinations before 1 January 2012 (the date of transition to MFRS) which are treated as assets and liabilities of the Company. The income and expenses of foreign operations, excluding foreign operations in hyperinflationary economies, are translated to RM at exchange rates at the dates of the transactions.

Foreign currency differences are recognised in other comprehensive income and accumulated in the foreign currency translation reserve ("FCTR") in equity. However, if the operation is a non-wholly owned subsidiary company, then the relevant proportionate share of the translation difference is allocated to the non-controlling interests. When a foreign operation is disposed off such that control, significant influence or joint control is lost, the cumulative amount in the FCTR related that foreign operations reclassified to profit or loss as part of the gain or loss on disposal.

When the Group disposes of only part of its interest in a subsidiary company that includes a foreign operation, the relevant proportion of the cumulative amount is reattributed to non-controlling interests.

(c) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses. The policy of recognition and measurement of impairment losses is in accordance with Note 3(m)(i) to the financial statements.

(i) Recognition and measurement

Cost includes expenditures that are directly attributable to the acquisition of the assets and any other costs directly attributable to bringing the asset to working condition for its intended use, cost of replacing component parts of the assets, and the present value of the expected cost for the decommissioning of the assets after their use. The cost of self-constructed assets also includes the cost of materials and direct labour. For qualifying assets, borrowing costs are capitalised in accordance with the accounting policy on borrowing costs. All other repair and maintenance costs are recognised in profit or loss as incurred.

The cost of property, plant and equipment recognised as a result of a business combination is based on fair value at acquisition date. The fair value of property is the estimated amount for which a property could be exchanged on the date of valuation between a willing buyer and a willing seller in an arm's length transaction after proper marketing wherein the parties had each acted knowledgeably, prudently and without compulsion. The fair value of other items of plant and equipment is based on the quoted market prices for similar items.

When significant parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Property, plant and equipment are derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Gains or losses arising on the disposal of property, plant and equipment are determined as the difference between the disposal proceeds and the carrying amount of the assets and are recognised in profit or loss.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2019

CONT'D

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(c) Property, plant and equipment (Cont'd)

(i) Recognition and measurement (Cont'd)

Bearer plants are defined as living plants that are used in the production or supply of agriculture produce and for which there is only a remote likelihood that the plant will also be sold as agriculture produce. Bearer plants (before maturity) representing various types of herbs nursery and immature plantations are measured at cost which consists of the costs incurred in the preparation of the nursery, purchase of seedlings and maintenance of the herbs plantation. Plantations are considered matured when it has reached ranges 4 months to 60 months of age after the initial field planting. Bearer plants (after maturity) are measured at cost less accumulated depreciation and any accumulated impairment losses.

Capital work-in-progress consists of expenditure incurred pertaining to cluster activities at the agricultural land for intended use as farming and processing of various types of herbs.

(ii) Subsequent costs

The cost of replacing part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Group and its cost can be measured reliably. The costs of the day-to-day servicing of property, plant and equipment are recognised in the profit or loss as incurred.

(iii) Depreciation

Depreciation is recognised in the profit or loss on straight line basis to write off the cost of each asset to its residual value over its estimated useful life. Freehold land and immature bearer plants are not depreciated. Depreciation commences when the bearer plants or when the assets are ready for its intended use.

Property, plant and equipment are depreciated based on the estimated useful lives of the assets as follows:

Buildings	50 years
Computer system and peripherals	5 to 10 years
Lab and office equipment, furniture and fittings	5 to 10 years
Motor vehicles	5 years
Plant and machineries	5 to 10 years
Renovations	10 years
Signage and display items	5 to 10 years
Infra-structure expenditures	10 years
Plantation expenditure	9 months to 15 years

The residual values, useful lives and depreciation method are reviewed at the end of each reporting period to ensure that the amount, method and period of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in property, plant and equipment.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2019

CONT'D

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(c) Property, plant and equipment (Cont'd)

(iii) Depreciation (Cont'd)

Leasehold land and building

The above accounting policies for property, plant and equipment applies to leasehold land and building until 31 December 2018. The leasehold land and buildings was depreciated over the remaining lease period.

Following the adoption of MFRS 16 Leases on 1 January 2019, the Group has reclassified the carrying amount of the leasehold land to ROU assets. The policy of recognition and measurement of the right-of-use assets is in accordance with Note 3(e) to the financial statements.

(d) Biological assets

Biological assets comprise of expenditure incurred on land clearing, planting, fertilising and other associated cost incurred to upkeep of the crops to maturity. Biological assets are measured at fair value less costs of disposal, except on initial recognition for which market determined prices or values are not available and for which alternative estimates of fair value are determined to be clearly unreliable. In such case, the biological assets are stated at cost less accumulated depreciation and accumulated impairment losses. The policy of recognition and measurement of impairment losses is in accordance with Note 3(m)(i) to the financial statements.

At each reporting date, the Group considers the nature of plantation activities being growing and managing herbal plantations for the sale of herbal. The biological assets have been stated at cost less accumulated depreciation and accumulated impairment if any, as there is currently no active market of the biological asset nor reliable alternative estimates of fair value available. The biological assets are considered to be matured by 8 to 84 months after the initial field planting.

(e) Leases

Policy applicable from 1 January 2019

(a) As lessee

The Group and the Company recognise a ROU asset and a lease liability at the lease commencement date. The ROU asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or site on which it is located, less any lease incentives received.

The ROU asset is subsequently measured at cost less any accumulated depreciation, accumulated impairment loss and, if applicable, adjusted for any remeasurement of lease liabilities. The policy of recognition and measurement of impairment losses is in accordance with Note 3(m)(i) to the financial statements.

The ROU asset under cost model is depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the ROU asset or the end of the lease term. The estimated useful lives of the ROU assets are determined on the same basis as those of property, plant and equipment as follows:

Land and buildings	Over the remaining lease period
Motor vehicles	5 years

The ROU assets are subject to impairment.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2019

CONT'D

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(e) Leases (Cont'd)

Policy applicable from 1 January 2019 (Cont'd)

(a) As lessee (Cont'd)

The lease liability is initially measured at the present value of future lease payments at the commencement date, discounted using the respective Group entities' incremental borrowing rates. Lease payments included in the measurement of the lease liability include fixed payments, any variable lease payments, amount expected to be payable under a residual value guarantee, and exercise price under an extension option that the Group and the Company are reasonably certain to exercise.

Variable lease payments that do not depend on an index or a rate and are dependent on a future activity are recognised as expenses in profit or loss in the period in which the event or condition that triggers the payment occurs.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in rate, or if the Group or the Company changes its assessment of whether it will exercise an extension or termination option.

Lease payments associated with short term leases and leases of low value assets are recognised on a straight-line basis as an expense in profit or loss. Short term leases are leases with a lease term of 12 months or less and do not contain a purchase option. Low value assets are those assets valued at less than RM20,000 each when purchased new.

(b) As lessor

When the Group acts as a lessor, it determines at lease inception whether each lease is a finance lease or an operating lease. Leases in which the Group or the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases.

If the lease arrangement contains lease and non-lease components, the Group applies MFRS 15 *Revenue from Contracts with Customers* to allocate the consideration in the contract based on the stand-alone selling price.

The Group recognises assets held under a finance lease in its statement of financial position and presents them as a receivable at an amount equal to the net investment in the lease. The Group uses the interest rate implicit in the lease to measure the net investment in the lease.

The Group recognises lease payments under operating leases as income on a straight-line basis over the lease term unless another systematic basis is more representative of the pattern in which benefit from the use of the underlying asset is diminished. The lease payment recognised is included as part of "Other income". Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2019

CONT'D

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(e) Leases (Cont'd)

Policy applicable before 1 January 2019

The determination of whether an arrangement is, or contains, a lease is based on the substance of the arrangement at the inception date, whether fulfillment of the arrangement is dependent on the use of a specific asset or asset and the arrangement conveys a right to use the asset, even if that right is not explicitly specific in an arrangement.

As lessee

(i) Finance lease

Leases in terms of which the Group or the Company assumes substantially all the risks and rewards of ownership are classified as finance lease. Upon initial recognition, the leased asset is measured at an amount equal to the lower of its fair value and the present value of the minimum lease payments. Subsequent to initial recognition, the asset is accounted for in accordance with the accounting policy applicable to that asset.

Minimum lease payments made under finance leases are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised as finance costs in the profit or loss. Contingent lease payments are accounted for by revising the minimum lease payments over the remaining term of the lease when the lease adjustment is confirmed.

Leasehold land which in substance is a finance lease is classified as a property, plant and equipment.

(ii) Operating lease

Leases, where the Group or the Company does not assume substantially all the risks and rewards of ownership are classified as operating leases and, except for property interest held under operating lease, the leased assets are not recognised on the statement of financial position. Property interest held under an operating lease, which is held to earn rental income or for capital appreciation or both, is classified as investment property and measured using fair value model.

Payments made under operating leases are recognised in profit or loss on a straight-line basis over the term of the lease. Lease incentives received are recognised in profit or loss as an integral part of the total lease expense, over the term of the lease. Contingent rentals are charged to profit or loss in the reporting period in which they are incurred.

Leasehold land which in substance is an operating lease is classified as prepaid land lease payments.

As lessor

Leases in which the Group or the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2019

CONT'D

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(f) Intangible assets

(i) Internally-generated intangible assets - research and development costs

Research costs are expensed as incurred. Development expenditures on an individual project are recognised as an intangible asset when the Group can demonstrate:

- the technical feasibility of completing the intangible asset so that the asset will be available for use or sale;
- its intention to complete and its ability and intention to use or sell the asset;
- how the asset will generate future economic benefits;
- the availability of resources to complete; and
- the ability to measure reliably the expenditure during development.

The amount initially recognised for internally-generated intangible assets is the sum of the expenditure incurred from the date when the intangible asset first meets the recognition criteria listed above. Where no internally-generated intangible asset can be recognised, development expenditure is recognised in profit or loss in the period in which it is incurred.

Following initial recognition of the development expenditure as an asset, the asset is carried at cost less any accumulated amortisation and accumulated impairment losses. Amortisation of the asset begins when development is complete and the asset is available for use. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful lives and amortisation methods are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

(ii) Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful lives and amortisation methods are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

(iii) Derecognition of intangible assets

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in profit or loss when the asset is derecognised.

See accounting policy Note 3(m)(i) on impairment of non-financial assets for intangible assets.

(g) Financial assets

Financial assets are recognised in the statements of financial position when, and only when, the Group or the Company becomes a party to the contractual provisions of the financial instrument.

When financial assets are recognised initially, they are measured at fair value, plus, in the case of financial assets not at fair value through profit and loss, directly attributable transaction costs.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2019

CONT'D

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(g) Financial assets (Cont'd)

The Group and the Company determine the classification of their financial assets at initial recognition and the categories as follows:

(a) Financial assets at amortised cost

The Group and the Company measure financial assets at amortised cost if both of the following conditions are met:

- The financial asset is held within a business model with the objective to hold financial assets in order to collect contractual cash flows; and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at amortised cost are subsequently measured using the effective interest (EIR) method and are subject to impairment. Gains and losses are recognised in profit or loss when the asset is derecognised, modified or impaired.

(b) Financial assets at fair value through profit or loss

All financial assets not classified as measured at amortised cost as described above, are measured at fair value through profit and loss. This includes derivative financial assets (except for a derivative that is a financial guarantee contract or a designated and effective hedging instrument). On initial recognition, the Group may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at fair value through other comprehensive income as at fair value through profit or loss if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets categorised as fair value through profit or loss are subsequently measured at their fair value with gains or losses recognised in the profit or loss.

All financial assets, except for those measured at fair value through profit or loss are subject to impairment.

Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the period generally established by regulation or convention in the marketplace concerned. All regular way purchases and sales of financial assets are recognised or derecognised on the trade date i.e., the date that the Group and the Company commit to purchase or sell the asset.

A financial asset is derecognised where the contractual right to receive cash flows from the asset has expired. On derecognition of a financial asset in its entirety, the difference between the carrying amount and the sum of the consideration received for financial instrument is recognised in profit or loss.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2019

CONT'D

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(h) Financial liabilities

Financial liabilities are recognised when, and only when, the Group and the Company become a party to the contractual provisions of the financial instruments. All financial liabilities are recognised initially at fair value plus, in the case of financial liabilities not at fair value through profit or loss, directly attributable transaction costs.

After initial recognition, financial liabilities that are not carried at fair value through profit or loss are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in profit or loss when the liabilities are derecognised, and through the amortisation process.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in profit or loss.

(i) Financial guarantee contracts

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs when the guaranteed debtor fails to make payment when due.

Financial guarantee contracts are recognised initially as financial liabilities at fair value, net of transaction costs. Subsequently, the liability is measured at the higher of:

- the amount of the loss allowance; and
- the amount initially recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of MFRS 15 *Revenue from Contracts with Customers*.

(j) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the statements of financial position if, and only if, there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

(k) Inventories

Inventories are stated at the lower of cost and net realisable value.

Cost of raw material, consumables and finished goods comprise cost of purchase and other costs incurred in bringing it to their present location and condition are determined on weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

(l) Cash and cash equivalents

Cash and cash equivalents comprise cash in hand, bank balances, demand deposits, bank overdraft and highly liquid investments that are readily convertible to known amount of cash and which are subject to an insignificant risk of changes in value. For the purpose of statements of cash flows, cash and cash equivalents are presented net of bank overdrafts and pledged deposits, if any.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2019

CONT'D

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(m) Impairment of assets

(i) Non-financial assets

The carrying amounts of non-financial assets (except for biological asset and inventories) are reviewed at the end of each reporting period to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated. For goodwill and intangible assets that have indefinite useful lives, or that are not yet available for use, the recoverable amount is estimated each period at the same time.

For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or cash-generating units. Subject to operating segment ceiling test, for the purpose of goodwill impairment testing, cash-generating units to which goodwill has been allocated are aggregated so that the level at which impairment testing is performed reflects the lowest level at which goodwill is monitored for internal reporting purposes. The goodwill acquired in a business combination, for the purpose of impairment testing, is allocated to a cash-generating unit or a group of cash-generating units that are expected to benefit from the synergies of the combination.

The recoverable amount of an asset or cash-generating unit is the greater of its value-in-use and its fair value less costs of disposal. In assessing value-in-use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or cash-generating unit.

An impairment loss is recognised if the carrying amount of an asset or cash-generating unit exceeds its estimated recoverable amount. Impairment loss is recognised in profit or loss, unless the asset is carried at a revalued amount, in which such impairment loss is recognised directly against any revaluation surplus for the asset to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that same asset. Impairment losses recognised in respect of cash-generating units are allocated first to reduce the carrying amount of any goodwill allocated to the cash-generating unit (group of cash-generating units) and then to reduce the carrying amounts of the other assets in the cash-generating unit (group of cash-generating units) on a pro rata basis.

An impairment loss in respect of goodwill is not reversed. In respect of other assets, impairment losses recognised in prior periods are assessed at the end of each reporting period for any indications that the loss has decreased or no longer exists. An impairment loss is reversed only if there has been a change in the estimates used to determine the recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation or amortisation, had no impairment loss been recognised for asset in prior years. Such reversal is recognised in the profit or loss unless the asset is carried at a revalued amount, in which case the reversal is treated as a revaluation increase.

(ii) Financial assets

The Group and the Company recognise an allowance for expected credit losses ("ECLs") for all debt instruments not held at FVTPL. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Group and the Company expect to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2019

CONT'D

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(m) Impairment of assets (Cont'd)

(ii) Financial assets (Cont'd)

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months ("a 12-month ECL"). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the exposure, irrespective of the timing of the default ("a lifetime ECL").

For trade receivables, other receivables, contract assets and inter-company balances, the Group and the Company apply a simplified approach in calculating ECLs. Therefore, the Group and the Company do not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Group and the Company have established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

(n) Provisions

Provisions are recognised when there is a present legal or constructive obligation that can be estimated reliably, as a result of a past event, when it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount of the obligation can be estimated reliably.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Any reimbursement that the Group can be virtually certain to collect from a third party with respect to the obligation is recognised as a separate asset. However, this asset may not exceed the amount of the related provision. The expense relating to any provision is presented in the statements.

(o) Share capital

(i) Ordinary shares

An equity instrument is any contract that evidences a residual interest in the assets of the Group and the Company after deducting all of its liabilities. Ordinary shares are equity instruments. Ordinary shares are recorded at the proceed received, net of directly attributable incremental transaction costs. Ordinary shares are classified as equity.

Dividend distribution to the Company's shareholders is recognised as a liability in the period they are approved by the Board of Directors except for the final dividend which is subject to approval by the Company's shareholders.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2019

CONT'D

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(o) Share capital (Cont'd)

(ii) Treasury shares

When issued share of the Company are repurchased, the amount of the consideration paid, including directly attributable costs, net of any tax effects, is recognised as a deduction from equity as treasury shares until the shares are cancelled, reissued or disposed of. No gain or loss is recognised in profit or loss on the sale, re-issuance or cancellation of the treasury shares.

When treasury shares are distributed as share dividends, the cost of the treasury shares is deducted against the retained earnings of the Company.

When treasury shares are sold or reissued subsequently, the difference between the sales consideration, net of directly attributable costs and the carrying amount of the treasury shares is recognised in equity.

(p) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of the cost of the assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale. All other borrowing costs are recognised in profit or loss in the period in which they are incurred. Borrowing costs consist of interest and other costs that the Group incurred in connection with the borrowing of funds.

The capitalisation of borrowing costs as part of the cost of a qualifying asset commences when expenditure for the asset is being incurred, borrowing costs are being incurred and activities that are necessary to prepare the asset for its intended use or sale are in progress. Capitalisation of borrowing costs is suspended or ceases when substantially all the activities necessary to prepare the qualifying asset for its intended use or sale are interrupted or completed.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

(q) Employee benefits

(i) Short term employee benefits

Wages, salaries, bonuses and social security contributions are recognised as an expense in the financial year in which the associated services are rendered by employees of the Group. Short term accumulating compensated absences such as paid annual leave are recognised when services are rendered by employees that increase their entitlement to future compensated absences. Short term non-accumulating compensated absences such as sick and medical leave are recognised when the absences occur.

The expected cost of accumulating compensated absences is measured as additional amount expected to be paid as a result of the unused entitlement that has accumulated at the end of the reporting period.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2019

CONT'D

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(q) Employee benefits (Cont'd)

(ii) Defined contribution plans

As required by law, companies in Malaysia contribute to the state pension scheme, the Employees Provident Fund ("EPF"). Some of the Group's foreign subsidiary companies also make contributions to their respective countries' statutory pension schemes. Such contributions are recognised as an expense in the profit or loss as incurred. Once the contributions have been paid, the Group has no further payment obligations.

(iii) Equity-settled Share-based Payment Transaction

The Group operates an equity-settled, share-based compensation plan for the employees of the Group. Employee services received in exchange for the grant of the share options is recognised as an expense in the profit or loss over the vesting periods of the grant with a corresponding increase in equity.

For options granted to the employees of the subsidiary companies, the fair value of the options granted is recognised as cost of investment in the subsidiary companies over the vesting period with a corresponding adjustment to equity in the Company's financial statements.

The total amount to be expensed over the vesting period is determined by reference to the fair value of the share options granted, excluding the impact of any non-market vesting conditions (for example, profitability and sales growth targets). Non-market vesting conditions are included in assumptions about the number of options that are expected to be vested. At the end of each reporting date, the Group revises its estimates of the number of share options that are expected to be vested. It recognises the impact of the revision of original estimates, if any, in the profit or loss, with a corresponding adjustment to equity.

When the options are exercised, the Company issues new shares. The proceeds received net of any directly attributable transaction costs are credited to share capital when the options are exercised. When options are not exercised and lapsed, the share option reserve is transferred to retained earnings.

(r) Segments reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker. The chief operating decision-makers are responsible for allocating resources and assessing performance of the operating segments and make overall strategic decisions. The Group's operating segments are organised and managed separately according to the nature of the products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets.

(s) Revenue recognition

(i) Revenue from contracts with customers

Revenue is recognised when the Group satisfied a performance obligation ("PO") by transferring a promised good or services to the customer, which is when the customer obtains control of the good or service. A PO may be satisfied at a point in time or over time. The amount of revenue recognised is the amount allocated to the satisfied PO.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2019

CONT'D

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(s) Revenue recognition (Cont'd)

(i) Revenue from contracts with customers (Cont'd)

(a) Sales of goods

Revenue from sale of goods is recognised when control of the products has transferred, being the products are delivered to the customer.

Revenue is recognised based on the price specified in the contract, net of the rebates, discounts and taxes.

(b) Management fee

Management fee is recognised on accrual basis when services are rendered.

(ii) Revenue from other sources

(a) Interest income

Interest income is recognised on accruals basis using the effective interest method.

(b) Rental income

Rental income is accounted for on a straight-line basis over the lease terms. The aggregate costs of incentives provided to lessees are recognised as a reduction of rental income over the lease term on a straight-line basis.

(c) Dividend income

Dividend income is recognised when the Group's right to receive payment is established.

(t) Income taxes

Tax expense in profit or loss comprises current and deferred tax. Current tax and deferred tax are recognised in profit or loss except to the extent that it relates to a business combination or items recognised directly in equity or other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted by the end of the reporting period, and any adjustment to tax payable in respect of previous years.

Deferred tax is recognised using the liability method for all temporary differences between the carrying amounts of assets and liabilities in the statements of financial position and their tax bases. Deferred tax is not recognised for the temporary differences arising from the initial recognition of goodwill, the initial recognition of assets and liabilities in a transaction which is not a business combination and that affects neither accounting nor taxable profit nor loss. Deferred tax is measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the end of the reporting period.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2019

CONT'D

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(t) Income taxes (Cont'd)

The measurement of deferred tax is based on the expected manner of realisation or settlement of the carrying amount of the assets and liabilities, at the end of the reporting period, except for investment properties carried at fair value model. Where investment properties measured using fair value model, the amount of deferred tax recognised is measured using the tax rates that would apply on sale of those assets at their carrying amounts at the reporting date unless the property is depreciable and is held with the objective to consume substantially all of the economic benefits embodied in the property over time, rather than through sale. Deferred tax assets and liabilities are not discounted.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

A deferred tax asset is recognised to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised. Deferred tax assets are reviewed at the end of each reporting period and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

(u) Government grants

Government grants are not recognised until there is reasonable assurance that the Group will comply with the conditions attaching to them and that the grants will be received.

When the grant relates to an expense item, it is recognised in profit or loss on a systematic basis over the periods in which the Group recognises as expenses the related costs for which the grants are intended to compensate. Where the grant relates to an asset, it is recognised as deferred income and transferred to profit or loss on a systematic basis over the useful lives of the related asset.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the Group with no future related costs are recognised in profit or loss in the period in which they become receivable.

Where the Group receives non-monetary government grants, the asset and the grant are recorded at nominal amount and transferred to profit or loss on a systematic basis over the life of the depreciable asset by way of a reduced depreciation charge.

(v) Contingencies

Where it is not probable that an inflow or an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the asset or the obligation is disclosed as a contingent asset or contingent liability, unless the probability of inflow or outflow of economic benefits is remote. Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events, are also disclosed as contingent assets or contingent liabilities unless the probability of inflow or outflow of economic benefits is remote.

(a) Changes in group structure

During the financial year:

Acquisition of subsidiary company

On 5 March 2019, the Company subscribed 100 ordinary shares in Bioalpha Wellness Sdn. Bhd. ("BWSB"), representing 100% equity interest in BWSB for a total cash consideration of RM100. Pursuant to that, BWSB became a wholly-owned subsidiary company of the Company.

5. INVESTMENT IN SUBSIDIARY COMPANIES (CONT'D)

- (a) Changes in group structure (Cont'd)

During the financial year: (Cont'd)

Acquisition of business

On 1 April 2019, Mediconstant Holding Sdn. Bhd. ("MHSB"), a wholly-owned subsidiary company of the Company had entered into a Sale of Business Agreement ("SBA") with Pharmhouse Retail for acquisition of a pharmaceutical outlet for a total cash consideration of RM440,000.

The acquisition of the business includes identified property, plant and equipment, deposit receivables and inventories at the date of acquisitions and all its rights and operations stipulated in the SBA.

The liabilities relating to the business will remain with Pharmhouse Retail as MHSB does not intend to acquired the said liabilities from Pharmhouse Retail under the acquisition:

The following summaries the major classes of consideration transferred, and the recognised amounts of assets acquired assumed at the acquisition date.

Fair value of consideration transferred

	Group 2019 RM
Total cash consideration	440,000
Less: Fair value of identifiable assets acquired	(390,000)
<hr/>	
Goodwill arising from business combination (Note 7)	50,000
<hr/>	

The goodwill recognised on the acquisition is attributable mainly to the skills and technical talent of the acquired business's work force and synergies expected to be achieved from integrating the business into the Group's existing retailing business.

Fair value of identifiable assets acquired

	Group 2019 RM
Property, plant and equipment	150,000
Deposit receivables	21,250
Inventories	218,750
<hr/>	
	390,000

Acquisition of business (Cont'd)

Net cash outflows arising from acquisition of business

	Group 2019 RM
Purchase consideration settled in cash	440,000

Impact of the acquisition on the Statements of Profit or Loss and Other Comprehensive Income

From the date of acquisition acquired business RM1,288,551 and RM210,568 to the Group's revenue and profit for the financial year respectively. If the combination had taken place at the beginning of the financial year, the Group's revenue and profit for the financial year from its continuing operations would have been RM1,288,551 and RM210,568 respectively.

In previous financial year:

Acquisition of business

On 30 November 2018, Mediconstant Holding Sdn. Bhd. ("MHSB"), a wholly-owned subsidiary company of the Company had entered into a Sales and Purchase Agreement ("SPA") with Fortunate Dockyard & Fabrication Sdn. Bhd. for acquisition of three pharmaceutical outlets for a total cash consideration of RM800,000.

The acquisition of the business includes identified property, plant and equipment amounted to RM292,873 at the date of acquisition and all its rights and operations as stipulated in the SPA.

The liabilities relating to the business will remain with Fortunate Dockyard & Fabrication Sdn. Bhd. as MHSB does not intend to acquire the said liabilities from Fortunate Dockyard & Fabrication Sdn. Bhd. under the acquisition.

The following summaries the major classes of consideration transferred, and the recognised amounts of assets acquired assumed at the acquisition date:

The leased assets are pledged as security for the related lease liabilities as disclosed in Note 19 to the financial statements.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2019

CONT'D

6. RIGHT-OF-USE ASSETS (CONT'D)

(c) Purchases of right-of-use assets

The aggregate additional cost for the right-of-use assets of the Group during the financial year acquired under lease liabilities and cash payments are as follows:

	2019 RM	Group 2018 RM
Aggregate costs	2,574,316	-
Less: Leases liabilities	(2,535,046)	-
Less: Reclassified from other receivables	(26,800)	-
Cash payments	12,470	-

7. GOODWILL ON CONSOLIDATION

	2019 RM	Group 2018 RM
At 1 January	5,841,157	5,334,030
Acquisition through business combination (Note 5)	50,000	507,127
At 31 December	5,891,157	5,841,157

The carrying amounts of goodwill allocated to the Group's cash-generating units ("CGU") are as follows:

(a) Recoverable amount on value in use

For the purpose of impairment testing, the recoverable amount of goodwill at the end of the financial year was determined based on a value-in-use calculation by discounting the future cash flows generated from the continuing use of the cash generated unit ("CGU") and was based on the following assumptions:

- (i) Pre-tax cash flow projection based on the most recent financial budgets covering a five years period;
- (ii) The anticipated annual revenue growth rate used in the cash flow budgets and plans of the CGU is ranged from 4% to 7% (2018: 10% to 16%); and
- (iii) Pre-tax discount rate of 9% (2018: 11%) per annum has been applied in determining the recoverable amount of the CGU. The discount rate was based estimated based on the Group's weighted average cost of capital.

The value assigned to the key assumptions represent management's assessment of future trends in the industry and are based on both external sources and internal sources.

The management believes that no reasonably possible change in any of the above key assumptions would cause the carrying values of the units to materially exceed their recoverable amount.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2019

CONT'D

7. GOODWILL ON CONSOLIDATION (CONT'D)

(b) Sensitivity to changes in assumptions

The management believes that a reasonably possible changes in the key assumptions on which management has based on its determination of the CGU's recoverable amount would not cause the CGU's carrying amount to exceed its recoverable amount.

8. INTANGIBLE ASSETS (CONT'D)

Development expenditures

Development expenditure represents the costs incurred in respect of the on-going development of 2 high-value herbal products for diabetes and hormone replacement therapy, and the products development for the formulation of health supplement products.

(a) Recoverable amount on value in use

For the purpose of impairment testing, the recoverable amount of development expenditures at the end of the financial year was determined based on a value-in-use calculation by discounting the future cash flows generated from the continuing use of the cash generated unit ("CGU") and was based on the following assumptions:

- (i) Pre-tax cash flow projection based on the most recent financial budgets covering between five to fifteen years period;
- (ii) The anticipated annual revenue growth rate used in the cash flow budgets and plans of the CGU is ranged from 4% to 9% (2018: 7% to 9%); and
- (iii) Pre-tax discount rate of 9% (2018: 11%) per annum has been applied in determining the recoverable amount of the CGU. The discount rate was based estimated based on the Group's weighted average cost of capital.

The value assigned to the key assumptions represent management's assessment of future trends in the industry and are based on both external sources and internal sources.

The management believes that no reasonably possible change in any of the above key assumptions would cause the carrying values of the units to materially exceed their recoverable amount.

(b) Sensitivity to changes in assumptions

The management believes that a reasonably possible changes in the key assumptions on which management has based on its determination of the CGU's recoverable amount would not cause the CGU's carrying amount to exceed its recoverable amount.

9. BIOLOGICAL ASSETS

	2019 RM	Group 2018 RM
Cost		
At 1 January	749,791	189,253
Addition	64,424	560,538
At 31 December	814,215	749,791
Accumulated amortisation		
At 1 January	106,441	–
Amortisation for the financial year	125,341	106,441
At 31 December	231,782	106,441
Carrying amount		
At 31 December	582,433	643,350

Biological assets include expenditure incurred on land clearing, planting, fertilising and other associated costs incurred to upkeep of the crops to maturity are capitalised as biological assets. On maturity, the matured plantations are stated at fair value less estimated point-of-sale costs, with any resultant gain or loss recognised in the profit or loss. Point-of-sale costs include all costs that would be necessary to sell the assets.

The biological assets have been stated at cost less accumulated amortisation and accumulated impairment losses, as there is currently no active market of the biological asset nor reliable alternative estimates of fair value available.

Included in staff costs capitalised into biological assets are as follows:

	2019 RM	Group 2018 RM
Staff costs (Note 31)	53,654	272,733

As at 31 December 2019, the Group has 1,303 acres (2018: 1,303 acres) of herbal plantations.

CONT'D

17. RESERVES (CONT'D)

(a) Treasury shares

The shareholders of the Company, by a resolution passed in the last Extraordinary General Meeting held on 11 Jun 2019, approved the Company's plan to repurchase its own shares. The directors of the Company are committed to enhance the value of the Company for its shareholders and believe that the repurchase plan can be applied in the best interest of the Company and its shareholders.

	Group and Company			
	Number of Shares		Amount	
	2019 Unit	2018 Unit	2019 RM	2018 RM
At 1 January	–	–	–	–
Share repurchased	761,800	–	145,527	–
At 31 December	761,800	–	145,527	–

During the financial year, the Company repurchased 761,800 (2018: Nil) of its issued share capital from the open market at an average price of RM0.19 (2018: RMNil) per share including transaction costs. The repurchased transactions were financed by internally generated funds. The shares repurchased are held as treasury shares.

(b) Warrant reserve

Warrants reserve represents reserve allocated to free detachable warrants issued with rights issue.

During the financial year ended 31 December 2017, the Company issued renounceable rights issue of up to 133,333,131 new ordinary shares ("Rights Shares") together with up to 133,333,131 free detachable warrants ("Warrants") on the basis of one (1) Rights Share together with one (1) Warrant for every one (1) existing Rights Share held.

The Company executed a Deed Poll constituting the Warrants and the exercise price of the Warrants have been fixed at RM0.22 each. The Warrants may be exercised at any time within 5 years commencing on and including the date of issuance and expiring on 5 January 2022. Any Warrants which have not been exercised at date of maturity will lapse and cease to be valid for any purpose.

The new ordinary shares allotted and issued upon exercise of the Warrants shall rank pari passu in all respects with the then existing ordinary shares of the Company, save and except that they shall not be entitled to any dividends, rights, allotments and/or other distributions, the entitlement date of which is prior to the date of allotment of the new ordinary shares arising from exercise of the Warrants.

As at 31 December 2019, the total number of Warrants that remain unexercised were 133,332,785 (2018: 133,332,785).

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2019

CONT'D

17. RESERVES (CONT'D)

(c) Share Issuance Scheme Option reserve

At an extraordinary general meeting held on 19 August 2016, the Company's shareholders approved the establishment of SIS for eligible Directors and employees of the Group.

The salient features of the SIS Options are as follows:

- (a) any employee of the Group shall be eligible if as at the date of offer, the employee:
 - (i) has attained at least eighteen (18) years of age;
 - (ii) is an employee in a company within the Group, which is not dormant belonging to such categories of employment as determined by the Option Committee; and
 - (iii) who falls under such categories and criteria that the Option Committee may decide at its absolute discretion from time to time.
- (b) any Director of the Group shall be eligible if as at the date of offer, the Director:
 - (i) is at least eighteen (18) years of age; and
 - (ii) has been appointed as a Director of a company within the Group, which is not dormant.
- (c) The maximum number of new shares to be issued pursuant to the exercise of the SIS Options which may be granted under the SIS Shares shall not exceed thirty percent (30%) of the total issued and paid-up share capital (excluding treasury shares, if any) of the Company at any point of time throughout the duration of the SIS;
- (d) The options granted may be exercised any time upon the satisfaction of vesting conditions of each offer.
- (e) The SIS shall be in force for a period of five (5) years and the last day to exercise SIS Options is on 26 February 2022.
- (f) The options granted may be exercised in full or in lesser number of ordinary shares provided that the number shall be in multiples of and not less than 100 shares.

Movement in the number of share options and the weighted average exercise prices are as follows:

Date of Offer	Exercise Price RM	Number of options over ordinary shares			
		At 1.1.2019	Granted	Exercised	At 31.12.2019
27 February 2017	0.205	9,300,000	–	–	9,300,000

Number of share options exercisable as at 31 December 2019 is 9,300,000 (2018: 9,300,000). The weighted average share price at the date of exercise for the financial year was RM0.227 (2018: RM0.227) per share option.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2019

CONT'D

17. RESERVES (CONT'D)

- (c) Share Issuance Scheme Option reserve (Cont'd)

Details of SIS Options outstanding at end of the financial year are as follows:

SIS Options	Weighted Average Exercise Price		Exercise Period
	2019 RM	2018 RM	
27 February 2017	0.227	0.205	27.02.2017 - 26.02.2022

The fair value of services received in return for share options granted during the financial year is based on the fair value of share options granted, estimated by the management using Black-Scholes-Merton model, taking into account the terms and conditions upon which the options were granted. The weighted average fair value of share options measured at grant date and the assumptions are as follow:

	2019 RM	2018 RM
Fair value at granted date: 27 February 2017	0.0909	0.0909
Weighted average share price	0.227	0.227
Weighted average exercise price	0.205	0.205
Expected volatility (%)	34.74%	34.74%
Expected life (years)	5 years	5 years
Risk free rate (%)	3.698	3.698
Expected dividend yield (%)	Nil	Nil

The expected life of the share options is based on historical data, has been adjusted according to management's best estimate for the effects of non-transferability, exercise restrictions (including the probability of meeting the market conditions attached to the option), and behavioural considerations. The expected volatility is based on the historical share price volatility, adjusted for unusual or extraordinary volatility arising from certain economic or business occurrences which is not reflective of its long-term average level. While the expected volatility is assumed to be indicative of future trends, it may not necessarily be the actual outcome. No other features of the option grant were incorporated into the measurement of fair value.

- (d) Merger deficits

The merger deficits created during the listing and quotation exercise of the Company's share on the ACE Market of Bursa Malaysia Securities Berhad in year 2015, where the Company acquired Bioalpha International Sdn. Bhd. and its subsidiary companies, namely Bioalpha Agro Sdn. Bhd. and Bioalpha East Coast Agro Sdn. Bhd. that are under common control, as follows:

	2019 RM	Group 2018 RM
Cost of merger	12,719,130	12,719,130
Less: Net assets of acquired subsidiary companies	(7,750,000)	(7,750,000)
Merger deficits	4,969,130	4,969,130

<hr/>			
At 1 January 2018/31 December 2018	(51)	(25)	(76)

Deferred tax assets have not been recognised in respect of the following items:

	Group		Company	
	2019 RM	2018 RM	2019 RM	2018 RM
Unused tax losses	9,722,160	9,016,462	704,657	162,887
Unutilised capital allowances	740,852	994,404	1,596	289
<hr/>				
	10,463,012	10,010,866	706,253	163,176

With effect from year of assessment 2019, unused tax losses are allowed to be carried forward up to a maximum of seven consecutive years of assessment under the current tax legislation. The other temporary differences do not expire under current tax legislation. Deferred tax assets have not been recognised in respect of these items as they may not have sufficient taxable profits to be used to offset or they have arisen in subsidiary companies that have a recent history of losses.

22. TRADE PAYABLES

The normal trade credit term granted to the Group ranged from 30 to 90 days (2018: 30 to 90 days) depending on the terms of the contracts.

Deferred capital grant	1,206,614	1,575,005	–	–
Accruals	1,432,116	825,469	149,868	149,159
SST payables	79,933	–	–	–
	3,886,560	3,844,881	423,773	248,762

Deferred capital grant refers to government grant received from Malaysian Bioeconomy Development Corporation Sdn. Bhd. (“MBDC”) and Malaysia Technology Development Corporation (“MTDC”) for the acquisition of equipment for research activities. There are no unfulfilled conditions or contingencies attached to this grant. The grant is being amortised over the useful life of the plant as recognised in profit or loss.

The movement of the deferred capital grant is as follows:

	Group	
	2019 RM	2018 RM
At 1 January	1,575,005	2,309,085
Amortised during the financial year	(368,391)	(734,080)
At 31 December	1,206,614	1,575,005

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2019

CONT'D

28. EARNINGS PER SHARE

(a) Basic earnings per share

The basic earnings per share are calculated based on the consolidated profit for the financial year attributable to owners of the parent and the weighted average number of ordinary shares in issue during the financial year as follows:

	2019 RM	Group 2018 RM
Profit attributable to owners of the parent	8,315,531	11,570,610
Weighted average number of ordinary shares in issue:		
Issued ordinary shares at 1 January	860,209,032	809,249,132
Effect of ordinary shares issued during the financial year	–	10,236,309
Effect of treasury shares held	(425,773)	–
Weighted average number of ordinary shares at 31 December	859,783,259	819,485,441
Basic earnings per ordinary shares (in sen)	0.97	1.41

(b) Diluted earnings per share

The diluted earnings per share has been calculated based on the adjusted consolidated profit for the financial year attributable to the owners of the parent and the weighted average number of ordinary shares in issue during the financial year have been adjusted for the dilutive effects of all potential ordinary shares as follows:

	2019 RM	Group 2018 RM
Profit attributable to owners of the parent	8,315,531	11,570,610
Weighted average number of ordinary shares used in the calculation of basic earnings per share	859,783,259	819,485,441
Adjustment for incremental shares from assumed conversions		
- Share Issuance Scheme options	*	7,808,191
- Warrants	*	120,136,025
Weighted average number of ordinary shares at 31 December (diluted)	859,783,259	947,429,657
Diluted earnings per ordinary shares (in sen)	0.97	1.22

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2019

CONT'D

28. EARNINGS PER SHARE (CONT'D)

(b) Diluted earnings per share (Cont'd)

- * The effect of the potential increment shares from Share Issuance Scheme options and Warrants were not taken into account in the computation of diluted earnings per share for the financial year ended 31 December 2019 as the exercise price of the Share Issuance Scheme options and Warrants are higher than the average market price of the Company's ordinary shares.

29. DIVIDENDS

	Group and Company	
	2019	2018

32. RELATED PARTY DISCLOSURES

(a) Identifying related parties

For the purposes of these financial statements, parties are considered to be related to the Group if the Group or the Company has the ability, directly or indirectly, to control or joint control the party or exercise significant influence over the party in making financial and operating decisions, or vice versa, or where the Group or the Company and the party are subject to common control. Related parties may be individuals or other entities.

Related parties also include key management personnel defined as those persons having authority and responsibility for planning, directing and controlling the activities of the Group either directly or indirectly. The key management personnel comprise the Directors and management personnel of the Group, having authority and responsibility for planning, directing and controlling the activities of the Group entities directly or indirectly.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2019

CONT'D

32. RELATED PARTY DISCLOSURES (CONT'D)

(b) Significant related party transactions

Related party transactions have been entered into in the normal course of business under negotiated terms. In addition to the related party balances disclosed elsewhere to the financial statements, the significant related party transactions of the Company are as follows:

	Company	
	2019 RM	2018 RM
Transactions with subsidiary companies		
- Management fee received/receivable	642,600	734,988
- Dividend income	8,000,000	891,000

(c) Compensation of key management personnel

Remuneration of Directors and other members of key management are as follows:

	Group		Company	
	2019 RM	2018 RM	2019 RM	2018 RM
Fee	268,180	261,600	232,180	225,600
Salaries and other emoluments	1,959,174	1,899,264	918,931	933,917
Defined contribution plan	200,036	171,780	84,048	86,400
	2,427,390	2,332,644	1,235,159	1,245,917

33. SEGMENT INFORMATION

For management purposes, the Group is organised into business units based on their products and services, and has three reportable segments as follows:

Trading and manufacturing	Research, development, manufacture, importer, exporters, distribution and trader of nutritional and healthcare products.
Retails pharmacy	Pharmacist, druggist and chemicals
Others	Investment holding and provision of management

Management monitors the operating results of its business units separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the consolidated financial statements.

Transactions between segments are carried out on agreed terms between both parties. The effects of such inter-segment transactions are eliminated on consolidation. The measurement basis and classification are consistent with those adopted in the previous financial year.

Information about segment assets and liabilities are neither included in the internal management reports nor provided regularly to the management. Hence, no disclosures are made on segment assets and liabilities.

34. FINANCIAL INSTRUMENTS

(a) Classification of financial instruments

Financial assets and financial liabilities are measured on an ongoing basis either at fair value or at amortised cost. The principal accounting policies in Note 3 describe how the classes of financial instruments are measured, and how income and expense, including fair value gains and losses, are recognised.

The following table analyses the financial assets and liabilities in the statement of financial position by the class of financial instruments to which they are assigned, and therefore by the measurement basis:

	2019 RM	2018 RM
Group		
At Amortised Cost		
Financial Assets		
Trade receivables	44,629,915	39,531,732

CONT'D

34. FINANCIAL INSTRUMENTS (CONT'D)

(b) Financial risk management

The Group's financial risk management policy is to ensure that adequate financial resources are available for the development of the Group's operations whilst managing its credit, liquidity, foreign currency, interest rate and market price risks. The Group operates within clearly defined guidelines that are approved by the Board and the Group's policy is not to engage in speculative transactions.

(i) Credit risk

Credit risk is the risk of a financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations. The Group's exposure to credit risk arises principally from its receivables from customers and deposits with banks and financial institutions. The Group's exposure to credit risk arises principally from loans and advances to subsidiary companies and financial guarantees given to banks for credit facilities granted to subsidiary companies. There are no significant changes as compared to prior periods.

Trade receivables

Risk management objectives, policies and processes for managing the risk

Management has a credit policy in place and the exposure to credit risk is monitored on an ongoing basis via the Group's management reporting procedures and action will be taken for long overdue debts. Majority of the trade receivables are from trading activities.

At each reporting date, the Group assesses whether any of the trade receivables are credit impaired.

The gross carrying amounts of credit impaired trade receivables and contract assets are written off (either partially or full) when there is no realistic prospect of recovery. This is generally the case when the Group determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. Nevertheless, trade receivables and contract assets that are written off could still be subject to enforcement activities.

There are no significant changes as compared to previous financial year.

Exposure to credit risk, credit quality and collateral

As at the end of the reporting period, the maximum exposure to credit risk arising from trade receivables are represented by the carrying amounts in the statements of financial position.

Concentration of credit risk

As at the end of the financial year, the Company has 4 (2018: 2) major customers and accounted for approximately 56% (2018: 28%) of the trade receivables outstanding.

(b) Financial risk management (Cont'd)

(i) Credit risk (Cont'd)

Trade receivables (Cont'd)

Recognition and measurement of impairment loss

In managing credit risk of trade receivables, the Group manages its debtors and takes appropriate actions (including but not limited to legal actions) to recover long overdue balances. Generally, trade receivables will pay within credit terms. The Group's debt recovery process is that when invoices exceeded the credit terms, the Group will start to initiate a structured debt recovery process which is monitored by sales team.

The Group uses an allowance matrix to measure ECLs for trade receivables. Consistent with the debt recovery process, invoices which are more than credit terms may be considered as credit impaired.

Loss rates are based on actual credit loss experience over the past three years. Nevertheless, the Group believes that the forward-looking factors are immaterial for the purpose of impairment calculation for the financial year.

The following table provides information about the exposure to credit risk and ECLs for trade receivables as at reporting period of the Group.

	Gross trade receivables RM	Allowance for impairment RM	Net balance RM
Group			
2019			
Current	17,591,843	(44,925)	17,546,918

Cash and cash equivalents

Risk management objectives, policies and processes for managing the risk

The cash and cash equivalents are held with banks and financial institutions. The Group and the Company have a credit policy in place to control credit risk by deposit with banks and financial institutions with good credit rating.

Exposure to credit risk, credit quality and collateral

At the end of the reporting period, the maximum exposure to credit risk is represented by their carrying amount in the statements of financial position.

Recognition and measurement of impairment loss

These banks and financial institutions have low credit risks. Consequently, the Group and the Company are of the view that the loss allowance is not material and hence, it is not provided for.

Other receivables

Risk management objectives, policies and processes for managing the risk

Credit risks on other receivables are mainly arising from receivables from third parties and deposits paid for purchases of property, plant and equipment. The Group and the Company manage the credit risk on an ongoing basis via the Group and the Company's management reporting procedures and action will be taken for long outstanding debts.

Inter-company loans and advances

Risk management objectives, policies and processes for managing the risk

The Company provides unsecured loans and advances to subsidiary companies. The Company monitors the ability of the subsidiary companies to repay the loans and advances on an individual basis.

Exposure to credit risk, credit quality and collateral

As at the end of the reporting period, the maximum exposure to credit risk is represented by their carrying amounts in the statement of financial position.

Recognition and measurement of impairment loss

Generally, the Company considers loans and advances to subsidiary company has low credit risk because there is no indicators that any going concern from subsidiary companies. Consequently, the Company is of the view that the loss allowance is not material and hence, it is not provided for.

The movement in the allowance for impairment losses in respect of inter-company loans and advances of the Company during the financial year are as follows:

	2019 RM	Company	2018 RM
At 1 January	–		–
Impairment loss recognised	892,260		–
At 31 December	892,260		–

(ii) Liquidity risk

Liquidity risk refers to the risk that the Group or the Company will encounter difficulty in meeting its financial obligations as they fall due. The Group's and the Company's exposure to liquidity risk arises primarily from mismatches of the maturities of financial assets and liabilities.

The Group's and the Company's funding requirements and liquidity risk is managed with the objective of meeting business obligations on a timely basis. The Group finances its liquidity through internally generated cash flows and minimises liquidity risk by keeping committed credit lines available.

The following table analyses the remaining contractual maturity for financial liabilities. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Group and the Company can be required to pay.

34. FINANCIAL INSTRUMENTS (CONT'D)

(b) Financial risk management (Cont'd)

(iii) Market risks (Cont'd)

(b) Interest rate risk

The Group's and the Company's fixed rate deposits placed with licensed banks and borrowings are exposed to a risk of change in their fair value due to changes in interest rates. The Group's and the Company's variable rate borrowings are exposed to a risk of change in cash flows due to changes in interest rates.

The Group and the Company manage the interest rate risk of its deposits with licensed financial institutions by placing them at the most competitive interest rates obtainable, which yield better returns than cash at bank and maintaining a prudent mix of short and long-term deposits.

The Group and the Company manage its interest rate risk exposure from interest bearing borrowings by obtaining financing with the most favourable interest rates in the market. The Group and the Company constantly monitor its interest rate risk by reviewing its debts portfolio to ensure favourable rates are obtained. The Group and the Company do not utilise interest swap contracts or other derivative instruments for trading or speculative purposes.

The interest rate profile of the Group's and of the Company's significant interest-bearing financial instruments, based on carrying amounts as at the end of the reporting period was:

	Group		Company	
	2019 RM	2018 RM	2019 RM	2018 RM

34. FINANCIAL INSTRUMENTS (CONT'D)

(b) Financial risk management (Cont'd)

(iii) Market risks (Cont'd)

(b) Interest rate risk (Cont'd)

Interest rate risk sensitivity

Fair value sensitivity analysis for fixed rate instruments

The Group and the Company do not account for any fixed rate financial assets and liabilities at fair value through profit or loss. Therefore, a change in interest rates at the end of the reporting period would not affect profit or loss.

Cash flow sensitivity analysis for floating rate instruments

A change in 1% interest rate at the end of the reporting period would have increased/ (decreased) the Group' profit before tax by RM54,672 (2018: RM55,762) respectively, arising mainly as a result of lower / higher interest expense on floating rate loans and borrowings. This analysis assumes that all other variables remain constant. The assumed movement in basis points for interest rate sensitivity analysis is based on the currently observable market environment.

(c) Fair value of financial instruments

The carrying amounts of short-term receivables and payables, cash and cash equivalents and short term loans borrowings approximate their fair value due to the relatively short term nature of these financial instruments and/or insignificant impact of discounting.

The table below analyses financial instruments carried at fair value and those not carried at fair value for which fair value is disclosed, together with their fair values and carrying amounts shown in the statements of financial position.

	Fair value of financial instruments not carried at fair value			Carrying amount RM
	Level 1 RM	Level 2 RM	Level 3 RM	
Group				
2018				
Financial liability				
Finance lease liabilities	–	371,039	–	415,906
	–	371,039	–	415,906

(i) Policy on transfer between levels

The fair value of an asset to be transferred between levels is determined as of the date of the event or change in circumstances that caused the transfer.

There were no transfers between levels during current and previous financial years.

NOTES TO THE FINANCIAL STATEMENTS

31 DECEMBER 2019

CONT'D

34. FINANCIAL INSTRUMENTS (CONT'D)

(c) Fair value of financial instruments (Cont'd)

(ii) Level 1 fair value

Level 1 fair value is derived from quoted prices (unadjusted) in active markets for identical assets or liabilities.

(iii) Level 2 fair value

Level 2 fair value is estimated using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Non-derivative financial instruments

Fair value, which is determined for disclosure purposes, is calculated based on the present value of future principal and interest cash flows, discounted at the market rate of interest at the end of the reporting period.

(iv) Level 3 fair value

Level 3 fair values for the financial assets and liabilities are estimated using unobservable inputs.

37. CAPITAL MANAGEMENT

The Group's and the Company's objectives when managing capital are to safeguard the Group's and the Company's ability to continue as a going concern in order to provide returns for shareholders and benefits for other stakeholders and to maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Group and the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt.

The Group and the Company monitors capital using a gearing ratio. The Group's and the Company's policy is to maintain a prudent level of gearing ratio that complies with debt covenants and regulatory requirements. The gearing ratios at the end of the reporting period are as follows:

	Group		Company	
	2019 RM	2018 RM	2019 RM	2018 RM
Total loans and borrowings	11,999,650	6,150,043	–	–
Less: Deposit, cash and bank balances	(12,535,031)	(23,116,708)	(3,525,192)	(8,221,385)
Net debt	(535,381)	(16,966,665)	(3,525,192)	(8,221,385)
Total equity	165,546,980	157,620,582	100,371,466	94,437,335
Gearing ratio (%)	*	*	*	*

* Gearing ratio not applicable for financial years ended 31 December 2019 and 31 December 2018 as the deposit, cash and bank balances of the Group and of the Company are sufficient to settle the outstanding debts.

There were no changes in the Group's and the Company's approach to capital management during the financial year.

38. SUBSEQUENT EVENT

Effect of outbreak of coronavirus pandemic

The Directors of the Company have closely monitored the development of the outbreak of coronavirus pandemic ("COVID-19") infection in Malaysia that may affect the business performance, financial performance and financial position of the Group and of the Company mainly due to travel and movement restriction and other precautionary measures imposed by relevant local authorities that affected the Group and the Company business operations. As at the date of this report, the financial impact of the COVID-19 outbreak to the Group and to the Company cannot be reasonably estimated due to the inherent unpredictable nature and rapid development relating to COVID-19, the extent of the impact depends on the on-going precautionary measures introduced by each country to address this pandemic and the durations of the pandemic. As such, the Directors of the Company will continue to closely monitor the situations and respond proactively to mitigate the impact on the Group's and the Company's financial performance and financial position.

39. DATE OF AUTHORISATION FOR ISSUE

The financial statements were authorised for issue by the Board of Directors in accordance with a resolution of the Directors on 19 May 2020.

NOTICE OF THE NINTH (9TH) ANNUAL GENERAL MEETING

NOTICE IS HEREBY GIVEN THAT the Ninth (9th) Annual General Meeting of Bioalpha Holdings Berhad (“Bioalpha” or “the Company”) will be held at Bioalpha Bangi Office, No. 1, Jalan Perindustrian Suntrack, Hub Perindustrian Suntrack, Off Jalan P1A, Seksyen 13 Bandar Baru Bangi, 43000 Kajang Selangor Darul Ehsan, Malaysia on Monday, 17 August 2020 at 10.00 a.m. or any adjournment thereof for the purpose of transacting the following businesses:

AS ORDINARY BUSINESS:

1. To receive the Audited Financial Statements for the financial year ended 31 December 2019 together with the Reports of the Directors and Auditors thereon. (Note 1)
2. To approve the payment of Directors’ fees and other benefits payable up to RM350,000 to be divided amongst the Directors in such manner as the Directors may determine for the period commencing from the conclusion of the 9th AGM until the conclusion of the next AGM of the Company. (Ordinary Resolution 1)
3. To re-elect the following Directors who are retiring by rotation in accordance with Clause 105(1) of the Company’s Constitution and being eligible, offered themselves, for re-election:
 - i. Mr. Hon Tian Kok @ William (Ordinary Resolution 2)
 - ii. Tan Sri Dato’ Dr. Syed Jalaludin Bin Syed Salim (Ordinary Resolution 3)
4. To re-elect the following Directors who are retiring in accordance with Clause 114 of the Company’s Constitution and being eligible, offered themselves, for re-election:
 - i. Ms Goh Siow Cheng (Ordinary Resolution 4)
 - ii. Mr Kang Jimmi (Ordinary Resolution 5)
5. To re-appoint Messrs. UHY as Auditors of the Company for the ensuing year and to authorise the Directors to fix their remuneration. (Ordinary Resolution 6)

AS SPECIAL BUSINESS:

To consider and if thought fit, to pass the following as resolutions:

NOTICE OF THE NINTH (9TH) ANNUAL GENERAL MEETING

CONT'D

6. **AUTHORITY TO ISSUE AND ALLOT SHARES PURSUANT TO SECTIONS 75 AND 76 OF THE COMPANIES ACT, 2016** (Ordinary Resolution 7)

THAT subject to the Companies Act, 2016 (“the Act”), the Constitution of the Company, the ACE Market Listing Requirements (“AMLR”) of Bursa Malaysia Securities Berhad (“Bursa Securities”), Additional Temporary Relief Measures to Listed Corporations for COVID-19, issued by Bursa Securities on 16 April 2020 and subject to the approvals of the relevant governmental/regulatory authorities, the Directors be and are hereby authorised and empowered pursuant to Sections 75 and 76 of the Act, to issue and allot shares in the Company, at any time to such persons and upon such terms and conditions and for such purposes as the Directors may, in their absolute discretion deem fit, provided that the aggregate number of shares to be issued pursuant to this resolution does not exceed twenty per centum (20%) of the total number of issued shares of the Company (excluding treasury shares) at any point in time (“20% General Mandate”); AND THAT the Directors be and are hereby also empowered to obtain approval from the Bursa Securities for the listing and quotation of the additional shares so issued pursuant to the 20% General Mandate on Bursa Securities;

AND THAT such authority shall commence immediately upon the passing of this resolution and continue to be in force until 31 December 2021, as empowered by Bursa Securities pursuant to their letter dated 16 April 2020 to grant additional temporary relief measures to listed corporations, notwithstanding Section 76(3) of the Act, duly varied and adopted by the Directors of the Company pursuant to Section 76(4) of the Act.”

7. **PROPOSED RENEWAL OF AUTHORITY FOR THE COMPANY TO PURCHASE ITS OWN SHARES (“PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY”)** (Ordinary Resolution 8)

“THAT subject to the Act, the provisions of Constitution of the Company, the AMLR of Bursa Securities and all other applicable laws, rules and regulations, be and is hereby given to the Company to purchase such number of ordinary shares as may be determined by the Directors of the Company from time to time through Bursa Securities upon such terms and conditions as the Director may deem fit, necessary and expedient in the interest of the Company, provided that:-

- i) the aggregate number of ordinary shares to be purchased and/or held by the Company pursuant to this resolution shall not exceed 10% of the total number of issued shares of the Company including the shares previously purchased and retained as Treasury Shares (if any);
- ii) the maximum fund to be allocated by the Company for the purpose of purchasing its own shares shall not exceed the aggregate of the retained profits of the Company based on the latest audited financial statements available at the time of the purchase, upon such terms and conditions as set out in the Statement to Shareholders dated 30 June 2020.

NOTICE OF THE NINTH (9TH) ANNUAL GENERAL MEETING

CONT'D

THAT the authority conferred by this resolution shall continue to be in force until the earlier of:

- i) the conclusion of the next AGM of the Company following this AGM at which this resolution was passed at which time the said authority shall lapse unless by an ordinary resolution passed at the next AGM of the Company, the authority is renewed, either unconditionally or subject to conditions;
- ii) the expiration of the period within which the next AGM of the Company is required by law to be held; or
- iii) the authority is revoked and varied by ordinary resolution passed by the shareholders in a general meeting, but not so as to prejudice the completion of the purchase(s) by the Company before the aforesaid expiry date and in any event, in accordance with the provisions of the guidelines issued by Bursa Securities and/or any other relevant governmental and/or regulatory authorities (if any).

THAT upon completion of the purchase by the Company of its own ordinary shares, the Directors be and are hereby authorised to deal with the ordinary shares purchased in their absolute discretion in the following manners:-

- i) cancel the ordinary shares so purchased; and/or
- ii) retain the ordinary shares so purchased as treasury shares for distribution as dividend to the shareholders and/or resell on the market of Bursa Securities and/or transfer under an employees' share scheme and/or transfer as purchase consideration; and/or
- iii) retain part thereof as treasury shares and cancel the remainder.

AND THAT the Board of Directors be and are hereby authorised to take all such steps as necessary (including the opening and maintaining of depository account(s) under the Securities Industry (Central Depositories) Act, 1991 and enter into any agreements, arrangement and guarantees with any party or parties to implement, finalise and give full effect to the Proposed Renewal of Share Buy-Back Authority with full powers to assent to any conditions, modifications, revaluations, variations and/or amendments (if any) as may be imposed by the relevant authorities from time to time or as the Board may in their discretion deem necessary and to do all such acts and things the Directors may deem fit and expedient in the best interest of the Company.”

CONT'D

Notes:-

1. *A proxy may but need not be a member of the Company and a member may appoint any person to be his/her proxy without limitation. A member shall be entitled to appoint one (1) or more proxies to attend and vote at the same meeting, the appointment shall be invalid unless he/she specifies the proportion of his/her shareholdings to be represented by each proxy.*
2. *Where a member of the Company is an authorised nominee as defined under the Securities Industry (Central Depositories) Act, 1991 ("Central Depositories Act"), it may appoint at least one proxy in respect of each securities account it holds with ordinary shares to the credit of the said securities account.*
3. *Where a member of the Company is an exempt authorised nominee as defined under the Central Depositories Act which holds ordinary shares in the Company for multiple beneficial owners in one securities account ("Omnibus Account"), there shall be no limit to the number of proxies which the Exempt Authorised Nominee may appoint in respect of each Omnibus Account it holds.*
4. *The instrument appointing a proxy shall be in writing under the hand of the appointer or of his attorney duly authorised in writing or, if the appointer is a corporation, either under the corporation's Seal or under the hand of an officer or an attorney duly authorised.*
5. *The instrument appointing a proxy must be deposited at the Company's Share Registrar, Boardroom Share Registrars Sdn Bhd of 11th Floor, Menara Symphony, No. 5, Jalan Prof. Khoo Kay Kim, Seksyen 13, 46200 Petaling Jaya, Selangor not less than forty-eight (48) hours before the time fixed for holding the meeting or any adjournment thereof.*
6. *Only the members whose names appear on the Record of Depositors as at 10 August 2020 shall be entitled to attend and vote at this meeting or appoint proxy(ies) to attend and vote on their behalf.*
7. *Pursuant to Rule 8.31A (1) of the ACE Market Listing Requirements of Bursa Malaysia Securities Berhad, all resolutions set out in this Notice will be put to vote by way of poll.*

COVID-19 Outbreak Measure Notes

The health and safety of our members and staff who will attend the 9th AGM are the top priority of the Company. Hence, the following precautionary measures will be taken for the conduct of the 9th AGM:

- a. Members or proxies are encouraged to abide by the most current regulations in place and enforced by the Ministry of Health and Government of Malaysia at the time deciding on whether or not to attend the 9th AGM in person.
- b. Members are encouraged to appoint the Chairman of the meeting (or any other person) to act as proxy to attend and vote at the 9th AGM on their behalf by submitting the proxy form with predetermined voting instruction.
- c. Members or proxies who are feeling unwell or have been placed on quarantine orders or stay-at-home notices, you are advised to refrain from attending the 9th AGM in person.
- d. Members or proxies who had been in physical contact with a person infected with COVID-19 are advised to refrain from attending the 9th AGM in person.
- e. In the interest of the public health including the well-being of our members, members must cooperate with the precautionary measures put in place by the Company should members (or your proxies) wish to attend the 9th AGM in person.
- f. Members/proxies must sanitise their hands and are strongly advised to wear a face mask if they are attending the meeting in person.
- g. Members or proxies are advised to observe/maintain social distancing throughout the meeting.
- h. NO door gift will be provided to the Members or proxies.

In view of the constant evolving COVID-19 situation in Malaysia, we may be required to change the arrangements of our 9th AGM at short notice. Kindly check Bursa Securities's and Company's website at www.bioa.com.my for the latest updates on the status of the said meeting.

NOTICE OF THE NINTH (9TH) ANNUAL GENERAL MEETING

CONT'D

Explanatory Notes to Ordinary and Special Business:-

1. Audited Financial Statements for the financial year ended 31 December 2019

The Agenda No. 1 is meant for discussion only as Section 340(1)(a) of the Companies Act, 2016 provide that the audited financial statements are to be laid in the general meeting and do not require a formal approval of the shareholders. Hence, this Agenda item is not put forward for voting.

2. Ordinary Resolution 1: To approve the payment of Directors' Fees and other benefits payable

Pursuant to Section 230(1) of the Act, fees and benefits payable to the Directors of public company or a listed company and its subsidiaries shall be approved by shareholders at a general meeting. The Directors' benefits payable comprises of meeting attendance allowances and other claimable benefits.

In determining the estimated total amount of Directors' benefits, the Board has considered various factors, among others, the estimated claimable benefits and estimated number of meetings for the Board and Board Committees held for the period commencing from the conclusion of the 9th AGM until the next AGM of the Company.

In the event the proposed amount is insufficient (e.g. due to more meetings or enlarged Board size), approval will be sought at the next AGM for additional fees to meet the shortfall.

3. Ordinary Resolution 2 & 3 : Re-election of Directors who retire by rotation in accordance with Clause 105(1) of the Company's Constitution

Clause 105 of the Company's Constitution provides that an election of Directors shall take place each year at the annual general meeting of the Company, where one-third of the Directors for the time being, or, if their number is not three (3) or a multiple of three (3), then the number nearest to one-third shall retire from office and be eligible for re-election, PROVIDED ALWAYS that Directors shall retire from office once at least in each three (3) years but shall be eligible for re-election. A retiring Director shall retain office until the close of the meeting at which he retires.

Mr. Hon Tian Kok @ William and Tan Sri Dato' Dr. Syed Jalaludin Bin Syed Salim are standing for re-election as Directors of the Company and being eligible, have offered themselves for re-election.

For the purpose of determining the eligibility of the Directors to stand for re-election at the 9th AGM, the Nomination Committee has considered and recommended Mr. Hon Tian Kok @ William and Tan Sri Dato' Dr. Syed Jalaludin Bin Syed Salim for re-election as Directors pursuant to Clause 105(1) of the Company's Constitution.

4. Ordinary Resolution 4 & 5: Re-election of Directors who retire in accordance with Clause 114 of the Company's Constitution

Clause 114 of the Company's Constitution provides that any Director so appointed shall hold office only until the next following annual general meeting, and shall then be eligible for re-election but shall not be taken into account in determining the Directors who are to retire by rotation at that meeting.

Ms. Goh Siow Cheng was appointed as Group Chief Financial Officer/Finance Director of the Company on 6 March 2020 and Mr. Kang Jimmi was appointed as Independent Non-Executive Director of the Company on 22 May 2020 respectively.

Any Director referred to in Ordinary Resolutions 2 to 5, will abstain from voting on the resolution in respect of her/his re-election at the 9th AGM of the Company.

NOTICE OF THE NINTH (9TH) ANNUAL GENERAL MEETING

CONT'D

Explanatory Notes to Ordinary and Special Business:- (Cont'd)

5. Ordinary Resolution 7 : Authority to Allot Shares Pursuant to Sections 75 And 76 of the Act

The Ordinary Resolution 7, if passed, is a renewal of the general mandate and empowered the Directors of the Company pursuant to Sections 75 and 76 of the Act to issue and allot new shares in the Company ("General Mandate").

The Company had obtained the mandate from the shareholders at the last AGM held on 11 June 2019 ("Previous Mandate"). As at the date of this Notice, no new shares in the Company were issued pursuant to the Previous Mandate and accordingly, no proceeds were raised.

As part of the initiative from Bursa Malaysia Securities Berhad ("Bursa Securities") has via their letter dated 16 April 2020 granted several additional temporary relief measures to listed corporations, amongst others, an increase in general mandate limit for new issues of securities to not more than 20% of the total number of issued shares of the Company for the time being ("20% General Mandate"). Pursuant to the 20% General Mandate, Bursa Securities has also mandated that the 20% General Mandate may be utilised by a listed corporation to issue new securities until 31 December 2021 ("Extended Utilisation Period") and thereafter, the 10% general mandate will be reinstated.

Having considered the current economic climate arising from the global Covid-19 pandemic and future financial needs of the Group, the Board would like to procure approval for the 20% General Mandate, inclusive of the Extended Utilisation Period, pursuant to Section 76(4) of the Act, from its shareholders at the forthcoming 9th AGM of the Company.

The purpose to seek the 20% General Mandate is to enable the Directors of the Company to issue and allot shares at any time to such persons in their absolute discretion without convening a general meeting as it would be both time and cost-consuming to organise a general meeting merely for such purpose. The 20% General Mandate will provide flexibility to the Company for any possible fund raising activities, including but not limited to further placing of shares, for purpose of funding its business plans, future investment project(s), working capital and/or acquisitions.

The 20% General Mandate, unless revoked or varied by the Company in general meeting, will expire at the end of the Extended Utilisation Period, i.e. by 31 December 2021.

The Board of Directors of the Company, after due consideration, is of the opinion that in the face of unprecedented challenges to the Company brought by Covid-19 pandemic, this 20% General Mandate will enable the Company further flexibility to raise funds expeditiously other than incurring additional interest costs as compared to bank borrowings, thereby allowing the Company to preserve its cash flow and achieve a more optimal capital structure. Any funds raised from this 20% General Mandate is expected be used as working capital to finance day-to-day operational expenses, on-going projects or future projects/investments to ensure the long-term sustainability of the Company.

The Board, having considered the current and prospective financial position, needs and capacity of the Company, is of the opinion that the 20% General Mandate is in the best interest of the Company and its subsidiaries.

6. Ordinary Resolution 8 : Proposed Renewal of Share Buy-Back Authority

The Ordinary Resolution 8, if passed, will empower the Directors to purchase the Company's shares through Bursa Securities up to ten percent (10%) of the issued and paid-up capital of the Company for the time being. This authority will expire at the conclusion of the next Annual General Meeting unless earlier revoked or varied by ordinary resolution passed by the shareholders at a general meeting.

For further information on this resolution, please refer to the Statement to Shareholders dated 30 June 2020 which is dispatched together with the Company's Annual Report 2019.

NOTICE OF THE NINTH (9TH) ANNUAL GENERAL MEETING

CONT'D

Explanatory Notes to Ordinary and Special Business:- (Cont'd)

7. Ordinary Resolution 9 : Proposed Granting of SIS Options to Ms. Goh Siow Cheng

In accordance with the AMLR of Bursa Securities, Ordinary Resolution 9 is to seek shareholders' approval for the Company to offer and grant Options to the Director of the Company, to participate in the SIS.

The Director of the Company namely, Ms. Goh Siow Cheng is deemed interested in the respective resolutions pertaining to the grant of SIS Options to her and accordingly has abstained and shall continue to abstain from deliberation and voting in respect of her direct and indirect interest in the Company and will ensure that persons connected with her will abstain from voting in respect of her direct and indirect interest in the Company, in the respective allocation to her.

8. Ordinary Resolution 10 : Proposed Granting of SIS Options to Mr. Kang Jimmi

In accordance with the AMLR of Bursa Securities, Ordinary Resolution 10 is to seek shareholders' approval for the Company to offer and grant Options to the Director of the Company, to participate in the SIS.

The Director of the Company namely, Mr. Kang Jimmi is deemed interested in the respective resolutions pertaining to the grant of SIS Options to his and accordingly has abstained and shall continue to abstain from deliberation and voting in respect of his direct and indirect interest in the Company and will ensure that persons connected with his will abstain from voting in respect of his direct and indirect interest in the Company, in the respective allocation to his.

STATEMENT ACCOMPANYING NOTICE OF ANNUAL GENERAL MEETING **(pursuant to Rule 8.29 of ACE Market Listing Requirements of Bursa Malaysia Securities Berhad)**

No notice of nomination has been received to date from any member nominating any individual for election as a Director at the AGM of the Company. There is therefore no individual standing for election as Director, save for the above Directors who are standing for re-election.

Further details of Directors standing for re-election as Directors at the 9th AGM are set out in their respective profiles which appear in the Directors' Profiles of this Annual Report and the details of their interests in the securities of the Company are disclosed in the Analysis of Shareholdings of this Annual Report.

The Company will seek shareholders' approval on the general meeting for issue of securities in accordance with Rule 6.04(3) of the AMLR of Bursa Securities. Please refer to the Proposed Ordinary Resolution 7 as stated in the Notice of the 9th AGM of the Company for details.
