The Group recorded a lower loss after taxation of RM1.24 million for Q2 FY2024, which was 75% lower than Q2 FY2023's loss after taxation of RM4.96 million mainly due to the loss on disposal of properties, plant and equipment recorded in Q2 FY2023.

B2 Performance of the current quarter against the immediate preceding quarter

Loss after taxation	(1,238)	(186)	(1,052)	566%

For Q2 FY2024, the Group recorded a revenue of RM1.44 million, representing a decrease of 63% compared to the first quarter ended 30 September 2023 ("Q1 FY2024"). The Group's lower revenue was mainly contributed by a lower revenue recorded in the event management sector while we incurred a further loss after taxation for Q2 FY2024 compared to Q1 FY2024 due to lower gross profit generated in the current quarter under review.

B3 Future prospects

As the Covid 19 pandemic subsides, the entertainment industry is expected to recover, and eventually grow in the longer term as Covid 19 containment measures are gradually relaxed and people become more comfortable to attend these events; and more international performers and artistes are able to travel to Malaysia. The Group shifts their focus back to organizing physical events. With the anticipated recovery in the entertainment industry, the Group is aiming to capture more revenue on physical events and festivals in the coming quarters.

The Group has been steadily building its digital and media management arm, focusing on creating a strong presence in the industry. Our diverse portfolio of digital and media platforms spans across various online channels, including social media, streaming services, blogs, and more. These cutting-edge platforms utilize advanced technology to seamlessly connect creators, consumers, and advertisers, providing an immersive environment for content distribution, interaction, and engagement.

As we move forward, our digital and media management division will continue to expand and innovate, ensuring that we remain at the forefront of the rapidly evolving digital landscape.

The digital and media management division will explore further into managing and connecting brands with relevant events for the purpose of raising brand awareness and activating a series of marketing activities for our clients. We facilitate any partnership between the brands and event organisers, ensuring all aspects of the agreed marketing activities are properly executed, from online marketing to on-site activations.

The Board had on, 8 September 2022 announced the proceeds had been fully utilised save for an amount of RM4.185 million allocated for the purchase of equipment for the event management segment.

The event management sector has been adversely affected by the disruptive effects of COVID-19. The Board has deliberated and resolved to extend the timeframe for an additional twelve (12) months until 31 August 2023 for the utilisation of the remaining unutilised proceeds for the Group to purchase equipment for the event management segment.

On 30 August 2023, the Board had resolved to further extend the timeframe for another additional twelve (12) months to use the Unutilised Proceeds.

This extension for using the remaining Unutilised Proceeds will be until 31 August 2024 ("Revised Time Frame") in order to give the Group more time to use the Unutilised Proceeds for the purchase of equipment for the event management segment.
